Introduction

This manual contains a listing of replaceable parts and assemblies for the 17 series exit device.

How to Order

Some parts are sold separately. Other parts are available as part of a kit or multiple quantity package. For the best possible service when ordering replacement parts or assemblies, please provide the following information:

- Part number or assembly number
- Description
- Quantity needed
- Finish desired (if available finish)

Part Number Changes

This manual reflects the product as sold in November 2007. Because of changes to the product and/or manufacturing processes, part numbers can change.
