Terms & Conditions

Allegion General Terms and Conditions of Sale and Service

1. GENERAL/ACCEPTANCE. (a) This Agreement contains the only terms and conditions by which Company will quote and sell Deliverables to Customer; (b) The terms "purchase order" or "order" for the purposes of this Agreement include the term "request for quotation," as appropriate; (c) This Agreement supersedes all pre-printed or boilerplate terms and conditions set forth in any purchase order issued by Customer; (d) No reference herein to Customer's purchase order will in any way incorporate different or additional terms and conditions, all of which Company hereby expressly objects to; (e) **ANY ACCEPTANCE BY COMPANY OF CUSTOMER'S PURCHASE ORDER IS EXPRESSLY CONDITIONED ON THE CUSTOMER'S ASSENT TO AND ACCEPTANCE OF THE TERMS AND CONDITIONS CONTAINED IN THIS AGREEMENT;** (f) Company reserves the right to decline any order, in whole or in part, for any reason.

2. ORDERS.

a. **Order Processing.** When Customer wishes to place an order for Deliverables, it will deliver to Company a purchase order. All such purchase orders must (i) be in a written format acceptable to Company, (ii) be legible, (iii) include a purchase order number, (iv) include Customer's account number, invoice address, ship to address, shipping method, shipper's letter of instruction for international shipments, part number, pricing, and designated contact information, (v) include, if applicable, any special configuration ID numbers, necessary programming information, special factory instructions, and requested specifications regarding a particular finish, handling, design, backset, or strike, (vi) reference any applicable pricing discounts under an ongoing buying program or based on a written quote from Company, along with the applicable buying program number or quotation number, and (vii) not combine buying program and quoted product on the same order.

b. **Minimum Orders.** In the event the order value does not meet any required minimum net Deliverable value, Company may, at its sole discretion, (i) increase the quantity of items in the order to meet the minimum net Deliverable value requirement; (ii) apply a minimum order charge; (iii) reject the order, or (iv) waive the requirement, provided that the waiver of a requirement for one order shall not constitute a waiver of the requirement for any future orders.

c. **Acceptance of Purchase Orders.** Company will endeavor to (i) acknowledge receipt of each purchase order issued in accordance with this Agreement, and (ii) notify Customer whether Company accepts or rejects the purchase order. If Company fails to accept or reject a purchase order within a reasonable time period, such failure to respond will be deemed a rejection of the entire order. Orders that combine buying program and quoted product on the same order will be routed back to your local SSC office in order to review subject purchase order.

d. **Changes to Order/ Cancellation of Orders.** Additional terms and conditions regarding order changes and cancellations are available on the Allegion customer website, **WHICH TERMS ARE EXPRESSLY INCORPORATED HEREIN BY REFERENCE.** Unless otherwise provided herein, Customer acknowledges that (i) requesting a Change Order may cause a delay in the scheduled shipment date, a longer lead time or result in a new scheduled shipment date; (ii) Orders may not be changed after 48 hours of Company's order acknowledgment; (iii) After 48 hours of Company's order acknowledgment, all changes to an accepted purchase order will be subject to a Change Order charge of 25% of the net Deliverable value, plus the cost of labor and fabrication or raw material that Company incurred prior to the receipt of the Change Order from Customer, or that may be required due to the Change Order; (iv) the requested change may result in additional charges for labor, fabrication, and raw material, and (v) if Customer cancels an order or portion of an order that includes Deliverables that have been manufactured and prepped for shipping, a 45% restocking fee will apply. Notwithstanding the foregoing, Customer cannot change or cancel credential orders, reader orders, biometrics orders or any non-cataloged, special, Custom or nonstandard items once they have been placed. All cancelled orders for a Non Recurring Expense (NRE), credential orders, reader orders, biometrics orders, and/or Custom orders will be subject to a cancellation charge of 100% of the acknowledged price.

e. **Add-ons.** Add-on orders will not be accepted. Additions to orders will be entered as separate stand-alone orders and must qualify for all terms of sale, including discounts, on an individual basis.

f. **Fast-Track Orders.** No changes or cancellations will be accepted on the 24-Hour Fast Track Program. For 3-day Fast Track orders, changes and cancellations may only be requested by Customer within 24 hours of Company's order acknowledgment if the order has not shipped. For 5-Day Fast Track orders, changes and cancellations may only be requested by Customer if the order has not shipped and if the request is made to Company within 48 hours of Company's order acknowledgment. Return Material Authorization (RMA) for Deliverables must be processed through Fast Track Customer Service.

g. **Steelcraft Orders.** For all Steelcraft orders, changes or cancellations are allowed without penalty only if made within 48 hours of Company's order acknowledgment, and provided that the order has not shipped. Some exceptions do apply – please consult the factory. Changes are not allowed on Rapid Program orders after the order has been entered and acknowledged. After 48 hours of Company's order acknowledgment, all changes or cancellations are subject to a charge of 25% of the order. Unless otherwise specified by Company in writing, any changes to orders acknowledged by Company that affect the delivery date will be deemed a new order and will require acknowledgement by Company as provided in this Section. Additional products, features, terms and conditions regarding the Rapid Program are available on the Allegion customer website, **WHICH TERMS ARE EXPRESSLY INCORPORATED HEREIN BY REFERENCE.**

3. PRICES, INVOICES AND PAYMENT.

a. **Prices.** The prices in Company's Price Book are subject to change at any time, without notice to Customer. Company may charge Customer additional amounts if Customer requests special packing, marking, shipment, product modification, or engineering services. Oral prices specified by Company are null and void. Quote numbers must be referenced on Customer's purchase order in order for the Company's quoted pricing to apply. Orders that do not reference a quote number will receive buy program pricing or book net pricing. Quoted prices are for those specific products quoted for a specified job, and are subject to the Price Book in effect at the time Company receives the order.

b. **Taxes.** Prices do not include any present or future federal, state or local property, license, privilege, sales, use, excise, gross receipts or other like taxes or assessments which may result from transactions or any services performed in connection therewith. Any taxes, charges, or duties imposed by any governmental authority on the sale of Deliverables will be paid by Customer, in addition to the selling price specified by Company.

c. **Payment Terms.** Company will deliver to Customer an invoice with each shipment of Deliverables hereunder. Customer will pay all invoiced amounts within 35 days of the invoice date (subject to any early pay discounts that may be offered to Customer by Company in its sole discretion). Customer will make all payments in United States dollars. Past due invoices will be subject to a late payment service charge of 1.5% per month on any overdue unpaid balance, equivalent to 18% per annum, or the maximum rate permitted by law,

whichever is less. Customer shall reimburse Company for all costs of collection, including, without limitation, reasonable attorneys' fees, for any overdue amount owed by Customer to Company, and such collection costs shall also be subject to interest charges.

4. QUOTATIONS.

a. **Project Quotations.** Project or new construction quotes are restricted to the specific project quoted for the quantities, finishes, and series of Deliverables referenced on the quote. Company reserves the right to require proof of sale of Company products for any quoted project.

b. **Stock Quotations.** Deliverables fulfilling stock quotations may only be used for the following: i) Stocking of the Customer's shelves for small, quick-turn, discretionary projects, or ii) Sale to a general contractor or installer for new construction. Stock quotations may not be used for any project containing any Company no-substitution, specified products. Deliverables purchased under Stock Quotations cannot be redistributed to other Customer branch locations or re-sold to other resellers or used for aftermarket sales, end-user annual contracts or sold over the counter to any walk in trade.

c. **General.** All quotes are subject to this Agreement, unless otherwise specified by Company, and are subject to change at any time prior to Company's acceptance of a purchase order referencing the applicable quote number. Company, its representatives and employees reserve the right, in their sole discretion and for any reason, to refuse a Customer's request to quote a price other than the standard list price, regardless of whether Company or its representatives or employees have previously quoted discounted prices to the Customer on some or all of its orders. Customer's failure to comply with this Section 4 will be considered a material breach of this Agreement, and will entitle Company to immediately terminate any purchase orders and/or Customer's ability to distribute Company's products.

5. SECURITY INTEREST. Customer grants Company, and Company retains, a purchase money security interest and lien on any and all of Customer's rights, title and interest in each Deliverable sold by Company to Customer, wherever located, until the invoice for the applicable Deliverable(s) is paid in full, including any late charges and costs of collection. Customer authorizes Company to, and will assist Company in, taking all necessary steps to perfect and maintain Company's interest in such Deliverables.

6. CREDIT TERMS. Unless Customer pre-pays all of its purchase orders in advance, its purchase orders will be subject to the credit limit and other terms of credit ("Credit Terms") set forth in Company's credit application, which Credit Terms Customer acknowledges are subject to change by Company at any time. Company reserves the right to request payment in advance of shipment or any order or to request adequate assurances for Customer's payment of an order and may withhold or stop shipment, without any liability to Company, until Customer submits payment or adequate assurance of payment.

7. RESALE OF DELIVERABLES. Customer agrees and warrants that it will offer Company products in support of Company-written specifications and will maintain sufficient inventory to adequately support End Users, installers, and/or general contractors' needs. Company may implement an MSRP or a resale pricing programs at any time in its sole discretion. Failure to comply with such program(s) will be considered a material breach of this Agreement, and will entitle Company to immediately terminate any purchase order and/or Customer's ability to distribute Company's products. Customer shall, at its own expense, gain and maintain sufficient knowledge of the industry and products competitive with Deliverables so as to be able to (a) explain in detail to End Users, installers, and/or general contractors the differences between the Deliverables and competing products, (b) ensure that an adequate number of trained, capable and qualified technical personnel with sufficient knowledge of the Deliverables and who have obtained all necessary licenses and permits are available to assist End Users, installers, and/or general contractors, and (c) respond to such End Users, installers, and/or general contractors with respect to the general operation and use of the Deliverables including, but not limited to, (1) acting as a liaison between the End Users, installers and/or general contractors and Company in matters requiring Company participation, (2) providing general product information and configuration support on standard protocols and features, (3) collecting relevant technical problem identification information, and (4) posting and distributing any warranty information concerning the Products in accordance with Company's instructions. Customer is responsible for all service and support resulting from the re-sale of any Deliverable to End-Users, installers and/or general contractors, examples of which may include, but are not limited to, support activities such as installation, initialization, software set-up, training, trouble-shooting, technical support and field service. In the event Customer is unwilling or unable to perform said support activities, Company reserves the right to recover from Customer any and all expenses incurred by Company to resolve the aforementioned End-User, installer and/or general contractor issues. Technical product training is recommended for Customer in order to fully service and support Deliverables purchased from Company that are resold to End-Users, installers and/or general contractors.

8. DEFAULT. If Customer is in default of payment or otherwise with respect to any purchase order or other contract with Company, Company shall have the right, in addition to all other legal remedies and without prejudice to any of its right hereunder, to defer further shipments under that or any other purchase order until such default is corrected and to declare all outstanding bills of Customer to be immediately due and payable.

9. INSPECTION AND DELIVERY.

a. **Inspection.** Customer will inspect all Deliverables immediately after receiving them. Customer will be deemed to have accepted the Deliverables unless Customer notifies Company in writing of any nonconformance within 10 days of delivery and provides Company written evidence reasonably documenting that nonconformance. Inspection of Deliverables at Company's facility is not permitted.

b. **Delivery.** Delivery schedules for Deliverables are based upon current production capacities, material or component availability, and inventory, and may be changed by Company as conditions require. Delivery schedules for services are based upon Company's prompt receipt of, and prompt access to, Customer's equipment and all information necessary to complete the services. In no event will any delivery date be construed as falling within the meaning of "time is of the essence." Partial delivery shall be accepted by Customer and paid for at the price and on the terms stated herein. Any partial delivery shall constitute a separate sale, and payment shall be separately made when due. If any part of a delivery hereunder is not delivered by Company in accordance with Customer's purchase order, this Agreement shall not be affected thereby.

10. TITLE & RISK OF LOSS. Unless otherwise specified by Company, (i) where the Customer is located in the United States, all Deliverables will be sold "Uniform Commercial Code, FOB Origin, Company's factory"; and (ii) where the Customer is located outside of the United

States, all Products will be sold "Ex-works, Company's factory (Incoterms 2010)." In either instance, title and risk of loss will pass to Customer upon delivery to the carrier at Company's factory, provided, however, as set forth herein, Company shall retain a security interest in the Deliverables until full payment has been made therefore, and Customer agrees, upon request, to do all things and acts necessary to protect Company's interest by adequately insuring the Deliverables against loss or damage from any cause and to have Company named as an additional insured. Customer will promptly provide Company with a copy of the relevant certificate of insurance upon Company's request.

11. SHIPPING.

a. **Freight Charges.** Company will ship all Deliverables in accordance with Company's freight shipment guidelines, which are set forth on the My Allegion Portal ("Freight Shipping Guidelines"), **WHICH TERMS ARE EXPRESSLY INCORPORATED HEREIN.**

b. **Rush Charges.** Expedited order options are available as set forth in Company's Freight Shipping Guidelines.

c. **Packing and Marking.** Company will pack, mark, and ship Deliverables according to its standard procedures for shipment, unless the parties agree, in writing, that Company will comply with any special instructions provided by Customer. Special instructions may result in an increased price.

d. **International Shipments.** For all international orders, a Shipper's letter of instruction must be submitted in writing with the order. Failure to do so will result in the order being rejected. Complete adherence to this order requirement will be strictly enforced. Company will not be held liable for any charges resulting from delays due to lack of complete required information being supplied.

e. Once received by the Company, a purchase order cannot be combined with any other order to increase average order size as it relates to Company's Freight Shipping Guidelines. However, for orders placed under Company's FastTrack 24 Hour/5 Day Program (available for Schlage, Von Duprin, LCN and Glynn-Johnson products); ii) FastTrack 24 Hour/3 Day Program (available for Ives products); or ProExpress (available for specific product lines stated in the ProExpress price book for Falcon, Ives, Glynn Johnson, LCN, Schlage and Von Duprin products), the applicable brands or product categories may, subject to certain order requirements identified by Company, be combined on a single order to increase average order size used in Company's Freight Shipping Guidelines.

12. CLAIMS. All claims must be submitted in writing to Company as follows: (i) All claims for prices must be submitted within thirty (30) days from the date of invoice; (ii) All claims regarding Deliverable quantity or incorrect orders must be submitted within ten (10) days from the date of delivery; (iii) All claims for damage to Deliverables (while in the care, custody, and control of Company) must be submitted within thirty (30) days from the date of invoice; (iv) All claims for loss or damage to Deliverables while in the care, custody, and/or control of a carrier will be the responsibility of Customer, unless otherwise agreed by the parties.

13. PRODUCT CHANGES. Company's product policy is one of ongoing update and revision, and accordingly, Company reserves the right to change, without notice, the design of, or the process of manufacturing, the Deliverables covered by this Agreement.

14. PRODUCT USAGE LIMITATION. Customer agrees: (i) not to sell or use a Deliverable in any manner contrary to the manner in which the Deliverable is intended to be used; and/or (ii) not to modify the design of any Deliverable for use with another product without the prior written consent of Company.

15. PRODUCT RETURNS. Unless otherwise agreed by the parties in writing, Deliverables that are correctly furnished by Company per the purchase order may not be returned unless Customer receives written authorization from Company. If returns are authorized by Company, a return merchandise authorization ("RMA") number must be provided by Company. Deliverables identified under such RMA must be returned to Company within 90 days of issuance of the RMA. Such RMA number and any accompanying RMA documents, the original invoice number, and a written explanation for the return must be included with the returned Deliverables in order for Company to inspect and approve a credit for the return. **For warranty returns,** a credit in the amount of the original purchase price will only be issued if, after Company's receipt and inspection of the returned Deliverables, Company confirms, in its sole discretion, the defect is valid and approves the return. **For non-warranty returns/convenience returns,** in the event Company approves such a return, in its sole discretion, the following shall apply: (a) the total amount of Deliverables requested to be returned shall be a minimum of \$250.00; (b) a credit will be made to Customer's account in the amount of the original purchase price less freight and a handling charge of 45% of the net material on the original invoice; and (c) only Deliverables that are new, current, standard, non-obsolete, non-specially manufactured, unused, in their original condition as at the time of sale by Company to Customer, in their original packaging and in Customer's inventory less than 180 days from the date of shipment by the Company, and not ordered as part of a master key solution may be considered by Company for return. Such credit will only be issued if, after Company's receipt and inspection of Deliverables, Company approves the return. The amount of final credit will be determined upon receipt at the factory and following Company's inspection and analysis of the condition of the returned material. Company retains the right to deny credit to anyone for any reason.

16. CONFIDENTIAL INFORMATION.

a. **Non-Use And Non-Disclosure.** Customer shall not use the Confidential Information of the Company except for the purpose of performing its obligations under this Agreement or exercising the rights granted herein (the "Purpose"). Customer shall protect Confidential Information of the Company from disclosure and unauthorized use in the same manner that it protects its own Confidential Information, but in no event shall such standard of care be less than reasonable care. Customer may disclose Confidential Information of the Company only to its employees who require such information for the Purpose and who are subject to confidentiality obligations at least as protective as those set forth herein.

b. **Proprietary Information and Advice.** (a) All designs, data, and specifications provided by Company are proprietary and may not be disclosed or reused by Customer without the prior written consent of Company; (b) Company assumes no obligation or liability for any advice given by Company, the results obtained, or damages incurred as a result of such advice, and all such advice is given and accepted at Customer's risk.

c. **Return.** Upon the termination or expiration of a purchase order or this Agreement or upon the request of the Company, the Customer agrees to end all further use of, to immediately return to the Company the original version of, and to delete or destroy all copies of, any and all Confidential Information of the Company.

17. TRADEMARKS. Except as agreed to by Company in writing, Customer agrees not to (a) use Company's name in any form of publicity; or (b) use, create, register or market,

directly or indirectly, in whole or in part, Company's names, logos, brands, or any other trademarks, or names that are now or may hereafter be owned by Company, as part of Customer's corporate or business name, as part of an internet domain name, uniform resource locator (URL), or in any way connected with Customer's business, trade address or other designations. Upon termination of this Agreement or upon the request of company for any reason, any use of Company's trademarks or names will be immediately discontinued.

18. LIMITED WARRANTY.

COMPANY MAKES NO OTHER WARRANTIES EXCEPT THOSE STATED IN COMPANY'S LIMITED WARRANTY IN EFFECT ON THE DATE COMPANY ACCEPTS EACH APPLICABLE PURCHASE ORDER ("LIMITED WARRANTY"). THE LIMITED WARRANTY MAY BE FOUND IN THE APPLICABLE PRICE BOOK AND ON THE ALLEGION CUSTOMER WEBSITE, WHICH TERMS ARE EXPRESSLY INCORPORATED HEREIN BY REFERENCE. COMPANY WILL MAIL CUSTOMER A HARD COPY OF THIS WARRANTY UPON CUSTOMER'S WRITTEN REQUEST. IN THE EVENT THAT CERTAIN DELIVERABLE WARRANTIES ARE NOT FURNISHED BY THE COMPANY TO CUSTOMER, COMPANY WARRANTS ONLY TO CUSTOMER THAT THE DELIVERABLES WILL BE FREE FROM DEFECTS IN MATERIAL AND WORKMANSHIP FOR A PERIOD OF 12 MONTHS FROM THE DATE OF SHIPMENT OF THE DELIVERABLES. COMPANY'S SOLE OBLIGATION UNDER THIS WARRANTY IS LIMITED TO REPAIRING OR REPLACING, AT COMPANY'S OPTION, THE DEFECTIVE DELIVERABLE, PROVIDED WRITTEN NOTICE OF THE DEFECT OR NONCONFORMANCE IS PROVIDED BY CUSTOMER WITHIN 30 DAYS OF DISCOVERY OF THE DEFECT OR NONCONFORMANCE. COMPANY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE DELIVERABLES, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

a. **Exclusions.** The provisions of this Limited Warranty do not apply to Deliverables that: (A) are not the proper size for the application; (B) are not installed in accordance with Company's published installation instructions; (C) are installed with improper or incorrect parts and/or are used for purposes for which they are not designed or intended; (D) have been repaired or altered without the Company's prior written consent; (E) have been subjected to misuse, abuse, negligence or accident; (F) have been improperly stored, installed, maintained or operated; (G) have been used in violation of written instructions provided by Company to Customer; (H) have been subjected to improper temperature, humidity, or other environmental conditions, or (I) have been affected by normal wear and tear. In addition, the provisions of this Limited Warranty do not apply to any defects or issues with the design or performance of equipment or products not manufactured by Company, nor does it apply to any code compliance or permit requirements for the assembly, installation, erection or construction of any goods. Company is not responsible for loss or damage resulting from use of Deliverables in conjunction with parts or systems not manufactured by Company. Accessories or products furnished by the Company, but manufactured by others, shall carry whatever warranty the manufacturers have conveyed to the Company and which can be passed to Customer.

b. **Services.** Company warrants that its services will be free from defects in material and workmanship for a period of 12 months from the date of completion of the particular items of service. Company's sole obligation under this service warranty is limited to repair or reperformance, at its option of the service, provided however, if repair or reperformance is either impractical or impossible, the Company will refund to Customer that portion of the price paid to Company for any defective service, provided written notice of the defect or nonconformance is provided by Customer within 30 days of discovery of the nonconformance.

c. **Notification.** Customer agrees to immediately notify Company in writing if any claim is made against Customer for any damages caused by any modules, parts, products, service or other Deliverables which may be the direct result of any defect in the manufacture of such aforementioned products. Customer agrees to cooperate with Company and its counsel in the defense of such claim and Customer agrees not to settle such claim without Company's written consent. If Customer fails to notify Company of such claim or fails to cooperate in such defense as aforesaid, then Company shall be discharged from any obligations under this Section and shall have no further liability to Customer.

d. **Exceptions.** The following costs and expenses are not covered by the provisions of these limited warranties: (i) labor costs for the removal and reinstallation of Deliverables or other manufacturer's products; (ii) shipping and freight expenses required to return Deliverables to Company; (iii) normal maintenance; and (iv) economic losses. In addition, the provisions of this warranty are not applicable to anything other than defects in Company's material (products only) or workmanship.

19. LIMITATION OF REMEDIES.

CUSTOMER'S EXCLUSIVE AND SOLE REMEDY ON ACCOUNT OF, OR IN RESPECT OF, THE FURNISHING OF NON-CONFORMING DELIVERABLES, SHALL BE TO (A) SECURE REPAIR OR REPLACEMENT OF THE PRODUCTS; OR (B) SECURE REPAIR OR RE-PERFORMANCE OF THE SERVICES OR TO OBTAIN A REFUND OF THE PRICE PAID FOR THE DEFECTIVE SERVICE, ALL AT COMPANY'S OPTION. IN NO EVENT WILL THE COMPANY'S MAXIMUM LIABILITY EXCEED THE SELLING PRICE FOR THE DELIVERABLE. THE WARRANTY, OBLIGATIONS AND LIABILITIES OF COMPANY (INCLUDING ITS SUPPLIERS) AND THE RIGHTS AND REMEDIES OF CUSTOMER ARE EXCLUSIVE AND ARE IN LIEU OF AND CUSTOMER HEREBY WAIVES AND RELEASES ALL OTHER WARRANTIES, OBLIGATIONS, REPRESENTATIONS OR LIABILITIES EXPRESS OR IMPLIED ARISING BY LAW, IN CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE, INCLUDING BUT NOT LIMITED TO (I) ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY WARRANTY IMPLIED THROUGH COURSE OF PERFORMANCE, COURSE OF DEALING, OR USAGE OF TRADE OR (II) CLAIMS ARISING OUT OF THE NEGLIGENCE OF COMPANY OR COMPANY'S SUPPLIERS OR (III) ANY OTHER CLAIM ARISING OUT OF, CONNECTED WITH, OR RESULTING FROM THE PERFORMANCE OF COMPANY OR FROM THE DESIGN, MANUFACTURE, SALE, REPAIR, LEASE OR USE OF THE DELIVERABLE, OR ANY COMPONENT THEREOF, DELIVERED OR RENDERED HEREUNDER OR OTHERWISE.

20. INDEMNIFICATION AND LIMITATION OF LIABILITY. a. Customer shall indemnify, defend and hold Company, and its officers, directors, employees, customers, Affiliates, suppliers, users and agents, (collectively the "Indemnitees") harmless from and against any and all damages, claims, losses, expenses, costs, obligations, liabilities, including without limiting the generality of the foregoing, liabilities for court costs and attorneys' fees, suffered directly or indirectly by an Indemnitee by reason of, or arising out of any injury, death or loss to any person, or injury to any property (collectively, "Damages"), received

Terms & Conditions

or sustained by any person(s) or property, arising out of, occasioned by, attributable or related to i) any breach of any representation or warranty made by Customer, its officers, directors, employees, affiliates, users, agents, representatives or customers to Company or any third party, (ii) any failure by Customer to perform or fulfill any of its covenants, acts and/or omissions to Company or to any third party, or (iii) any litigation, proceeding or claim by any third party relating in any way to the obligations of Customer and/or the Deliverables sold by Company to Customer hereunder. Customer shall not consummate any settlement of any indemnified claim without the Indemnitees' prior written consent. Customer's obligation to indemnify Indemnitees will continue in full force and effect notwithstanding the termination or expiration of any order under this Agreement. In any claim against an Indemnitee by an employee of Customer or any subcontractor or anyone directly or indirectly employed by any of them or anyone for whose acts they may be liable, the indemnification obligations set forth in this Section shall not be limited in any way by or for Customer or any subcontractor under any applicable worker's compensation act, disability or other employee benefit act, or insurance coverage. This provision shall survive termination of any order or Agreement. **IN NO EVENT WILL COMPANY, ITS OFFICERS, DIRECTORS, EMPLOYEES, CUSTOMERS, AFFILIATES, USERS AND AGENTS, (NOR COMPANY'S SUPPLIERS) BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES OF ANY KIND OR NATURE UNDER ANY CIRCUMSTANCES INCLUDING, BUT NOT LIMITED TO, LOSS OF USE OF THE PRODUCTS, SERVICE INTERRUPTION, LOSS OF PROFITS, LOSS OF REVENUE, LOSS OF INTEREST, LOST GOODWILL, LOSS OF DATA, WORK STOPPAGE, IMPAIRMENT OF OTHER GOODS, LOSS BY REASON OF SHUTDOWN OR NON-OPERATION, INCREASED EXPENSES OF OPERATION, OR CLAIMS OF CUSTOMER'S CUSTOMERS, OR ANY OTHER LOSSES OR DAMAGES ARISING OUT OF ANY LACK OR LOSS OF USE OF THE DELIVERABLES WHETHER BASED ON CONTRACT, WARRANTY, TORT (INCLUDING, BUT NOT LIMITED TO, STRICT LIABILITY OR NEGLIGENCE), PATENT INFRINGEMENT, OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**

b) **INTELLECTUAL PROPERTY INDEMNITY.** Company makes no representation or warranty to the Customer that the Deliverables shall not infringe any intellectual property rights including, without limitations, claims arising from patent, copyright, trademark, trade secret, or other intellectual property infringement. Customer agrees to hold Company harmless from and defend the Company against any such claim of intellectual property infringement, including any Damages resulting from that claim, the cost of complying with any preliminary or permanent injunction, and all other costs of defense (including the attorneys' fees and costs), in connection with the foregoing.

c) To the extent that applicable law does not permit any limitations set out in this Agreement, such limitation shall not be applied or invoked. Nothing in this Agreement will be interpreted to disclaim liability of Company or the Indemnitees for gross negligence or willful misconduct. The limitations of remedy and liability herein shall not be interpreted to affect Company's obligations, if any, for claims for (i) property damage, (ii) personal injury, or (iii) wrongful death asserted by persons who are not parties to or beneficiaries of this Agreement. Further, the limitations of remedy and liability herein shall not be interpreted to limit Company's or Customer's right, if permitted by applicable law, to assert a claim for contribution among joint tortfeasors in connection with a claim by a person who is not a party to this Agreement.

21. CERTIFICATIONS. Certification of Deliverables for compliance with UL and ANSI standards are tested and performed by third-party independent laboratories. Any field modification or alteration of certified Deliverables will void certification and Company is not liable to Customer to certify any modified or altered Deliverable.

22. TERM FOR CLAIMS. NO ACTION ARISING OUT OF ANY CLAIMED BREACH OF THIS AGREEMENT BY COMPANY MAY BE BROUGHT BY CUSTOMER MORE THAN ONE (1) YEAR AFTER THE CAUSE OF ACTION HAS ARISEN.

23. CONSUMER PRODUCTS WITH RESPECT TO "CONSUMER PRODUCTS" AS DEFINED UNDER THE MAGNUSON-MOSS WARRANTY ACT ("MMWA"), THE FOLLOWING STATEMENTS ARE MADE. (A) SOME STATES OR LOCAL LAWS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU; (B) IF ANY IMPLIED WARRANTY IS PROVIDED UNDER THE MMWA, IT IS LIMITED TO THE DURATION OF THE WARRANTY PROVIDED IN SECTION 18 ABOVE. (C) SOME STATES OR LOCAL LAWS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU; AND (D) THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE OR LOCATION TO LOCATION.

24. FORCE MAJEURE/EXCUSABLE DELAY. Any delay or failure of Company to perform its obligations hereunder will be excused to the extent that it is caused by an event or occurrence beyond Company's control such as, by way of example and not by way of limitation, acts of God, acts by any governmental authority (whether valid or invalid), governmental laws and regulations not presently in effect, fires, floods, windstorms, explosions, riots, natural disasters, wars, sabotage, accidents, labor problems (including, without limitation, lockouts, strikes, and slowdowns) at Company's facility, its source plant or their suppliers, inability to obtain power, material, labor equipment, or transportation, or court injunction or order. The delivery date will be extended for a time equal to that of the delay and the schedule for Company's performance will be deemed adjusted to that effect.

25. ENTIRE AGREEMENT AND AMENDMENT. This Agreement, together with the attachments, exhibits, webpages, or supplements specifically referenced and incorporated herein, constitute the entire agreement between Company and Customer with respect to the matters contained herein and supersede all previous communications, representations, or agreements, either oral or written between Company and Customer. No agreement or understanding varying or expanding this Agreement will be binding upon either party unless it is in writing and signed by a duly authorized representative of each party hereto.

26. CONFLICTS. In the event of any conflict or inconsistency between the terms of any agreement, or any part of an agreement or the various documents (including, but not limited to, electronic documents) between Company and Customer, unless the parties agree otherwise in writing, the various components of the agreements shall be given the following precedence (in descending order of precedence): a) any master agreement or long term agreement between Company and Customer; b) any specific terms, conditions and/or warranties of the individual products or Deliverables; c) the terms and conditions of this Agreement, and d) any purchase order.

27. UNSATISFACTORY CREDIT/TERMINATION FOR INSOLVENCY OR DEFAULT.

Customer shall furnish Company with statements evidencing Customer's financial condition as Company may, from time to time, reasonably request, and shall notify Company immediately of any and all events that may have a material adverse effect on Customer's business or financial condition. If Company determines, in its sole discretion, that Customer's financial condition or creditworthiness is inadequate or unsatisfactory, then in addition to Company's other rights, Company may without liability or penalty, take any of the following actions: (i) modify the payment terms for any outstanding and/or future purchases; (ii) cancel any previously accepted orders; (iii) delay any further shipment of Deliverables to Customer; or (iv) any combination of the above.

Company may immediately terminate an order from Customer by giving written notice to Customer in the event of the happening of any of the following or any other comparable event: (i) insolvency of the Customer; (ii) filing of a petition in bankruptcy by or against the Customer; (iii) appointment of a receiver or trustee for the Customer; (iv) execution of an assignment for the benefit of creditors by the Customer, all of which will allow Company to demand reclamation of all affected orders; (v) Customer ceases or threatens to cease to trade; (vi) Company determines that Customer does not meet or no longer meets the credit requirements of Company or Customer's credit account is closed; (vii) any Customer violation of law, specifically including, without limitation, those laws set forth in this Agreement.

In the event of termination in accordance with this section, Company will not be obligated to accept any existing or additional orders from Customer and Company will be released from its obligation to deliver under orders accepted prior to such termination. The rejection or termination of any order by Company will not entitle Customer to any termination or severance compensation, or to any payment in respect to any goodwill established by Customer, or render Company liable for damages on account of the loss of prospective profits, or on account of any loss, expenditure, investment or obligation incurred or made by Customer.

No action taken under this Section 27 by Company (nor any failure of Company to act under this Section 27) will constitute a waiver by Company of any of its rights to enforce Customer's obligations, including the obligation of Customer to make payments as required under this Agreement. Upon termination of any order, all amounts owed by Customer to Company will become immediately due and payable, whether or not otherwise then due or payable.

28. CREDIT RISK ON RESALE OF DELIVERABLES. Customer is responsible for all credit risks with respect to, and for collecting payment for, all Deliverables sold to third parties (including End Users, installers, and/or general contractors) whether or not Customer has made full payment to Company for such Deliverables. The inability of Customer to collect payment for any Deliverable shall not affect Customer's obligation to pay Company for any Deliverable.

29. GOVERNING LAW; VENUE; AND EXPENSES. Any dispute or claim relating to this Agreement shall be governed by and construed according to the laws of the State of Indiana (excluding its conflict of laws principles); and not by the provisions of the 1980 United Nations Convention on the International Sale of Goods. Any disputes or claims shall be instituted and maintained in the courts of the State of Indiana. Customer consents to the exercise of jurisdiction over it by such courts and agrees that Indiana is not an inconvenient forum for any action arising from or relating to this Agreement. Customer agrees to pay for all expenses (including, but not limited to, collection costs, court costs and attorneys' fees) incurred by Company in enforcing the obligations of Customer under this Agreement.

30. RELATIONSHIP OF THE PARTIES. Nothing in this Agreement or any other document creates an employment, partnership, joint venture, or agency relationship between Company and Customer, including that of franchisee/franchisor. No party will have any power or authority to enter into any commitment on behalf of or otherwise bind the any other party on any matter. No employee of Customer will be deemed to be an employee of Company. If any provision of this Agreement is deemed to create a franchise relationship or business opportunity between the Parties, then Company may terminate any purchase order or this Agreement or the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby are consummated as a reseller agreement and not a franchise or business opportunity agreement.

31. SETOFF. Customer does not have the right to setoff or to back charge against any amounts which become payable to Company under this Agreement or otherwise. Company will not accept responsibility for backcharges for the cost of material or labor by Customer or any third party.

32. ELECTRONIC COMMUNICATIONS AND ELECTRONIC SIGNATURES. Both parties expressly agree to electronic transactions and acknowledge that documents they sign electronically will bind them to the same extent as a paper signature. Customer represents and warrants to Company that only employees authorized to bind Customer legally shall electronically sign any document under this Agreement. Customer shall comply with any method of electronic communication/payment processing specified by Company, including electronic funds transfer, pay-on-receipt processes/systems, order transmission, releases, electronic signature, and electronic communication systems, including, without limitation, the use of electronic data interchange ("EDI") portals. Notwithstanding the foregoing, e-mails, even those containing a signature block of one of Company's representatives, shall not constitute a signed writing.

33. COMPLIANCE WITH APPLICABLE LAWS.

a. **General.** Company and Customer will comply with all applicable federal, state and municipal laws, regulations, codes, ordinances and orders that pertain to the Deliverables, including but not limited to full compliance with any applicable provisions of The Health Insurance Portability and Accountability Act. Where the Customer is located outside the United States, or where the customer intends to ship the product outside the United States, the Customer shall be responsible for compliance with all U.S. export laws, and for filing all U.S. Electronic Export Information, as applicable.

b. The Customer acknowledges and agrees that: (i) it shall not violate applicable laws and regulations in performing its duties under this Agreement; (ii) it does not and shall not engage in any conduct that shall violate any applicable anti-bribery or anti-corruption laws or regulations; (iii) it (and its owners, officers, directors, employees and agents) shall not pay, offer, promise or authorize the payment of, either directly or indirectly, anything of value (including but not limited to cash, gifts and entertainment) to (a) any government official or employee of any government; (b) any official or employee of any department, agency, or

instrumentality of a government; (c) any employee of any corporation or entity owned or controlled by a government; (d) any family member of such officials or employees; (e) any political party, party official, or political candidate; or (f) any other persons, owners, officers, directors, employees and agents of any corporation or entity; to improperly or illegally assist in obtaining or retaining business (including but not limited to any contracts, avoidance of duties or reduction of tariffs, reduction of taxes or to obtain money owed, or to obtain regulatory approval) or for the purpose of causing, soliciting or inducing the sale and purchase of the Deliverables by any party, and (iv) it has full knowledge of and will comply with the Company's Code of Conduct for Business Partners as set forth on the Allegion customer website, **WHICH IS HEREBY INCORPORATED BY REFERENCE.**

c. The Customer shall indemnify and hold the Company harmless from any claim, demand, expense or cost arising from any breach of this Article.

d. The Customer shall permit the Company to conduct an audit or review of the Customer's financial books and records and business operations at such other times that the Company considers it necessary to confirm compliance with this provision. Such audit may be conducted by representatives of the Company or, at the Company's sole discretion, by a certified public accounting firm selected by the Company. The Customer shall cooperate with any inquiries from the Company's Ethics & Compliance Group.

e. A violation of this provision constitutes a material breach of this Agreement and the Company may terminate any purchase order or this Agreement immediately, with no opportunity to cure, in accordance with Section 27 of this Agreement.

f. Notwithstanding the foregoing provisions of this Section 33, (i) Company is not responsible for obtaining or maintaining any permits for the performance of services or the verification or compliance with any code requirements relative to the performance of services, (ii) to the extent any sale of Deliverables pursuant to this Agreement may require approval of the U.S. Government, Company's obligations under this Agreement are conditioned upon the grant of such approval and upon compliance by Customer with any restrictions imposed by the U.S. Government in connection with such approval, and (iii) in the event the Deliverables are to be used in a nuclear facility, the Customer shall, prior to such use, arrange for insurance or governmental indemnity protecting Company against liability. The Customer hereby releases and agrees to indemnify Company and its suppliers for any nuclear damage including, but not limited to, loss of use, in any manner arising out of the nuclear incident, whether alleged to be due, in whole or in part by Company or its suppliers.

g. **No Inducements.** Each party represents to each other that neither it nor any person acting on its behalf has, in contravention of any applicable law, given or offered to give or will give or offer to give, any sum of money or other material consideration to any person, directly or indirectly, as an inducement to obtain business hereunder or to influence the granting of licenses or other governmental permissions to enter into this Agreement or perform obligations hereunder.

h. **Equal Employment Opportunity.** Company is a U.S. federal contractor that complies with Executive Order 11246, as amended, and applicable regulations in 41 CFR Parts 60-1 through 60-60, 29 U.S.C. § 793 and applicable regulations in 41 CFR § 60-741; and 38 U.S.C. § 4212 and applicable regulations in 41 CFR Part 60-250 and 60-300. **THE FOLLOWING PROVISIONS ARE INCORPORATED HEREIN BY REFERENCE:** Executive Order 11246, as amended by Executive Order 13672, and 41 CFR § 60-4.3(a); Executive Order 11701 and 41 CFR §§ 60-250.5(a), 60-300.5; Executive Order 11758 and 41 CFR § 60-741.5(a); U.S. immigration laws, including the L-1 Visa Reform Act of 2004 and the H-1B Visa Reform Act of 2004; and Executive Order 13496.

i. **Ethical Business Conduct.** Customer shall adopt and comply with Company's Business Partner Code of Conduct which is **EXPRESSLY INCORPORATED HEREIN BY REFERENCE.**

34. REPRESENTATIONS AND WARRANTIES. Customer represents, warrants and covenants to Company that: (a) it has the right, power, and authority to enter into this Agreement and fully perform its obligations hereunder; (b) it has all necessary rights in and to its respective Content and Marks for use within the scope of this Agreement, including the licenses granted herein; and (c) it complies, and at all times shall comply, with all laws, rules, and regulations in effect that are applicable to its performance under this Agreement, including obtaining all such approvals and/or permits as may be required hereunder.

35. NO THIRD-PARTY BENEFICIARY. Each party is entering into this Agreement solely based on the representations contained herein for its own purposes and not for the benefit of any third party.

36. NOTICES AND CHANGE OF ADDRESS. All notices or other communications under this Agreement shall be in writing and delivered in person, or sent by receipted courier, express mail, e-mail, or postage prepaid certified or registered mail, addressed to the party for whom it is intended, at the addresses set forth in this Agreement. Either party may change its address for notice by giving written notice to the other party. Any notice or other communication shall be deemed given no later than the date actually received. Notice by courier, express mail, certified mail, or registered mail shall be deemed given on the date it is officially recorded as delivered and, in the absence of such record of delivery, it shall be rebuttably presumed to have been delivered on the third Business Day after it was deposited. Notices sent by e-mail require tangible confirmation of receipt from addressee.

37. ASSIGNMENT. Customer may not assign this Agreement without the prior written consent of Company. Company may assign its rights and delegate its duties under this Agreement, without the prior consent of Customer, to an Affiliate, or to a third party in the event of a spin-off, merger, business combination, consolidation or sale of all, or substantially all, of its assets or business that are related to this Agreement. The rights and duties in this Agreement shall bind and inure to the benefit of any such assignee.

38. SEVERABILITY. If any provision of this Agreement is held to be invalid, illegal, or unenforceable under any statute, regulation, ordinance, executive order, or other rule of law, that provision will be deemed severed to the extent necessary to comply with such statute, regulation, ordinance, order, or rule. In the event such provision is deemed severed, the parties will negotiate in good faith to arrive at an alternative arrangement approximating the original business objective of the parties. The remaining terms and conditions of this Agreement will remain in effect.

39. NO IMPLIED WAIVER. The failure of either party at any time to require performance by the other party of any provision of this Agreement will in no way affect the right to require such performance at any time thereafter, nor will the waiver of either party of a breach of any provision of this Agreement constitute a waiver of any succeeding breach of the same or any other provision.

40. MISCELLANEOUS. (a) This Agreement does not make either party the agent or legal representative of the other party. Neither party is authorized to create any obligation on behalf of the other party including, but not limited to, the obligation for payment of any

service or warranty obligation hereunder; (b) The rights and remedies herein reserved to Company are cumulative and additional to any other rights and remedies provided at law or equity; (c) The official text of this Agreement is in the English language. If this Agreement is translated into another language, the English text will govern any question with respect to interpretation; (d) The headings in this Agreement are for convenience of reference only and do not affect the meaning of this Agreement in any manner.

DEFINITIONS.

Capitalized terms have the meanings set forth in this Section, or in the SECTION in which they first appear in this Agreement.

"Agreement" means these Allegion Terms and Conditions of Sale and Service, together with any applicable Country Supplement or Region Supplement provided by Company, and all of the documents referenced herein or therein.

"Affiliate" means any Person that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with, the Company. The term "control" (including the terms "controlled by" and "under common control with") means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise.

"Business Day" means any day except Saturday, Sunday or any other day on which commercial banks located in the United States are authorized or required by Law to be closed for business.

"Company" means Schlage Lock Company, LLC or any subsidiary or affiliate thereof selling products that are part of the Allegion product portfolio. Schlage Lock Company and/or its subsidiary or affiliates will be severally but not jointly liable under the Agreement.

"Company Marks" refers to the Marks of Company.

"Confidential Information" shall mean any and all information provided by either party to the other party pertaining to the disclosing party's business. Confidential Information shall include, but not be limited to, any bidding lists, formulae for products, manufacturing processes, production techniques, packaging processes, methods, research materials, ideas, marketing plans and related materials, quality standards, test results and data, apparatus, engineering drawings, contract documents, computer software, hardware, or firmware, business activities information such as financial information, reports, projections, books and records, customer and supplier information, and operations, customer and supplier lists and data, specifications, know how, and other Proprietary Information or Trade Secrets (as defined herein) that either party may furnish to the other party. Confidential Information shall not include information that: (a) is or becomes publicly known if such public knowledge or disclosure is not the result of any act or failure to act on the part of the receiving party; (b) is, at the time of disclosure, already known to the Receiving Party without utilizing the Confidential Information; (c) is information disclosed to the Receiving Party by a third party which is not to the Receiving Party's knowledge, after inquiry of the third party, under a duty of confidentiality to the Disclosing Party; or (d) is independently developed by the Receiving Party without the use of Confidential Information. The Receiving Party shall have the burden of proof as to prior knowledge and absence of breach. Confidential Information may be furnished in any tangible or intangible form including, but not limited to, writings, drawings, computer and other electronic media, logic diagrams, component specifications, graphs, prototypes, samples, or verbal communications and regardless of whether such information is marked or designated as "confidential." For the avoidance of doubt, all information, knowledge or data disclosed by Company to Customer, regardless of whether disclosed in written, tangible, oral, visual or other form, including, without limitation, sample products, equipment, software, or other objects or material, provided by Company to Customer, and all information, knowledge or data which was obtained by Customer from visits to Company's facilities, shall be considered "Confidential Information" under this Agreement.

"Content" means all information (including without limitation any text, music, sound, photographs, video, graphics, data or software), in any medium, on a particular Company Web page or Website or in Marketing Materials.

"Customer" means the purchaser of Deliverables from Company.

"Deliverables" means any good or service or both purchased by Customer from Company under these General Terms and Conditions of Sale and Service.

"End Users" means the purchaser that (a) has acquired a Deliverable from Customer for (i) its own and its Affiliate's/Affiliates' internal use and not for resale, remarketing or distribution or (ii) incorporation into its own products and (b) is an individual or entity, other than any federal, state or local agency, office or division.

"IP" means all intellectual property and industrial property rights comprising or relating to/ of the following: (a) Patents; (b) Trademarks; (c) Internet domain names, whether or not Trademarks, registered by any authorized private registrar or Governmental Authority, web addresses, web pages, website and URLs; (d) works of authorship, expressions, designs and design registrations, whether or not copyrightable, including copyrights and copyrightable works, software and firmware, application programming interfaces, architecture, files, records, schematics, data, data files, and databases and other specifications and documentation; (e) Trade Secrets; and (f) all other intellectual property and industrial property rights, and all rights, interests and protections that are associated with, equivalent or similar to, or required for the exercise of, any of the foregoing, however arising, in each case whether registered or unregistered and including all registrations and applications for, and renewals or extensions of, such rights or forms of protection pursuant to the Laws of any jurisdiction throughout in any part of the world.

"Marketing Materials" means all marketing brochures, buckslips, pamphlets, emails, text, call scripts or other material, whether in printed format, audio or audiovisual format, or in any other format, that contain any (i) Content relating to the Company Deliverables or (ii) Company Marks.

"Marks" means collectively the domain names, trademarks, trade names, service marks, trade dress, logos, and the like used or provided by either party for use in connection with this Agreement.

"Patents" means all patents (including all reissues, divisionals, provisionals, continuations and continuations-in-part, re-examinations, renewals, substitutions and extensions thereof), patent applications, and other patent rights and any other Governmental Authority-issued indicia of invention ownership (including inventor's certificates, petty patents and patent utility models).

"Person" means a person or entity.

"Price Books" mean Company's current Price Book in effect for the applicable Deliverable being purchased by Customer.

"Trade Secrets" means and includes business or technical information of either party, including processes, formulas, devices, techniques, compilations and other material that a party attempts to maintain in secret and that derive commercial value for such party from not being generally known to the public or readily ascertainable through independent development or reverse engineering.

Additional Terms & Conditions

Commercial

The following specific product terms and conditions are applicable only to the extent provided herein. All other terms and conditions contained in the General Terms and Conditions of Sale and Service provided in this Price Book will govern the sale of products identified in this Price Book.

Prices:

All prices may be subject to discount. Products considered "Specials" ("X" designated part numbers) fall outside of standard discount terms. Contact Customer Care for clarification.

Minimum Order Size for Channel Discount:

All orders less than \$500.00 list shall be discounted at book net.

Claims and Returns:

Due to Schlage error:

- Claims for shortages and/or incorrectly filled orders must be filed with Customer Service within 30-days of receipt of material.
- Incorrect order acknowledgments must be changed by emailing request to Customer Care territory email box upon receipt of acknowledgment. Refer to inside cover of this book.
- Invoice adjustments must be faxed to Credit Adjustments @ (317) 810-3048 within 30-days of receipt of invoice.
- Returned goods will not be accepted without prior written approval from Schlage. Credit will be based upon the Return Material Authorization (RMA) issued by Customer Service or the Allegion Consultant and final acceptance by Schlage. Returns must be prominently marked with the RMA number and follow return guidelines on the RMA form.
- Product considered being defective after review by the Allegion Consultant must be returned to the Schlage Lock Company facility in Security, Colorado accompanied by an RMA. Replacement orders for defective product will be entered by Customer Service at the time of notification.

Claims and Returns:

Due to Customer error:

- It is the policy of the Schlage Lock Company to not accept returns of any materials that are correctly furnished as per the dealer's purchase order.
- Return of product due to customer order error or accommodation must be pre-arranged with the Allegion Consultant and approved by Business Unit Manager.
- Returns are subject to a minimum restocking charge of 35% for unopened cases.
- Materials are not returnable.
- Product must be received in original factory condition and certified as such by Schlage Receiving.

Charge-backs will not be allowed.

Commercial

Delivery:

For the following:

Non-Master Keyed orders

Master Keyed orders
or

Non-Master Keyed orders prominently marked on the order to "Ship Complete"

Claims and Returns:

Expect this delivery:

Factory items will individually be assigned ship dates based on current lead times.

The entire order will be assigned ship dates grouped by factory location. Items with longest current lead times determine ship date for other items from that location.

All orders will be acknowledged with scheduled ship dates. Specific scheduled ship dates are not guaranteed by Schlage because of the nature of product, labor, availability of product or manufacturing conditions that might be beyond our control. Schlage will not be liable for back charges incurred based on availability of product in accordance with acknowledged ship dates. Selected Products are available to specific channels of distribution for 1 and 5-day delivery through the Allegion FastTrack Program. The Allegion FastTrack Program is subject to separate terms and conditions.

Order Changes or Cancellations:

Type of Change	Type of Product		
	- Primus® Keys	Normal Factory Lead Time items	⌚ Extended Factory Lead Time items
1. Change to: - Product, creating a different SKU number - Keying	Not Accepted	<ul style="list-style-type: none"> OK within first 2-days from receipt of order. - Notes:**
- 1) Change orders must be emailed to your Customer Care territory email box. Please state change order request in subject line. For questions call (877) 671-7011.
 - 2) Customer Care will acknowledge receipt of change orders and action taken.
 - 3) Change orders resulting in handling charges require customer review prior to change being made.

WARRANTY

Schlage Electromagnetic Locks

Limited Lifetime Warranty:

Magnetic Coil Assembly. Schlage warrants only to the End User of electromagnetic locks that the magnetic coil assembly of the electromagnetic locks will be free from defects in material and workmanship for the lifetime of such electromagnetic lock.

Limited 12 Month or 18 Month Warranty:

Electronic Module. Schlage warrants only to the End User of electromagnetic locks that the electronic module of the electromagnetic locks will be free from defects in material and workmanship for a period of 12 months from the date of shipment of the electromagnetic locks from an authorized seller to the End User or a period of 18 months from the date of shipment of such electromagnetic locks from Schlage to an authorized seller, whichever period is shorter.

Limitations:

Schlage's sole obligation under this warranty is limited to repairing and replacing, at its option, the defective electromagnetic locks. If Schlage chooses to replace a defective electromagnetic lock as provided herein, Schlage may replace the defective electromagnetic lock with an equal or upgraded electromagnetic lock, at its option.

NO OTHER WARRANTIES, EXPRESS OR IMPLIED, ARE MADE WITH RESPECT TO THE ELECTROMAGNETIC LOCKS INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. SCHLAGE DOES NOT AUTHORIZE ANY PERSON TO CREATE FOR IT ANY OBLIGATION OR LIABILITY IN CONNECTION WITH ELECTROMAGNETIC LOCKS.

This warranty is exclusive and limited to the End User of the electromagnetic locks, and terminates upon the sale or transfer of the electromagnetic locks or the structure for which the electromagnetic locks are attached.

"End User" is defined in this limited warranty as the initial user of the products.

Exclusions to Warranty:

The provisions of this limited warranty do not apply to electromagnetic locks: (i) used for purposes for which they are not designed or intended; (ii) which have been repaired or altered without Schlage's prior written consent; (iii) which have been subjected to misuse, abuse, negligence, or accident; (iv) which have been improperly stored, installed, maintained, or operated; (v) which have been used in violation of written instructions provided by Schlage to an authorized seller and/or End User; (vi) which have been subjected to improper temperature, humidity, or other environmental conditions; (vii) which have been affected by normal wear and tear; or (viii) which, based on Schlage's or authorized seller's examination, do not disclose to Schlage's or an authorized seller's satisfaction nonconformance to the warranty.

The following costs and expenses are not covered by the provisions of this limited warranty: (i) labor costs for the removal and reinstallation of electromagnetic locks; (ii) shipping and freight expenses required to return electromagnetic locks to Schlage or an authorized seller; (iii) normal maintenance; and (iv) economic losses.

THE PROVISIONS OF THIS LIMITED WARRANTY ARE NOT APPLICABLE TO ANYTHING OTHER THAN DEFECTS IN SCHLAGE'S MATERIAL OR WORKMANSHIP.

End User's Remedies:

END USER'S EXCLUSIVE AND SOLE REMEDY ON ACCOUNT OF, OR IN RESPECT OF, THE FURNISHING OF ELECTROMAGNETIC LOCKS THAT DO NOT CONFORM TO THIS AGREEMENT WILL BE TO SECURE REPAIR OR REPLACEMENT OF THE ELECTROMAGNETIC LOCKS, AT SCHLAGE'S OPTION. IN NO EVENT WILL SCHLAGE'S MAXIMUM LIABILITY EXCEED THE SELLING PRICE FOR THE NON-CONFORMING ELECTROMAGNETIC LOCKS.

Limitation of Liability:

IN NO EVENT WILL SCHLAGE BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES INCLUDING, BUT NOT LIMITED TO, LOSS OF USE OF THE ELECTROMAGNETIC LOCKS, LOSS OF PROFIT, LOSS OF REVENUE, INTEREST, LOST GOODWILL, WORK STOPPAGE, IMPAIRMENT OF OTHER GOODS, LOSS BY REASON OF SHUTDOWN OR NON-OPERATION, INCREASED EXPENSES OR OPERATION, OR CLAIMS OF END USERS, WHETHER BASED ON CONTRACT, WARRANTY, TORT (INCLUDING, BUT NOT LIMITED TO, STRICT LIABILITY OR NEGLIGENCE), PATENT INFRINGEMENT, OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Statute of Limitations:

NO ACTION ARISING OUT OF ANY CLAIMED BREACH OF THIS AGREEMENT BY SCHLAGE MAY BE BROUGHT BY END USER MORE THAN ONE (1) YEAR AFTER THE CAUSE OF ACTION HAS ARISEN.

Consumer Products:

With respect to "customer products" as defined under the Magnuson-Moss Warranty Act ("MMWA"), the following statements are made.

(a) Some states do not allow the exclusion of limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to the End User. (b) This warranty gives the End User specific legal rights and the End User may also have other rights which vary from state to state.

WARRANTY

Limited Warranty - Networked Readers & Credentials

Limited Lifetime Warranty – Credentials

Schlage Lock Company, LLC (hereinafter referred to as “Company”) extends a limited lifetime warranty to the original end-user purchaser (“Original Purchaser”) of our Credential, against defects in materials and workmanship under normal use and service.

Limited Lifetime Warranty – Networked Readers

Company extends a limited lifetime warranty to the original end-user purchaser (“Original Purchaser”) of our Networked Reader, against defects in materials and workmanship under normal use and service.

5-Year Limited Warranty – Networked Reader Keypads

Company extends a five year limited warranty on the Networked Reader Keypad, from the date of shipment, to the original purchaser (“Original Purchaser”) of our Networked Reader, against defects in materials and workmanship under normal use and service.

1-Year Limited Warranty – Networked Magnetic Stripe Read Head

Company extends a one year limited warranty on the Networked Magnetic Stripe Read Head, from the date of installation (not to exceed two years from the date of shipment from the factory), to the original purchaser (“Original Purchaser”) of our Networked Reader, against defects in materials and workmanship under normal use and service.

1-Year Limited Warranty – Magnetic Stripe Credentials

Company extends a one year limited warranty on our magnetic stripe credentials, from the date of shipment, to the original purchaser (“Original Purchaser”) of our Magnetic Stripe Credential, against defects in materials and workmanship under normal use and service.

“Credential,” “Networked Reader,” “Networked Reader Keypad,” and “Networked Magnetic Stripe Read Head” are collectively referred herein as “Product.” “Credential” shall not include credentials made of only PVC material.

What Company Will Do:

If a defect arises and a valid claim is determined by Company sole obligation, at its option, is to either repair or replace the Product covered under this warranty with a new or remanufactured Product. The repair or replacement of the Product, as provided herein, is Original Purchaser’s exclusive remedy.

Original Purchaser:

This limited warranty only applies to the Original Purchaser of the Products. It is non transferable and does not apply to any subsequent purchaser.

How to Submit a Claim:

In order to recover under this limited warranty, Original Purchaser must make a claim to Company and, if necessary, present acceptable proof of purchase. To start a claim submission, the Original Purchaser should contact Product Support at 1-877-671-7011 or 1-512-712-1316.

What Is Not Covered:

The following costs, expenses and damages are NOT COVERED by the provisions of this limited warranty: (1) back charges, labor costs or removal or re-installation of said products; (2) shipping and freight expenses required to return product to Company; (3) failures, defects, or damage (including, but not limited to, any security failure or loss of data) caused by any third party product, service, or system connected or used in conjunction with the Products; and (4) any other incidental, consequential, indirect, special, or punitive damages including, but not limited to, loss of use of the control panel or video recorder, loss of profit, loss of revenue, loss of interest, lost goodwill, work stoppage, impairment of other goods, loss by reason of shutdown or non-operation, damage to property, increased expenses or operation, or third-party claims, arising out of any theory of recovery, including warranty, contract, statutory or tort (including, but not limited to, strict liability or negligence), patent infringement, or otherwise, even if advised of the possibility of such damages. Credentials made only of PVC material are not covered under this warranty.

Exclusions to Warranty:

The provisions of this warranty do not apply to any Product which has been damaged due to conditions in which Company has no control including, but not limited to, catastrophe, improper installation or maintenance, accidents, modification, misuse, abuse, negligence, alteration, tampering or disassembly, undue electrical discharge or lightning strike, improper storage or use outside its intended and normal manner.

LIMITATION OF LIABILITY:

COMPANY MAKES NO OTHER WARRANTY, CONDITION OR REPRESENTATION OF ANY KIND WHATSOEVER, EXPRESSED OR IMPLIED, STATUTORY OR OTHERWISE, EXCEPT THAT OF TITLE, AND ALL IMPLIED WARRANTIES AND CONDITIONS RELATING TO THE MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED, WHERE ALLOWED BY LAW. IN NO EVENT WILL COMPANY BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL OR PUNITIVE DAMAGES OF ANY KIND.

Additional Terms:

Company does not authorize any person to create for it any obligation or liability in connection with the Product. Company’s maximum liability hereunder is limited to the original purchase price of the Product. No action arising out of any claimed breach of this warranty by Company may be brought by the Original Purchaser more than one year after the cause of action has arisen.

Applicability of Local Laws:

This warranty gives you specific legal rights, and you may also have other rights, permitted by law, which vary from state to state. If this Product is considered a consumer product, please be advised that some local laws do not allow limitations on incidental or consequential damages or how long an implied warranty lasts, so that the above limitations may not fully apply. Refer to your local laws for your specific rights under this warranty.

WARRANTY

Schlage Electric Strikes, System Accessories and Power Supplies

5-Year Limited Warranty – Electric Strikes:

Schlage Lock Company, LLC (the “Company”) extends a five-year limited warranty to the original end-user purchaser (“Original Purchaser”) of our electric strikes, against defects in materials and workmanship of the mechanical components under normal use and service and, a one-year limited warranty on the electrical components including the solenoid and wiring.

12-18 Month Limited Warranty:

The Company extends a 12-month limited warranty from date of installation on system accessories and power supplies (not to exceed 18 months from the date of shipment from factory), to the original end-user purchaser (“Original Purchaser”) of the products manufactured by the Company against defects in material and workmanship under normal use and service.

What The Company Will Do:

Upon return of the defective Product to the Company or its authorized distributor for inspection, free and clear of all liens and encumbrances and accompanied by the statement of defects and proof of purchase, the Company will repair or replace, at its option, the defective Product.

Original User:

These warranties only apply to the Original User of Products. These warranties are not transferable.

What Is Not Covered:

The following costs, expenses and damages are not covered by the provisions of these limited warranties: (i) labor costs including, but not limited to, such costs for the removal and reinstallation of Products; (ii) shipping and freight expenses required to return the Products to the Company; or (iii) any other incidental, consequential, indirect, special and/or punitive damages, whether based on contract, warranty, tort (including, but not limited to strict liability or negligence), patent infringement, or otherwise, even if advised of the possibility of such damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to you.

The provisions of these limited warranties do not apply to Products: (i) used for purposes for which they are not designed or intended; (ii) which have been subjected to alteration, misuse, abuse, negligence, or accident; (iii) which have been improperly stored, installed, maintained, repaired or operated; (iv) which have been used in violation of written instructions provided by Schlage; (v) which have been subjected to improper temperature, humidity, or other environmental conditions (i.e., corrosion); or (vi) which, based on the Company’s examination, do not prove to the Company’s satisfaction non-conformance to the warranties.

- (a) THE WARRANTY, OBLIGATIONS AND LIABILITIES OF COMPANY (INCLUDING ITS SUPPLIERS) AND THE RIGHTS AND REMEDIES OF BUYER SET FORTH HEREIN ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, OBLIGATIONS, REPRESENTATIONS OR LIABILITIES EXPRESS OR IMPLIED ARISING BY LAW, IN CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE, INCLUDING BUT NOT LIMITED TO (I) ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY WARRANTY IMPLIED THROUGH COURSE OF PERFORMANCE, COURSE OF DEALING, OR USAGE OF TRADE OR (II) CLAIMS ARISING OUT OF THE NEGLIGENCE OF COMPANY OR COMPANY’S SUPPLIERS OR (III) ANY OTHER CLAIM ARISING OUT OF, CONNECTED WITH, OR RESULTING FROM THE DESIGN, MANUFACTURE, SALE, REPAIR, LEASE OR USE OF THE PRODUCT, ANY COMPONENT THEREOF. **Additional Terms:** The Company does not authorize any person to create for it any obligation or liability in connection with the Products. **The Company’s maximum liability under these warranties is limited to the purchase price of the Product that gives rise to the claim.** No action arising out of any claimed breach of these warranties by the Company may be brought by the Original User more than one (1) year after the cause of action has arisen.

CONSUMER PRODUCTS: WITH RESPECT TO “CONSUMER PRODUCTS” AS DEFINED UNDER THE MAGNUSON-MOSS WARRANTY ACT (“MMWA”), THE FOLLOWING STATEMENTS ARE MADE. (A) SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU; (B) IF ANY IMPLIED WARRANTY IS PROVIDED UNDER THE MMWA, IT IS LIMITED TO THE DURATION OF THE WARRANTY PROVIDED ABOVE. (C) SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU; AND (D) THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

WARRANTY

Schlage Electronic Locks

12-24 Month Limited Warranty:

Schlage Lock Company, LLC (the "Company") extends a 12 month limited warranty from date of installation, not to exceed 24 months from the date of shipment from factory, for LE, NDE, CO and AD Series locks and reader modules; GWE wireless gateway; and WPR400, WRI400, TK400, CT5000, PIB300, and PIM400 wireless accessories to the original user of the products manufactured by the Company (the "Products") against defects in material and workmanship from the date of purchase.

What The Company Will Do:

Upon return of the defective Product to the Company or its authorized distributor for inspection, free and clear of all liens and encumbrances and accompanied by the statement of defects and proof of purchase, the Company will repair or replace, at its option, the defective Product.

Original User:

These warranties only apply to the Original User of Products. These warranties are not transferable.

What Is Not Covered:

The following costs, expenses and damages are not covered by the provisions of these limited warranties: (i) labor costs including, but not limited to, such costs for the removal and reinstallation of Products; (ii) shipping and freight expenses required to return the Products to the Company; or (iii) any other incidental, consequential, indirect, special and/or punitive damages, whether based on contract, warranty, tort (including, but not limited to strict liability or negligence), patent infringement, or otherwise, even if advised of the possibility of such damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to you.

The provisions of these limited warranties do not apply to Products: (i) used for purposes for which they are not designed or intended; (ii) which have been subjected to alteration, misuse, abuse, negligence, or accident; (iii) which have been improperly stored, installed, maintained, repaired or operated; (iv) which have been used in violation of written instructions provided by Schlage; (v) which have been subjected to improper temperature, humidity, or other environmental conditions (i.e., corrosion); or (vi) which, based on the Company's examination, do not prove to the Company's satisfaction non-conformance to the warranties.

- (a) THE WARRANTY, OBLIGATIONS AND LIABILITIES OF COMPANY (INCLUDING ITS SUPPLIERS) AND THE RIGHTS AND REMEDIES OF BUYER SET FORTH HEREIN ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, OBLIGATIONS, REPRESENTATIONS OR LIABILITIES EXPRESS OR IMPLIED ARISING BY LAW, IN CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE, INCLUDING BUT NOT LIMITED TO (I) ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY WARRANTY IMPLIED THROUGH COURSE OF PERFORMANCE, COURSE OF DEALING, OR USAGE OF TRADE OR (II) CLAIMS ARISING OUT OF THE NEGLIGENCE OF COMPANY OR COMPANY'S SUPPLIERS OR (III) ANY OTHER CLAIM ARISING OUT OF, CONNECTED WITH, OR RESULTING FROM THE DESIGN, MANUFACTURE, SALE, REPAIR, LEASE OR USE OF THE PRODUCT, ANY COMPONENT THEREOF. **Additional Terms:** The Company does not authorize any person to create for it any obligation or liability in connection with the Products. **The Company's maximum liability under these warranties is limited to the purchase price of the Product that gives rise to the claim.** No action arising out of any claimed breach of these warranties by the Company may be brought by the Original User more than one (1) year after the cause of action has arisen.

CONSUMER PRODUCTS: WITH RESPECT TO "CONSUMER PRODUCTS" AS DEFINED UNDER THE MAGNUSON-MOSS WARRANTY ACT ("MMWA"), THE FOLLOWING STATEMENTS ARE MADE. (A) SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU; (B) IF ANY IMPLIED WARRANTY IS PROVIDED UNDER THE MMWA, IT IS LIMITED TO THE DURATION OF THE WARRANTY PROVIDED ABOVE. (C) SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU; AND (D) THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

Terms & Conditions • Schlage Key Systems Sales Policy

Schlage Key Systems Sales Policy

The following specific product terms and conditions are applicable only to the extent provided herein. All other terms and conditions contained in the General Terms and Conditions of Sale and Service provided in this Price Book will govern the sale of products identified in this Price Book.

Definition-

Standard keyways are C, CE, E, EF, F, FG, G, H, J, K, L. All other keyways are considered restricted.

Everest, Everest Primus, Classic Primus and all other restricted keyway products (Quad, Reversed, Numbered) manufactured by the Schlage Lock Company are offered for sale by policies set forth per product type and security levels through specific channels of distribution.

Possession of this price book or any other Schlage price book does not constitute "the right to purchase" these products. Please refer to the sales policy below for terms and condition. The term keyway(s) refer(s) to keyway, key sections or side bit milling.

Standard Classic (Obverse) Key Sections- no restriction

Standard keyways are Classic (Obverse) C, CE, E, EF, F, FG, G, H, J, K, L.

Everest and Everest 29 Open (C and S Key Sections)

Everest and Everest 29 Open (C & S keyways) include non-Primus products with Everest C and Everest 29 S keyways and key sections. Schlage only sells Everest and Everest 29 Open products to commercial security professionals. Commercial security professionals purchasing Everest and Everest 29 Open products from Schlage are permitted to stock and to originate or duplicate keys without signature verification.

Purchasers of Everest and Everest 29 open (C & S) are permitted to resell the products in accordance with their distribution agreement to end users and to other commercial security dealers who have a professional locksmith on staff but are expressly prohibited from selling to:

- i) Any residential retail outlet.
- ii) Any individual or entity purchasing or selling products through any method of auction.

End User Keyways - Primus / Primus XP levels 3, 4 & 9, Everest D, Everest B, Everest 29 T, Everest 29 R, Quad, Reversed, Numbered.

End user restricted keyways are manufactured and sold by Schlage for use within the end user facilities only and are not for dealer or locksmith's use or distribution. The facilities are described as the "ship-to" address pre-authorized by the end user via a letter of authorization (LOA) or face sheet (depending upon the key system type).

End user keyway products may be stocked at the end user location only, unless authorized otherwise in writing by the end user. Every new end user system, using these restricted keyways, requires prior approval from the local SSC sales office management.

Restricted end user keyways may not be sold to any contract hardware dealer or wholesale distributor not open as a direct Schlage account as the time of the sale, unless authorization has been granted in writing by the local SSC sales office management where the end user reside.

Locksmiths/ dealers' keyways - Primus/ Primus XP levels 1, 1+, 2, 7, 8, Everest B234 & B235, Everest 29 R234 & R235.

Locksmith/ dealer key section can be sold to commercial locksmiths/ dealers only.

Right to stock and sell locksmiths/ dealers restricted keyways requires the appropriate written agreement with Schlage and approval by the local SSC sale office management. Please contact your local SSC sale office for a copy of these contracts and additional information.

Schlage hereby reserves the right to terminate or take any other legal action against any party that violates this policy.

Restricted Keyway Policy

Everest B, Everest 29 R

All Everest and Everest 29 SFIC (B and R Families) keyways are restricted.

When ordering a new keying system, include the following:

- Job (end-user) name, city, state and zip code.
- Letter of Authorization (LOA) – Authorized ship-to address for key blanks, cores and cut keys on end-user's official stationery. See **Forms & Examples** for sample letter of authorization.
- Numerically defined specifications for expansion of all branches of the key system.

The factory will assign a "facility code" which will appear on all keys and blanks for this job. When ordering additions to an existing keying system, include the following:

- Job (end-user) name, city, state and zip code.
- Facility code previously assigned by Schlage and stamped on all existing keys and blanks.
- Registry number of the keying system as established by Schlage.
- Letter of authorization on end-user's official stationery is required when:
 - End-user places order with new dealer.
 - Order is to be drop shipped to a different ship-to address than originally authorized by the end-user.
 See **Forms & Examples** for sample letter of authorization.

Bitting list (transcript) orders require a letter of authorization on the end-user's official stationery. Prevailing prices apply.

Everest D, Everest 29 T

All Everest D and Everest 29 T keyways are restricted.

When ordering a new keying system, include the following:

- Job (end-user) name, city, state and zip code.
- Letter of Authorization (LOA) – Authorized ship-to address for all products on end-user's official stationery. See **Forms & Examples** for sample letter of authorization.
- Numerically defined specifications for expansion of all branches of the key system.

The factory will assign a "facility code" which will appear on all keys and blanks for this job. When ordering additions to an existing keying system, include the following:

- Job (end-user) name, city, state and zip code.
- Facility code previously assigned by Schlage and stamped on all existing keys and blanks.
- Registry number of the keying system as established by Schlage.
- Letter of authorization on end-user's official stationery is required when:
 - End-user places order with new dealer.
 - Order is to be drop shipped to a different ship-to address than originally authorized by the end-user.
 See **Forms & Examples** for sample letter of authorization.

Quad, Numbered ("Paracentric") and Reverse Keyway Family Policy

A letter of authorization from the end-user is required for all orders for restricted keyway plugs, 0-bitted and 1-bitted products and all key blanks. Restricted keyway products are not available keyed random. The letter of authorization must include the address in which the materials will be shipped. Keyway or keyway family must be referenced in the letter. Letters must be dated and signed by the end user. Letters dated more than 6 months prior to the order submission date will not be accepted. Letters for projects that are ongoing may be older than six months if effective dates are referenced in the letter. With the exception of the signature, all other information must be typed.

Allowable End User Authorizations for Restricted Keyways:

The end user can authorize a dealer or distributor to order and inventory products if they so choose. This authorization requires the submission of a fully completed "Letter of Authorization" or "Signature Card", depending on the product type requirements, by the end user to Schlage.

Construction Core Program Policy

Full size and small format construction cores will be invoiced under standard payment terms. Credit for these cores, less the handling charge, will be issued upon their return to the factory. Please contact customer service for return authorization. Customers may not deduct payment for construction cores prior to completion of their authorized return.

Control Keys for Interchangeable Cores

A single control key will be added to orders containing interchangeable cores where a new masterkey system, master key system expansions requiring a different control key and all construction core orders are placed and does not include a control key on the purchase order. Construction core orders will include both a control and user key.

Terms & Conditions - Cylinder Policies

Primus® / Primus XP Sales Policy

Primus High Security cylinder products manufactured by the Schlage Lock Company are offered for sale through specific channels of distribution, based on stocking requirements and security levels. Possession of this price book or any other Schlage price book does not constitute “the right to purchase” Primus products.

Important: In stocking levels where purchase agreements are required, a fully executed purchase agreement, including initial minimum inventory order, must be in place before any Primus products may be quoted or purchased. Contact your SSC Consultant for specific details.

The prices contained herein apply to Primus Levels 1 through 9 with respect to the actual product. Availability of product is subject to additional conditions as follows:

Classic Keyways

PRIMUS/PRIMUS XP LEVEL 1: For retail locksmiths and Schlage dealers. Standard nationwide side biting by keyway. Stocking level requires a separate Primus/Primus XP agreement. Initial inventory commitment required for distributors but not for participating locksmiths. Obverse keyways only. HP, JP and LP section keys are not available.

PRIMUS LEVEL 1 PLUS: For retail locksmiths. A side biting is assigned on a nationwide exclusive basis to a specific Schlage wholesale distributor. Stocking level which requires a separate Primus purchase agreement and an initial minimum inventory purchase by the wholesaler and the locksmith. Obverse keyways only. HP, JP and LP section keys are not available. Cylinders are always furnished less key blanks (LKB).

PRIMUS XP LEVEL 1 PLUS: For retail locksmiths. An exclusive side biting is assigned to dealer within the first three digits of the dealer physical location zip-code. Distribution through direct Schlage dealers. Stocking level which requires a separate Primus purchase agreement and an initial minimum inventory purchase. Obverse keyways only. Cylinders can be ordered LKB, KD, KA or MK.

PRIMUS/PRIMUS XP LEVEL 2: For Schlage dealers and large commercial locksmith businesses. Exclusive side biting is assigned to dealer by time zone. Distribution through direct Schlage dealers. Stocking level which requires a separate Primus purchase agreement and an initial minimum inventory purchase. Obverse keyways only.

PRIMUS/PRIMUS XP LEVEL 3: End user level not stocked by dealers. Key systems are assigned a side biting exclusive within 2-digit zip code (Level 3G) for orders of 60 - 1,999 Primus cylinders. Orders of fewer than 60 Primus cylinders are randomly assigned a side biting from a small nationwide pool of side bittings (Level 3U). Distribution through Schlage dealers and Schlage wholesale distributors. Obverse and Quad keyways only.

PRIMUS/PRIMUS XP LEVEL 4: End user level not stocked by dealers. Key systems are assigned a side biting exclusive within a time zone (Level 4Z) for orders of 2,000 - 3,999 Primus cylinders. A nationwide exclusive side biting (Level 4N) is assigned to key systems of 4,000 or more Primus cylinders. This exclusivity can be purchased for a separate fee for smaller quantities of cylinders. This price book does not contain the fee schedule. Contact your SSC Consultant for specific information. Distribution through Schlage dealers and Schlage wholesale distributors. Obverse and Quad keyways only.

PRIMUS LEVEL 7: For retail locksmiths. Side biting is assigned on a nationwide exclusive basis to a specific Schlage wholesale distributor. Stocking level which requires a separate Primus purchase agreement and an initial minimum inventory purchase by the Schlage wholesaler and the locksmith. Same as Level 1 PLUS above, but with Everest S Family keyways only.

Everest® Keyways

PRIMUS XP LEVEL 7: For retail locksmiths. An exclusive side biting is assigned to dealer within the first three digits of the dealer physical location zip-code. Distribution through direct Schlage dealers. Stocking level which requires a separate Primus purchase agreement and an initial minimum inventory purchase. All Everest 29 key sections. Cylinders can be ordered MK, KA, KD or LKB.

PRIMUS/PRIMUS XP LEVEL 8: For Schlage dealers and large commercial locksmith businesses. Exclusive side biting is assigned to dealer by time zone. Distribution through direct Schlage dealers. Stocking level which requires a separate Primus purchase agreement and an initial minimum inventory purchase. Equivalent to Level 2 above, but with Everest S Family keyways only.

PRIMUS/PRIMUS XP LEVEL 9: End user level not stocked by dealers. Key systems are assigned varying degrees of geographically exclusive side bittings based on a sliding scale of purchase commitment or separate fees. This price book does not contain the fee schedule. Contact your SSC Consultant for specific information. Distribution through Schlage dealers and Schlage wholesale distributors. Level 9U, 9G, 9Z, and 9N are equivalent to Levels 3U, 3G, 4Z, and 4N above, but with Everest S and T Family keyways.

The following side bit milling exclusivity criteria apply to both levels 3, 4 & 9:

- 1- 60 cylinders-Random assignment
- 61-1999 cylinders-First two digits of zip-code
- 2000-3999 cylinders-Time-Zone Exclusivity (also available for \$10,000 fee for an organization who would like this exclusivity and doesn't meet cylinders quantity requirement).
- 4000 + cylinders-Nation Wide Exclusivity.(also available for \$40,000 fee for an organization who would like this exclusivity and doesn't meet cylinders quantity requirement).

Important Ordering Information

See Forms & Examples: Primus and Everest 29 Primus Ordering Checklist for a checklist of information required to process a Primus order. Note that, for security reasons, all end user Primus levels (Level 3, 4 and 9) require a Facesheet (MS-EI20) bearing an original signature. Opening orders for end user Primus levels also require a Signature Card (MS-EI30) bearing original signatures. Facesheets and signature cards are used to authenticate the end user request for product, therefore orders received without the correct supporting documents (or without original signatures) are subject to delays or cancellations. Blank Facesheets and Signature Cards are included in the Forms & Examples section of this price book for your reference. Additionally, electronic version of these forms are available at allegion.com/us.

The Schlage Lock Company reserves the right to make changes in designs and specifications, to make additions or improvements on its products, or to discontinue products without incurring any obligation. The Schlage Lock Company is not responsible for any modification, addition, or alteration to our products by others.

Inventory commitment Requirements-Commercial Locksmiths Levels			
Primus XP		Everest 29 Primus XP	
Level 1	None	N/A	N/A
Level 1+	\$7,500	Level 7 XP	\$7,500
Level 2	25,000	Level 8	\$25,000

Electronic Validation from Schlage

Electronic Validation (e-validation) is an online system for the use of the end user to create electronic authorizations replacing the letter of authorization (LOA) and Primus Facesheet processes. This online validation system is designed to ease the burden of an end user providing authorizations for ordering restricted key and cylinder products on their behalf. Through this system, the end user can register for an online account with Schlage that will allow them to manage their shipping addresses, shipping contacts and additional authorized users for their restricted products. Through this system, they can then generate an electronic Facesheet that they can provide to the distributor of their choice to allow an order for restricted products to proceed. Enrolling in and using this feature will reduce the overall time for an order to be processed from the time that the end user has determined the need for product. The electronic Facesheet provided by the e-validation system can be faxed or emailed along with a distributors order reducing the time and energy required for original copies of Facesheets previously required. The system is for both new and existing restricted key system owners. For new restricted systems, a registration process will provide the ability to create the initiating Facesheet for the project.

Products/key systems eligible for e-validation:

- Everest** – B and D restricted family of keyways
- Everest 29** – R and T restricted family of keyways
- Primus** – All keyway families that include the Primus feature
- Primus XP** – All keyway families that include the Primus XP feature

E-validation can be accessed at the following web address: [HTTPS://mycredentials.allegion.com](https://mycredentials.allegion.com)

Distribution Function and Location Policy

The Schlage customer relationship includes the nonexclusive area of primary sales responsibility and the channel of distribution assigned by Schlage. It is vital to our success and for the effective management of the distribution of our products that the Schlage customer relationship, once it is satisfactorily established between us, should not be changed without our approval. Therefore, after selection by Schlage as a distributor of one or more of Schlage products, a customer should continue to perform that distribution function from the location of its business at the place or places utilized at the time of selection. A customer should not change its Schlage distribution function or establish a different or additional location without the prior written consent of Schlage.

Schlage reserves the right to discontinue, after appropriate notice, sale of its products to any customer which refuses to adhere to this policy. Schlage also reserves the right to change, in its sole discretion, the number and locations of the distributors authorized to distribute its products in any area. This determination will be based upon, among other considerations, the success or failure in developing the market for Schlage products.

Hardware Finishes

Schlage Lock finishes are durable, top quality finishes obtained by the careful processing of solid brass, bronze, stainless steel or other materials. Where required, a protective clear coating is applied and cured under high temperature. It is important that climatic conditions and usage be taken under consideration when selecting finishes. This is especially true in areas subjected to strong corrosive vapors, humid climate or sea air which, in a short time, may have a damaging effect on metal finishes. The longevity and preservation of the finish appearance is determined by base metal and finishing process. Clear protective coating or other organic finishing applications may require different methods of cleaning and care. As an example, non-clear coated finishes should not be cleaned with soaps or any solvents; organically coated surfaces should periodically be cleaned with a mild, nonabrasive soap and buffed lightly with a clean cloth. The type of base metal and finishing techniques must be considered when applying any cleaning or preservative method. Contact the Schlage Technical Services Department for further information on the care of finished hardware.

In some instances, for customer convenience, the most appropriate BHMA finish symbols are used to indicate similarity of appearance, regardless of base metal of finishing process. A, AL, CS, D, ND, F, FA, H, S, S200-Series and Dexter by Schlage levers are zinc-based material and are plated to match finishes indicated. L-Series will utilize a brass material for 612 and 613 finishes. Finishes of latches, strikes, cylinders/cores, and visible mounting screws, though similar in appearance, may differ from the finish of the trim. Finish numbers in the 600-Series are the BHMA (Builders Hardware Manufacturers Association) industry standard.

Commercial Finish Codes and Descriptions:

The nearest old U.S. equivalent code designations are shown in parenthesis ().

Symbol	Description	Symbol	Description
605 (3)	BRIGHT BRASS, Clear Coated	622 (19)	MATTE BLACK, Coated
606 (4)	SATIN BRASS, Clear Coated	625 (26)	BRIGHT CHROMIUM PLATED, No Coating
609 (5)	ANTIQUÉ BRASS, Satin Brass, Blackened, Satin Relieved, Clear Coated	626 (26D)	SATIN CHROMIUM PLATED, No Coating
612 (10)	SATIN BRONZE, Clear Coated	629 (32)	BRIGHT STAINLESS STEEL, No Coating
613* (10B)	OIL RUBBED BRONZE, Oxidized Satin Bronze, Oil Rubbed, No Coating	630 (32D)	SATIN STAINLESS STEEL, No Coating
619 (15)	SATIN NICKEL, Satin Nickel Plated, Clear Coated	643e	AGED BRONZE, Clear Coated

**Oil rubbed bronze (613) is considered a category "B" finish by ANSI/BHMA and will vary in color when applied to different alloys and forms of base material. 613 will also vary from production lot and additionally from one manufacturer to another. Oil rubbed bronze will wear off over time due to the "rubbed" finishing method that has no protective coating or plating.*

Notes

For more than 100 years Allegion brands have been providing innovative access control solutions. We are at the forefront of access control innovation, including contactless smart credentials, wireless security products and biometrics.

Allegion electronic security offers the most extensive range of access control and security management solution on the market today. This comprehensive line of products allow you to build a complete access control system from the ground up. For facilities with existing access control systems, the open architecture design of Allegion electronic security products facilitates easy integration into your existing system. Because Allegion understands that your needs will evolve over time, Allegion also provides the opportunity for an easy migration path as technology advances.

At Allegion, we understand that each facility has unique security requirements. Our extensive line of products, flexible options and ability to adapt to your existing environment make it easy to find a solution that will fit your security needs...whatever they may be.

Allegion Solutions Overview

Allegion offers comprehensive security solutions for each facility. To help you identify which solution is right for your facility, here are some reader technologies with their compatible credential technologies. Allegion readers and credentials are designed on an open architecture platform. For more details on compatibility, please refer to the data sheets.

With the latest in smart card technology and traditional proximity technology, we have an option for every budget and business need.

Smart Credentials

Ideal for facilities with moderate to high security needs, Schlage smart credentials put you in control by delivering smarter solutions. Through the use of MIFARE Classic®, MIFARE Plus® or MIFARE® DESFire® EV1 technology, these credentials protect your most sensitive data by utilizing extra layers of security protection. Smart credentials can be used for many applications beyond access control including transit, cashless vending, and cafeteria point of sale.

Proximity Credentials

Schlage proximity credentials are an excellent solution for facilities with less demanding security needs. Utilizing 125 kHz proximity technology, these credentials are a cost effective solution and are able to interface with many industry leading proximity readers.

Multi-Technology Credentials

Schlage multi-technology credentials are extremely flexible. Particularly useful during a transition from proximity technology to smart technology, these cards can be read by both proximity readers and smart readers. This allows your customers to economically migrate to the latest smart technology at their own pace.

Schlage Mobile™ Credentials

Schlage offers a new way of delivering mobile credentials to your students' and employees' phones. Through the use of near field communication (NFC), a smartphone app works just like an ID card, providing more for your students and employees while enhancing the security of their credential. Easily assign credentials today using the access control software of one of our developer network partners or use our web-based portal. Schlage mobile credentials offer a much higher level of security, based on encrypted smart card technology, featuring a 128 bit AES encrypted credential and utilizing patent-pending anti-playback technology.

Credential Brand Transition Guide

Old Brand	New Brand	Part # (no change)	Product Description (no change)
aptiQ	Schlage	8000 Series (eg: 8520)	Smart credentials using MIFARE® DESFire® EV1 technology: cards, fobs, adhesive patches, etc.
aptiQ	Schlage	9000 Series (eg: 9551)	Smart credentials using MIFARE Classic® technology: cards, fobs, adhesive patches, wristbands, etc.
aptiQ XceedID	Schlage	IBF-110/151 IBWB-110/151	iButton Keyfobs using MIFARE Classic® or Proximity technology
XceedID	Schlage	7000 Series (eg: 7410)	Proximity credentials: cards, fobs, adhesive disks, etc.
aptiQmobile	aptiQmobile and Schlage	9100	Mobile credentials

*aptiQmobile web portal and marketing materials will be dual-branded, app will remain aptiQmobile until 2018.

Specify Programming Information

Part Number	Bit Format	Facility Code	Start Number		Quantity	CardTrax™ Number	Special Instructions
			Internal	External			
Please submit orders to Readers.Credentials.Orders@allegion.com with purchase order.							

Programming Information	Part number – Refer to pages 26-31
	Bit Format – Example 26 bit; See bit format chart below. If you have questions, contact your sales representative.
	Facility code – See bit format chart below. If you have questions, contact your sales representative
	Start Number – Specify the internal and external start numbers. By default, the internal number matches the external number; please specify if this is not your desired option.
	No Programming – If you would like your smart cards blank, please make sure you include NP in special instructions. Prox cards cannot be ordered unprogrammed. If you are using a legacy Allegion programmer and need initialized-only cards, please include “88i-initialized” in special instructions.
	Slot Punch – Punch mark guides are on all ISO cards. Please specify slot punch orientation if desired (vertical or horizontal). There is a per card cost for factory slot punching of ISO cards. Clamshells are punched on the landscape profile at no charge.
	Custom Artwork – Please note any custom artwork requests, and contact Inside Sales at 855-248-0302 for further instruction.
	CardTrax™ – CardTrax format is a program designed to keep track of card ID numbers to eliminate confusion in ordering sequential numbering and/or programming details, and ensures duplicate cards are not issued. Cards will automatically be provided as “next in line” unless otherwise specified.
CardTrax™ Restricted – An exclusive CardTrax program for qualified end-user customers that provides global programming protection.

With our versatile multi-technology, smart and proximity reader options, we have a solution for any physical access control need. Our comprehensive, yet simple reader line-up is suitable for any new smart or proximity installation.

Schlage Multi-Technology Readers

Schlage multi-technology readers are ideal for any new smart, proximity, or magnetic stripe installation—or as a cost effective way to migrate from existing magnetic stripe or proximity to smart technology.

- 125 kHz proximity and 13.56 MHz contactless smart card technology in one reader
- Magnetic stripe option, reads track 2 default, tracks 1 and 3 configurable
- Reads ISO 14443 A/B and 15693 credentials
- Compatible with:
 - Schlage smart credentials using MIFARE Classic®, MIFARE Plus® and MIFARE® DESFire® EV1
 - Schlage mobile credentials using NFC technology
 - Most popular proximity credentials including Schlage, XceedID, HID®, GE/Casi ProxLite®, AWID®, and LenelProx®
 - CSN of most existing 13.56 MHz credentials
 - Magnetic stripe
- Wiegand interface (RS-485 available)
- FIPS 201-1 compliant
- Tri-state LED (red, green, amber) and audible status alert
- Standard color is black. Gray, brown and cream colors are available, longer lead times may apply.

Special Note: As of September 2017, all aptiQ and XceedID readers will transition to the Schlage brand. Although the brand name has changed, all part numbers and products remain the same. Forward and backward compatibility does not change and products may be used interchangeably. Please see chart on page 36 for transition details.

Schlage Smart Readers

The Schlage smart mini-mullion reader is an excellent option for a smart-only installation.

- 13.56 MHz single frequency contactless smart card technology
- Reads ISO 14443 A/B and 15693 credentials
- Compatible with:
 - Schlage smart credentials using MIFARE Classic®, MIFARE Plus® and MIFARE® DESFire® EV1
 - Schlage mobile credentials using NFC technology
 - CSN of most existing 13.56 MHz credentials
- Wiegand interface
- FIPS 201-1 compliant
- Tri-state LED (red, green, amber) and audible status alert
- Standard color is black. Gray, brown and cream colors are available, longer lead times may apply.

Schlage Proximity Readers

This mini-mullion reader is a great solution for proximity-only facilities.

- 125 kHz single frequency proximity technology
- Compatible with:
 - Most popular proximity credentials including Schlage, XceedID, HID®, GE/Casi ProxLite®, AWID®, and LenelProx®
- Tri-state LED (red, green, amber) and audible status alert
- Wiegand interface
- Standard color is black. Gray, brown, and cream colors are available, longer lead times may apply.

How to Order:

Follow the steps below to build the full part number for the reader you wish to order. Use the sample below to determine how to write your part number on your PO.

Sample Part Number:

MTK15 - 485 - C - PIV8

1. Reader Model Number

2. RS-485

(optional – Multi-Tech Readers Only)

3. Color Option

Black (standard) – leave blank
 Cream – add “C”
 Warm Tone Brown – add “BN”
 Cool Tone Gray – add “G”

4. PIV Format

(optional; see chart below for formats)

1. Choose Your Reader Model

See page 34 for available models.

2. RS-485 Capability

Schlage readers (multi-technology only) have been designed with an option to interface directly with controllers that utilize RS-485 protocol. RS-485 is a communication protocol that allows a two way communication between the reader and the panel, for example OSDP protocol.

To order readers with RS-485 capability, add “-485” after the reader model number. If you are using the standard Wiegand protocol, do not add a suffix (leave blank).

3. Reader Color Options

Schlage Readers are available in four color options. Add the appropriate suffix after the reader model number and RS-485 option (if applicable).

Black (standard) – do not add a color suffix, **leave blank**
 Cream – **add “C”**
 Warm Tone Brown – **add “BN”**
 Cool Tone Gray – **add “G”**

If the RS-485 option is chosen, add the color suffix after “-485.” If the RS-485 option is not chosen, add the color suffix after the reader part number (ex: MT11BN).

4. PIV Format

75-bit PIV is the default format for all Schlage readers. Other format requirements are determined by the access control system, agency requirements, and customer specifications. The other available formatting options are listed below. Add “PIV” and the format number after the reader model number, RS-485 option (if applicable), and color suffix (if applicable).

Format Number	Bit Information
1	75-bit PIV
2	58-bit TWIC/CAC
3	200-bit FASC-N
4	64-bit (BCD) TWIC/CAC
5	83-bit TWIC/CAC
6	66-bit (58-bit format + TSM) TWIC/CAC
7	64-bit (58-bit format (no parity) + TSM) TWIC/CAC
8	91-bit (83 bit format + TSM) TWIC/CAC
9	40-bit BCD
10	40-bit reversed BCD
11	64-bit BCD
12	64-bit reversed BCD
13	128-bit BCD
14	128-bit reversed BCD
15	58-bit HSE

If you need assistance in determining the PIV format for your facility, please contact your Allegion sales representative directly.

5. Special Instructions

Please specify any other special instructions directly on your PO.

Pricing/product description subject to change without notice.

Schlage Multi-Technology Readers

• Formerly aptiQ Multi-Technology and Smart Readers. Part numbers and products remain the same and retain the same compatibility.

MT11	Multi-Technology Reader – Mullion Mount Dimensions: 5.91" x 1.72" x 0.81". Power required: 5-16 VDC	\$348.00
MT15	Multi-Technology Reader – Wall Mount Dimensions: 5.1" x 3.25" x 0.76". Power required: 5-16 VDC	\$348.00
MTK15	Multi-Technology Reader – Wall Mount with Keypad Dimensions: 5.1" x 3.25" x 0.76". Power required: 5-16 VDC	\$557.00

For RS-485 capability add -485 to part number.

Schlage Multi-Technology Magnetic Stripe Readers

MTMS15	Multi-Technology Magnetic Stripe Reader – Wall Mount Dimensions: 4.43" x 5.17" x 1.15". Power required: 5-16 VDC	\$630.00
MTMSK15	Multi-Technology Magnetic Stripe Reader – Wall Mount with Keypad Dimensions: 4.43" x 5.17" x 1.15". Power required: 5-16 VDC	\$851.00

For RS-485 capability add -485 to part number.

Schlage Contactless Smart Card Readers

SM10	Schlage Contactless Smart Card Reader – Mini-Mullion Mount Dimensions: 4.26" x 1.72" x 0.81". Power required: 5-16 VDC	\$169.00
-------------	--	-----------------

Schlage Proximity Readers

• Formerly XceedID Proximity Readers. Part number and product remains the same and retains the same compatibility.

PR10	Proximity Reader – Mini-Mullion Mount Dimensions: 4.26" x 1.72" x 0.81". Power required: 5-16 VDC	\$169.00
-------------	---	-----------------

Special Note: As of September 2017, all aptiQ and XceedID readers will transition to the Schlage brand. Although the brand name has changed, all part numbers and product remain the same. Forward and backward compatibility does not change and products may be used interchangeably.

Standard Features

Certification	ANSI/BHMA Certified A156.25-2013 (Indoor/Outdoor), ANSI/BHMA Certified A156.13-2012, Series 1000, Grade 1 UL 294, ULC S319, UL 10C 3-hour rated
Case Size	4-7/16" x 6-1/16" x 1"
Armor Front	1-1/4" x 8"
Deadbolt	1" throw stainless steel
Latchbolt	3/4" throw stainless steel with anti-friction tongue
Strike	1-1/4" x 4-7/8", square corner, 1-3/16" lip with box and DPS
Backset	2-3/4"
Cylinder	6-Pin solid brass, keyed 6-pin, S123 keyway, keyed different (KD)
Door Range	1-3/4" door thickness standard (can be ordered to accommodate doors 1-3/4" to 2-1/4" thick)
Keys	Two nickel silver cut keys per lock, 6-pin, S123 section

Common Pricing Information

1.	Locks are furnished with standard features unless otherwise specified.
2.	Door thickness is 1 3/4"
3.	Split finishes and designs will be priced at the highest list price of the design and/or finish.
4.	Engineering specials are denoted by a part number beginning with "X" and are not subject to standard discounting.
5.	 denotes a lock or part that requires an extended lead time.
6.	 denotes a handed product and requires handing to be specified.
7.	For all restricted keyways (Everest B, D, 29R, and 29T, also, Quad, Numbered, and Reversed) add \$17.00. This does not apply to Primus cylinders. See Terms and Conditions for ordering information and requirements.
8.	Locks, keys and cylinders containing restricted keyways require additional documentation to order. Please see Terms and Conditions for the specific requirements.
9.	Keyway must be specified for keyed functions and cylinders. If not specified, default keyway will be S123 for KA (keyed alike), KD (keyed different) and 0-bitted product and S145 for factory managed masterkey systems.
10.	Multiple keying options are available. Locks and cylinders are furnished KD unless otherwise specified or excepted by notation.
11.	Control Keys for permanent and construction cores are not included with the lock or cylinder and must be ordered separately.
12.	Locks specified with "C" keyway and KD or 0-bitted will receive 6-pin cylinders (keyed 5) with 5-pin keys.
13.	Full Size Interchangeable Cores (FSIC) are furnished 1-bitted unless otherwise specified. If 0-bitted is selected, the order will be entered as 1-bitted. This does not apply to FSIC Primus® cores.
14.	Conventional cylinders, Primus cylinders (conventional and FSIC) can be supplied 0-bitted. If 1-bitted is selected, the order will be entered as 0-bitted.
15.	Available plug face finishes are 606, 622, 626 and 643e

Standard Features

Certification	ANSI/BHMA Certified A156.25-2013, A156.2-2011, Series 4000, Grade 1, UL 294, UL 10C
Latch	1 1/8" x 2 1/4", Square corner faceplate, 1" housing diameter, 1/2" throw
Strike	1 1/4" x 4 7/8", ANSI Square corner, with DPS magnets, no box
Backset	2 3/4"
Cylinder	6-Pin solid brass, keyed 6-pin, S123 keyway, keyed different (KD)
Door Range	Comes set for 1-3/4" thick doors. Can be field adjusted for doors 1-5/8"-2" thick.
Keys	Two nickel silver cut keys per lock, 6-pin, S123 section

Common Pricing Information

1.	Locks are furnished with standard features unless otherwise specified.
2.	Door thickness is 1 3/4"
3.	Split finishes and designs will be priced at the highest list price of the design and/or finish.
4.	Engineering specials are denoted by a part number beginning with "X" and are not subject to standard discounting.
5.	denotes a lock or part that requires an extended lead time.
6.	For all restricted keyways (Everest D, Everest 29 T, Quad, Numbered, Reversed) add \$17.00. This does not apply to Primus cylinders. See Terms and Conditions for ordering information and requirements.
7.	Locks, keys and cylinders containing restricted keyways require additional documentation to order. Please see Terms and Conditions for the specific requirements.
8.	Keyway must be specified for keyed functions and cylinders. If not specified, default keyway will be S123 for KA, KD and 0-bitted product and S145 for Factory managed masterkey systems.
9.	Multiple keying options are available. Locks and cylinders are furnished KD unless otherwise specified or excepted by notation.
10.	Control Keys for permanent and construction cores are not included with the lock or cylinder and must be ordered separately.
11.	Locks specified with "C" keyway and KD or 0-bitted will receive 6 pin cylinders (keyed 5) with 5 pin keys.
12.	Full Size Interchangeable Cores (FSIC) are furnished 1-bitted unless otherwise specified. If 0-bitted is selected, the order will be entered as 1-bitted. This does not apply to FSIC Primus® cores.
13.	Conventional cylinders, Primus cylinders (conventional and FSIC) can be supplied 0-bitted. If 1-bitted is selected, the order will be entered as 0-bitted.
14.	Available plug face finishes are 606, 622, 626 and 643e

CTE ENGAGE Single Door Controller

The CTE is an ENGAGE™ enabled single opening controller that allows perimeter and common area openings to be managed in a single system along with Schlage Control™ smart deadbolts, NDE cylindrical and LE mortise wireless locks. It is ideal for multi-family, commercial mixed use, and retail store front applications.

The CTE is designed to work with a Schlage® Multi-Technology credential reader and interface with an electrified lock, electromagnetic lock, electric strike, automatic operator or exit device to control an opening.

The CTE single door controller with multi-technology reader kit can be used in a variety of applications; below are a few examples.

Please note; all components are sold separately.

Operation: Presenting a valid credential to Schlage MT XX-485 reader will cause fail secure 5100 electric strike to release for authorized entrance. Free egress always.

Products: We offer a variety of electric strikes from Locknetics™ and Von Duprin®, as well as Schlage Power Supplies to meet the specific needs of the opening.

Operation: Presenting a valid credential to Schlage MT XX-485 will cause EL panic device to retract for authorized entrance. Free non-alarmed egress at all times.

Products: We offer a variety of Falcon® and Von Duprin exit devices, and Von Duprin power supplies to meet the specific needs of the opening.

Operation: Presenting a valid credential to Schlage MT XX-485 will cause QEL panic device to retract for authorized entrance and enable exterior actuator. Free non-alarmed egress at all times. Interior actuator always active to retract QEL panic and open door.

Products: We offer a variety of hardware and accessories from Von Duprin, LCN®, Schlage and Locknetics to meet the specific needs of the opening.

Certifications: UL 294 Indoor, FCC Part 15, NEMA Enclosure Indoor (Type 1, 4, and 4X), ULC S319 Indoor, RoHS

AD-Series Networked Locks

With the AD-Series, one platform translates to an endless number of adaptable solutions. You can choose the features and functions that are right for the application today, and upgrade to meet your evolving needs in the future.

Class

AD-300	Networked/Hardwired; Direct RS-485 connection or Wiegand or Clock & Data	
AD-301	FIPS 201-1 Compliant, Networked Hardwired; Direct RS-485 connection or Wiegand or Clock & Data	
AD-400	Networked/Wireless; 900 MHz, Secure encrypted data transmission	
AD-401	FIPS 201-1 Compliant, Networked Wireless; 900 MHz, Secure encrypted data transmission	

Note: 1. AD-Series locks are upgradable from standalone to networked by applying a communication module available in the accessories section and new firmware available on www.schlage.com/support.

Chassis

CY: Cylindrical	Bored lock installed into round hole in the door	
MS: Mortise	Lock case installed into a mortise rectangular "pocket" in the door	
MD: Mortise Deadbolt	Mortise lock with built-in interconnected auxiliary deadbolt	
993R: Exit Trim	Rim/Concealed Vertical Rod* (CVR) & Concealed Vertical Cable* (CVC) *Metal door only	
993M: Exit Trim	Mortise	
993S: Exit Trim	Surface Vertical Rod (SVR)	
993DT: Exit Trim	Non-Functioning "Dummy" Exit Trim	

Notes: 2. Mortise deadbolt requires RS-485 connection to the ACP. See pages 87-88 for system diagram. Check with access control software provider to verify function is enabled.
 3. Exit trim utilizes universal hardware to simplify installation to a variety of exit device. AD-Series networked locks require a request to exit switch, please see compatibility chart below.

Exit Device Compatibility

Exit trim utilizes universal hardware to simplify installation to a variety of exit devices*.

Exit Device Compatibility		Rim	SVR	CVR/CVC	Mortise
Von Duprin	98/99 and 98/99XP	●	●	● [†]	●
Von Duprin	22/22F	●	●		
Falcon	25	●			

* Low current request-to-exit switch is required. Part Number for Von Duprin request to exit switch: 050281. Part Number for Falcon AE switch: 650359.

[†] Metal door only.

Pricing/product description subject to change without notice.

Function		AD-300/301	AD-400/401
70: Classroom/ Storeroom	Lockset is normally secure. Inside lever always allows free egress. Valid toggle credentials on the exterior may be used to change to a passage or secured status.		
50: Office	Lockset is normally secure. Inside lever always allows free egress. Interior pushbutton on inside housing may be used to select a passage or secured status. Meets need for lockdown function for safety and security. NOTE: Valid toggle credentials on the exterior may also be used to change status. Has interior pushbutton (IPB).		
40: Privacy	Lockset is normally secure. Inside lever always allows free egress. Interior pushbutton on inside housing may be used to select a privacy status. The interior pushbutton will disable normal electronic access from the exterior. Opening the door or pressing the interior pushbutton a second time on the inside housing deactivates the privacy status. Has interior pushbutton (IPB).		
60: Apartment	Lockset is normally secure. Inside lever always allows free egress. Interior pushbutton on inside housing may be used to select a passage or secured status. Opening the door or pressing the interior pushbutton causes the lockset to toggle unsecured. While toggled unsecured, the lockset can only be secured while the door is closed by pressing the interior pushbutton or using a normal credential on the exterior. Normal electronic access from the exterior is always allowed. Has interior pushbutton.

ATH	Athens		

- Notes:**
- 8. All lever designs are available in finishes 605, 606, 612, 619, 625, 626, 643E and 626AM.
 - 9. SPA, TLR & ATH Meet California Fire Code for 1/2" or less return to the door.
 - 10. Changing Lever Cylinder Compatibility on a device typically requires replacement of existing spring cage and tailpiece.
 - 11. To order tactile warning levers use BAT for Athens, BRO for Rhodes, BSP for Sparta and BTR for Tubular. Applied to exterior lever only unless otherwise specified. Not available with 643e finish.
 - 12. AD Series, CO Series & ND Series levers may be interchangeable in some cases depending whether it is an interior or exterior lever, the type of chassis and the type of cylinder/ spring cage/ tail piece. Please consult the AD Series Parts guide for more information.

Finish

626	Satin Chrome	BHMA # 626E, Government # US26D
605	Bright Brass	BHMA # 605E, Government # US3
606	Satin Brass	BHMA # 606E, Government # US4
612	Satin Bronze	BHMA # 612E, Government # US10
619	Satin Nickel	
625	Bright Chrome	BHMA # 625E, Government # US26
643e	Aged Bronze	
626AM	Satin Chrome Antimicrobial	

Note: 13. Please refer to the Electronic Access Control catalog or online product information at us.allegion.com to view each finish.

Cylinder

PD	With cylinder Schlage- Everest 29 S123 6 Pin Key-in-Lever (KIL) Keyed different as standard with two keys		
LD	Less cylinder Schlage, Falcon 6 Pin Key-in-Lever (KIL)		
RD	With cylinder Schlage- Everest 29 S123 6 Pin Full Size Interchangeable Core (FSIC) Keyway one bitted as standard with two keys		
JD	Less cylinder Schlage 6 Pin Full Size Interchangeable Core (FSIC)		
GD	With cylinder Schlage Everest 29 R 7 Pin Small Format Interchangeable Core (SFIC) Factory master keyed with two keys as standard, master keying must be specified		
BD	Less cylinder Schlage, Falcon, Competitive OEM's 7 Pin Small Format Interchangeable Core (SFIC)		
LD SAR	Less cylinder Sargent (10L+11L) 6 Pin Key-in-Lever (KIL)	 *Less Core	
JD SAR	Less cylinder Sargent 6300 6 Pin Full Size Interchangeable Core (FSIC)		
JD CO6	Less cylinder Corbin 8000 6 Pin Full Size Interchangeable Core (FSIC)		
JD CO7	Less cylinder Corbin 8000-7 7 Pin Full Size Interchangeable Core (FSIC) (Only RHO, 8RO, SPA, 8SP, TLR, 8TR)		
JD MED	Less cylinder Medeco 32*0201 6 Pin Full Size Interchangeable Core (FSIC)		
JD YA6	Less cylinder Yale 1210 or Medeco 31*0100 6 Pin Full Size Interchangeable Core (FSIC)		
JD YA7	Less cylinder Yale 1220 7 Pin Full Size Interchangeable Core (FSIC)		
LD FA7	Less cylinder Falcon 7 Pin Key-in-Lever (KIL) (Only RHO, 8RO, SPA, 8SP lever styles)		 *Less Core

- Notes:**
14. Competitor lever designs come in finishes 626 standard, and 605, 606, 612, 619, 625, 643e, and 626AM with extended lead-times.
 15. For PD, RD and GD -Master Keyed cylinders can be specified and will be shipped in lock packaging.
 16. For Master Key System Summary form which should accompany the master keyed order, see pages 283-293.
 17. For Master Keying, additional line item 50-210 is required for Classic and Everest cylinders.
 18. Control Keys for installation/removal of interchangeable cores are not furnished and must be ordered separate.
 19. For additional assistance on Master Keying as well as restricted keyways please contact your local sales representative.
 20. Spring cages & tail pieces are different based on the type of cylinder and chassis selected. Please see the AD-Series parts guide for more information.
 21. The AD-Series accepts many popular models of standard, SFIC, and FSIC cylinders. Consult the Keyway/Cylinder compatibility datasheet (010432) for details. See pricebook for specific configurations.

Key Systems Available Through Schlage

Everest 29™ S Keyway Family	Patent protected open keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats. Patent protection through 2029.
Everest 29 T Keyway Family	Patent protected restricted keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats. Patent protection through 2029.
Everest D Keyway Family	Restricted keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats.
Everest C Keyway Family	Open keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats.
Schlage Classic Open Keyways	Classic (C/E/F): Open keyways available in key in lever and full size interchangeable core designs
Everest B Keyway Family	Restricted keyways that are available on small format interchangeable core (SFIC).
Everest 29 R Keyway Family	Patent protected restricted keyways that are available on small format interchangeable core (SFIC). Patent protection through 2029.

- Notes:** 22. Everest Restricted Keyways require a Letter of Authorization to be submitted with the order.
 23. See sample Letter of Authorization page 295.
 24. Full Size key systems (Everest 29 S & T, Everest C & D, Obverse & Quad) are available in Primus and Primus XP key system and must be ordered separately. Lock should be ordered less cylinder and Primus cylinder should be a separate line..
 25. Contact your local SSC representative for assistance in determining which format and level of exclusivity best suits your needs.

Handing

RH	Right Handed: Hinges on Right Opens Inward	
LH	Left Handed: Hinges on left Opens Inward	
RHR	Right Handed Reverse: Hinges on Right Opens Outward	
LHR	Left Handed Reverse: Hinges on Left Opens Outward	

- Notes:** 26. Exit trim 993 chassis available only with RHR or LHR option.
 27. Handing is field reversible, but requires removal of the exterior escutcheon cover. Please see AD-Series installation instructions for details.

Battery

4B	4AA Battery Holder and Cover Kit	
8B	8AA Battery Holder and Cover Kit	

- Notes:** 28. AD-300/AD-301 are hardwired and therefore do not require battery power and ship standard with a cover only and no batteries.
 29. AD-Series locks use standard off the shelf AA batteries.

Pricing/product description subject to change without notice.

Backset & Latchbolt (Cylindrical Chassis)

<p>13-247</p>	<p>2-3/4" Backset, Deadlatch, Square corner, 1-1/8" x 2-1/4"</p>	
<p>14-049</p>	<p>2-3/4" Backset, Deadlatch Anti-friction fire door latch, Square corner, 1-1/8" x 2-1/4", 3/4" throw</p>	
<p>14-051</p>	<p>2-3/8" Backset, Deadlatch Square corner, 1-1/8" x 2-1/4"</p>

<p>09-672</p>	<p>1-1/16" Wide Square Corner, Latch x Deadbolt, Options for MD</p>	 <p>1-1/16" Wide</p>	

Notes: 30. For 1-3/4" thick doors, use wide armor front. For over 1-3/4" thick door extended equally (EE), use 1-1/4" wide armor front
 31. Available finishes are 605, 606, 612, 619, 625, and 626.
 32. Images not shown to scale. Consult AD-Series Parts Guide for more information.

Strike Plate (Cylindrical Chassis)

10-025	1-3/16" Lip, ANSI, no box, 1-1/4" x 4-7/8",	
10-013	1-1/8" Lip, Square Corner, T-strike, box, 1-1/8" - 2-3/4", 1-1/2" Lip available, must specify 1-1/2" Lip	
10-016	1-1/8" Lip, Square Corner, T-strike, deep box, fire door latch	
K510-066	Box for ANSI strike (Must be specific)	
10-072	1-3/16" Lip, 1-1/4" x 4-7/8", Square Corner, box	
10-072	7/8", 1", 1-1/2", 1-3/4", or 2" Lip, 1-1/4" x 4-7/8", Square Corner, box	
10-075	1/2" Rabbeted, For 1-3/4" thick doors, use wide armor front. For over 1-3/4" thick door extended equally (EE) use 1-1/4" wide armor front.	
37-015	Strike Frame Reinforcer, specify 37-015	
XL11-820	One hole for latching functions, RH & LHR doors Lip 1-3/16"	
XL11-821	One hole for latching functions, LH & RHR doors Lip 1-3/16"	
XQ07-351-134	Strike, ANSI, No Box, 1-1/4" x 4-7/8", 1-3/4" Lip Length	Image not available
XQ03-494-134	Strike, Square Corner, T-strike, Box, 1-1/8" x 2-3/4", 1-3/4" Lip	Image not available

Note: 33. XL11-820 & XL11-821 Extended lead time; contact customer service.

Door Thickness

1-3/4"	1-3/4"
1-3/8"	1-3/8" to 2-3/4", Shims included (Specify in 1/8" increments)

- Notes:**
- 34. *Door Thickness Kits are available on page 215 to install a lock on a door that is thicker or thinner than 1-3/4". See AD-Series Parts guide for details. Locks cannot be installed on doors thicker than 2-3/4" or thinner than 1-3/8".*
 - 35. *Thin Door Shims are available on page 215 to install a lock on a door that is thinner than 1-3/4".*
 - 36. *Decorative Plates are used to cover exposed holes when retrofitting from existing locks to AD-Series locks. The size of plate required will vary based on the size and location of holes being covered. Retrofit information can be found at www.schlage.com/support.*
 - 37. *If under the lock decorative plates are on both sides of device, then door will become 1/8" thicker. A Door Thickness Kit of an incremental 1/8" must be ordered to accommodate under the lock plates.*

AD-SERIES

Networked

Standalone

System Architecture for AD-300 & AD-400

The AD-Series combines all the hardware components required at the door for a complete access control system into one integrated design to simplify installation. This includes the electrified lock, credential reader, request-to-exit and -enter sensors, door position switch, tamper guard and more.

The AD-Series is available with flexible hardwired and wireless networked options and can accommodate Wiegand, Clock & Data or RS485 connections to the access control panel or reader interface board.

The following system configurations should be utilized as a guideline for specifying the AD-Series. Datasheets with technical specifications are available for download on www.schlage.com/support. We suggest that you consult with your Access Control Provider to verify the specific features, functions and capabilities of the AD-Series.

AD-300 Networked Hardwired Solution:

- Connections other than Wiegand or Clock & Data may incur an additional fee. Consult access control software provides for details.
- PIB300-2D required for Wiegand or Clock & Data connection; supports up to 2 AD-300 devices

AD-400 Networked Wireless Solution:

- Connections other than Wiegand or Clock & Data may incur an additional fee. Consult access control software provides for details.
- PIM400-TD2 required for Wiegand or Clock & Data connection; supports up to 2 AD-400 devices
- If RS485 connection to other ACP is required, contact software provider

System Architecture for AD-301 & AD-401

FIPS 201 Overview

- Federal Government Standard for secure and reliable form of identification
- Mandated by Homeland Security Presidential Directive 12 (HSPD 12)
- Required for all Federal Government employees and contractors
- Mandates the type of Smart Card and Card Reader per application
- The WPR401 (wireless portable reader) is available for remote credential verification

In order to meet requirements, the AD-Series can either be:

- 1.) Sold as a complete unit with the FMK Multi-Technology + Keypad Reader
- 2.) Field upgraded to a FIPS 201-1 compliant solution by adding the FMK reader (sold separately) and by utilizing the most current firmware available.

AD-301 Hardwired FIPS 201-1 compliant solution

- RS-485 or Wiegand communication to access control panel (ACP must be FIPS 201-1 compliant)
- FIPS 201-1 Multi-Technology Reader (FMK)
- Connections other than Wiegand or Clock & Data may incur an additional fee. Consult access control software provider for details.
- PIB300-2D required for Wiegand or Clock & Data connection; supports up to 2 AD-301 devices.

AD-401 Wireless FIPS 201-1 compliant solution

- 900 MHz communication between lock and PIM400-TD2
- FIPS Multi-Technology Reader (FMK)
- Connections other than Wiegand or Clock & Data may incur an additional fee. Consult access control software provider for details.
- PIM400-TD2 required for Wiegand or Clock & Data connection; supports up to 2 AD-401 devices.
- f RS485 connection to ACP is required, contact software provider

1-4. Select Chassis/Function Note: Locking function capabilities are determined by users access control system

AD-300-CY-70*	Classroom/Storeroom	\$1,910.00

BAA compliant products must have the cover letter on page 301 included with the order. Failure to use this cover letter will result in the customer receiving non-BAA compliant product with no recourse for an RMA or refund. BAA compliant product requires a longer lead time, please contact customer service for details.

AD-401 Exit Trim comes with a universal mounting plate and is compatible with Von Duprin Series 98/99, 98/99XP, 22/22F exit devices and Falcon 25 rim exit devices with proper low current Request-To-Exit switch (RX-LC). Concealed Vertical Rod and Concealed Vertical Cable trim on metal door only.
When Request-to-exit is required, the Von Duprin RX-LC switch (part #050281) or Falcon AE switch (part #650359) must be used or the Warranty is void.
Note: AD-Series Non-Functioning "Dummy" Exit Trim now available. Please see pages 114-115 for details

- Notes:** 1) Connections other than Wiegand or Clock & Data may incur additional fee. Consult access control software provider for details.
 2) PIM400 required for connection to ACP; sold separately.
 a) PIM400-TD2 required for Wiegand or Clock and Data connection, see page 118.
 b) If RS485 connection to other ACP is required, contact software provider.

Standard accessories available, see pages 116-119.
 Standard accessories sold separately include Decorative Plates, Handheld Device, Dry Contact Board (RLBD), etc.

Note: Connections other than Wiegand or Clock & Data may incur additional fee. Consult access control provider for details.

* For BAA compliant PIB300-2D or PIM400-TD2 add \$25.00. Use suffix BAA.

BAA compliant products must have the cover letter on page 301 included with the order. Failure to use this cover letter will result in the customer receiving non-BAA compliant product with no recourse for an RMA or refund. BAA compliant product requires a longer lead time, please contact customer service for details.

Product ID	Product Description	Product Specification	Price
AD-400 Wireless Accessories (continued)			
Control Kits			
ECK400	Elevator Control Kit	Includes WRI400, PIM400-TD2, ANT400-REM-I/O, 12 VDC Power Supply.	\$2,837.00
GCK400	Gate Control Kit	Includes WRI400, PIM400-TD2, ANT400-REM-I/O, MGB+MCA5, 12 VDC Power Supply.	\$2,964.00
Wireless Reader Interface - (Outdoor)			
WRI400	Outdoor Wireless Reader Interface	Compatible with Wiegand or Clock & Data. Includes Weatherproof Enclosure, inputs for two parallel readers. Requires 12 or 24 VDC power supply.	\$1,005.00
Wireless Test Kit			
TK400	Wireless Test Kit	Pre-Installed Test Kit; Complete with WPR400-DT, PIM400-TD2, 593PI Power Supply, Charger, Carrying Case.	\$1,670.00
Wireless Repeater Kit			
REPTR400	Wireless Repeater Kit	Complete with PIM400-TD2 and WRI400.	\$1,857.00
Remote Antennas			
ANT400-REM-I/O	Omni-Directional Remote Indoor/Outdoor Antenna Module	Includes Antenna, 15' Coax, Coax Whip, Articulated Wall/Post Mounting Hardware. For indoor use with PIM400 and/or WRI400. Requires MGB+MCA5 Antenna Grounding Kit for outdoor applications.	\$548.00
ANT400-REM-I/O+6DB	Directional Remote Indoor/Outdoor Antenna Module with 6dB Gain	Includes Antenna, 15' Coax, Coax Whip, Articulated Wall/Post Mounting Hardware. For indoor use with PIM400 and/or WRI400. Requires MGB+MCA5 Antenna Grounding Kit for outdoor applications.	\$529.00
ANT400-REM-CEILING	Omni-Directional Remote Indoor/Outdoor Antenna Module	Includes Antenna, 15' Coax, Coax Whip. For indoor use with PIM400 and/or WRI400.	\$403.00
ANT400-REM-HALL	Bi-Directional Remote Indoor Antenna Module	Includes Antenna, 15' Coax, Coax Whip. For indoor use with PIM400 and/or WRI400.	\$574.00
Antenna Grounding Kit			
MGB+MCA5	Antenna Grounding Kit (for outdoor mounting)	May be used with ANT400-REM-I/O, ANT400-REM-I/O+6DB, ANT400-REM-CEILING, ANT400-REM-HALL.	\$189.00
Power Supply			
593PI-12DC	120 VAC to 12 VDC Power Supply	Used to power PIM-TD2, PIM-TD4, PIM-EXP, WRI-OTD-12 VDC, and WRI-IN-12 VDC as well as PIM400 and WRI400.	\$117.00

Note: Connections other than Wiegand or Clock & Data may incur additional fee. Consult access control provider for details.

AD-SERIES

Networked

Standalone

AD-Series Standalone Locks

With the AD-Series, one platform translates to an endless number of adaptable solutions. You can choose the features and functions that are right for the application today, and upgrade to meet your evolving needs in the future.

Class

AD-200	Standalone, User Rights on the Lock. Computer or Manually Programmable. Keypad, Multi-technology or Magnetic Stripe reader options available.	
AD-201	FIPS 201-1 Compliant Standalone, User Rights on the Lock. Computer Programmable with FIPS 201-1 Compliant multi-technology reader.	
AD-250	Standalone, user rights on magnetic stripe card. Computer programmable. Magnetic stripe or magnetic stripe + keypad reader options available	

Note: 1. AD-Series locks are upgradable from standalone to networked by applying a communication module available in the accessories section and new firmware available on www.schlage.com/support.

Chassis

CY: Cylindrical	Bored lock installed into a round hole in door	
MS: Mortise	Lock case installed into a mortise rectangular "pocket" in the door	
MD: Mortise Deadbolt	Mortise lock with built-in interconnected auxiliary deadbolt	
993R: Exit Trim	Rim/Concealed Vertical Rod* (CVR) & Concealed Vertical Cable* (CVC) *Metal door only	
993M: Exit Trim	Mortise	
993S: Exit Trim	Surface Vertical Rod (SVR)	
993DT: Exit Trim	Non-Functioning "Dummy" Exit Trim	

Note: 2. Exit trim utilizes universal hardware to simplify installation to a variety of exit device. AD-Series networked locks require a request to exit switch, please see compatibility below.

Exit Device Compatibility

Exit trim utilizes universal hardware to simplify installation to a variety of exit devices.

Exit Device Compatibility		Rim	SVR	CVR/CVC	Mortise
Von Duprin	98/99 and 98/99XP	●	●	●*	●
Von Duprin	22/22F	●	●		
Falcon	25	●			
Corbin Russwin®	5000	●			
Precision™	21 (2100 converts to 21 with Precision's BP21 kit)	●			
Yale®	7000	●			
Dorma®	9300	●			
Sargent®	80	●†			

● AD-200 and 250 Offline locks only. * Metal door only. † Narrow design and reversible rim exits not compatible

Function

AD-200/201

AD-250

<p>70: Classroom/ Storeroom</p>	<p>Lockset is normally secure. Inside lever always allows free egress. Valid toggle credentials on the exterior may be used to change to a passage or secured status.</p>	<p>No button</p> 	<p>No button</p> 
<p>50: Office</p>	<p>Lockset is normally secure. Inside lever always allows free egress. Interior pushbutton on inside housing may be used to select a passage or secured status. Meets need for lockdown function for safety and security. NOTE: Valid toggle credentials on the exterior may also be used to change status. Has interior pushbutton (IPB).</p>		
<p>40: Privacy</p>	<p>Lockset is normally secure. Inside lever always allows free egress. Interior pushbutton on inside housing may be used to select a privacy status. The interior pushbutton will disable normal electronic access from the exterior. Opening the door or pressing the interior pushbutton a second time on the inside housing deactivates the privacy status. Has interior pushbutton (IPB).</p>	<p>Privacy button</p> 	<p>Privacy button</p> 
<p>60: Apartment</p>	<p>Lockset is normally secure. Inside lever always allows free egress. Interior-pushbutton on inside housing may be used to select a passage or secured status. Opening the door or pressing the interior pushbutton causes the lockset to toggle unsecured. While toggled unsecured, the lockset can only be secured while the door is closed by pressing the interior pushbutton or using a normal credential on the exterior. Normal electronic access from the exterior is always allowed. Has interior pushbutton.</p>		

Reader

<p>KP: Keypad</p>	<p>12 button design</p>	
<p>MGK: Magnetic Stripe + Keypad (Insert)</p>		
<p>MG: Magnetic Stripe (Insert)</p>		
<p>MSK: Magnetic Stripe + Keypad (Swipe)</p>	<p>Configurable to read the complete Track 1, 2 or 3. Available with and without 12 button keypad.</p>	
<p>MS: Magnetic Stripe (Swipe)</p>		
<p>MTK: Multi-Technology + Keypad</p>		
<p>FMK: FIPS 201-1 Compliant Multi-Technology + Keypad</p>	<p>Single solution that reads 125 kHz proximity and 13.56 MHz smart credentials. Available with and without 12-button keypad.</p>	
<p>MT: Multi-Technology</p>		
<p>Si/SiK: Smart iClass Compatible Reader</p>	<p>13.56 MHz smart card credential solution compatible with Schlage MIFARE, HID iClass, iClass SE, and SEOS technologies. Available with and without 12-button keypad.</p>	

- Notes:**
4. Please refer to AD-Series data sheets and solution sheets prior to ordering to verify credential compatibility.
 5. FMK reader now sold separately for field upgrades.
 6. Must specify finish when ordering reader separately. KP, MGK, MG, MSK & MS readers available in 626, 605, 606, 612, 619, 625 & 643e. MT, MTK & FMK readers are available in Grey (for 619, 626, 626AM & 625) and available in Brown (for 605, 606, 612 & 643e).

Pricing/product description subject to change without notice.

Lever

RHO	Rhodes		
SPA	Sparta		
TLR	Tubular		
ATH	Athens		

- Notes:**
7. All lever designs are available in finishes 605, 606, 612, 619, 625, 626, 643E and 626AM.
 8. SPA, TLR & ATH Meet California Fire Code for 1/2" or less return to the door.
 9. Changing Lever Cylinder Compatibility on a device typically requires replacement of existing spring cage and tailpiece
 10. To order tactile warning levers use BAT for Athens, BRO for Rhodes, BSP for Sparta and BTR for Tubular. Applied to exterior lever only unless otherwise specified. Not available with 643e finish.
 11. AD Series, CO Series and ND Series levers may be interchangeable in some cases depending whether it is an interior or exterior lever, the type of chassis and the type of cylinder/ spring cage/ tail piece. Please consult the AD Series Parts guide for more information.

Finish

626	Satin Chrome	BHMA # 626E, Government # US26D
605	Bright Brass	BHMA # 605E, Government # US3
606	Satin Brass	BHMA # 606E, Government # US4
612	Satin Bronze	BHMA # 612E, Government # US10
619	Satin Nickel	
625	Bright Chrome	BHMA # 625E, Government # US26
643e	Aged Bronze	
626AM	Satin Chrome Antimicrobial	

Note: 12. Please refer to the Electronic Access Control catalog or online product information at us.allegion.com to view each finish.

Cylinder

PD	With cylinder Schlage- Everest 29 S123 6 Pin Key-in-Lever (KIL) Keyed different as standard with two keys		
LD	Less cylinder Schlage, Falcon 6 Pin Key-in-Lever (KIL)		
RD	With cylinder Schlage- Everest 29 S123 6 Pin Full Size Interchangeable Core (FSIC) Keyway one bitted as standard with two keys		
JD	Less cylinder Schlage 6 Pin Full Size Interchangeable Core (FSIC)		
GD	With cylinder Schlage Everest 29 R 7 Pin Small Format Interchangeable Core (SFIC) Factory master keyed with two keys as standard, master keying must be specified		
BD	Less cylinder Schlage, Falcon, Competitive OEM's 7 Pin Small Format Interchangeable Core (SFIC)		
LD SAR	Less cylinder Sargent (10L+11L) 6 Pin Key-in-Lever (KIL)	 *Less Core	
JD SAR	Less cylinder Sargent 6300 6 Pin Full Size Interchangeable Core (FSIC)		
JD C06	Less cylinder Corbin 8000 6 Pin Full Size Interchangeable Core (FSIC)		
JD C07	Less cylinder Corbin 8000-7 7 Pin Full Size Interchangeable Core (FSIC) (Only RHO, 8RO, SPA, 8SP, TLR, 8TR)		
JD MED	Less cylinder Medeco 32*0201 6 Pin Full Size Interchangeable Core (FSIC)		
JD YA6	Less cylinder Yale 1210 or Medeco 31*0100 6 Pin Full Size Interchangeable Core (FSIC)		
JD YA7	Less cylinder Yale 1220 7 Pin Full Size Interchangeable Core (FSIC)		
LD FA7	Less cylinder Falcon 7 Pin Key-in-Lever (KIL) (Only RHO, 8RO, SPA, 8SP lever styles)		 *Less Core

Notes: 14. Competitor lever designs come in finishes 626 standard, and 605, 606, 612, 619, 625, 643e, and 626AM with extended lead-times.

15. For PD, RD and GD -Master Keyed cylinders can be specified and will be shipped in lock packaging.

16. For Master Key System Summary form which should accompany the master keyed order, see pages 283-293.

17. For Master Keying, additional line item 50-210 is required for Classic and Everest cylinders.

18. Control Keys for installation/removal of interchangeable cores are not furnished and must be ordered separate.

19. For additional assistance on Master Keying as well as restricted keyways please contact your local sales representative.

20. Spring cages & tail pieces are different based on the type of cylinder and chassis selected. Please see the AD-Series parts guide for more information.

21. The AD-Series accepts many popular models of standard, SFIC, and FSIC cylinders. Consult the Keyway/Cylinder compatibility datasheet (010432) for details. See pricebook for specific configurations.

Key Systems Available Through Schlage

Everest 29 S Keyway Family	Patent protected open keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats. Patent protection through 2029.
Everest 29 T Keyway Family	Patent protected restricted keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats. Patent protection through 2029.
Everest D Keyway Family	Restricted keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats.
Everest C Keyway Family	Open keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats. R
Schlage Classic Open Keyways	Classic (C/E/F): Open keyways available in key in lever and full size interchangeable core designs
Everest B Keyway Family	Restricted keyways that are available on small format interchangeable core (SFIC).
Everest 29 R Keyway Family	Patent protected restricted keyways that are available on small format interchangeable core (SFIC). Patent protection through 2029.

- Notes:** 21. Everest Restricted Keyways require a Letter of Authorization to be submitted with the order.
 22. See sample Letter of Authorization page 295.
 23. Full Size key systems (Everest 29 S & T, Everest C & D, Obverse & Quad) are available in Primus and Primus XP key system and must be ordered separately. Lock should be ordered less cylinder and Primus cylinder should be a separate line.
 24. Contact your local SSC representative for assistance in determining which format and level of exclusivity best suits your needs.

Handing

RH	Right Handed: Hinges on Right Opens Inward	
LH	Left Handed: Hinges on left Opens Inward	
RHR	Right Handed Reverse: Hinges on Right Opens Outward	
LHR	Left Handed Revers: Hinges on Left Opens Outward	

- Notes:** 25. Exit trim 993 chassis available only with RHR or LHR option.
 26. Handing is field reversible, but requires removal of the exterior escutcheon cover. Please see AD- Series installation instructions for details.

Battery

4B	4AA Battery Holder and Cover Kit	
8B	8AA Battery Holder and Cover Kit	

- Notes:** 27. AD-Series locks use standard off the shelf AA batteries.

Pricing/product description subject to change without notice.

Backset & Latchbolt (Cylindrical Chassis)

<p>13-247</p>	<p>2-3/4" Backset, Deadlatch, Square corner, 1-1/8" x 2-1/4"</p>	
<p>14-049</p>	<p>2-3/4" Backset, Deadlatch Anti-friction fire door latch, Square corner, 1-1/8" x 2-1/4", 3/4" throw</p>	
<p>14-051</p>	<p>2-3/8" Backset, Deadlatch Square corner, 1-1/8" x 2-1/4"</p>	
<p>14-050</p>	<p>3-3/4" Backset, Deadlatch Square corner, 1-1/8" x 2-1/4"</p>	
<p>43-001</p>	<p>5" Backset extension link, Deadlatch</p>	
<p>39-030</p>	<p>Rabbeted latch and strike kit, 605 and 626 only. Adapts square corner latch and 2-3/4" square corner strike to 1/2" rabbeted door and frame.</p>	<p>no image available</p>

Mortise Lock Armor Front (Mortise/Mortise Deadbolt Chassis)

<p>09-663</p>	<p>1-1/4" Wide Square Corner, Latch for MS</p>	
<p>09-669</p>	<p>1-1/16" Wide Square Corner, Latch, options for MS</p>	
<p>09-666</p>	<p>1-1/4" Wide Square Corner, Latch x Deadbolt for MD</p>	
<p>09-672</p>	<p>1-1/16" Wide Square Corner, Latch x Deadbolt, Options for MD</p>	

Notes: 28. For 1-3/4" thick doors, use wide armor front. For over 1-3/4" thick door extended equally (EE), use 1-1/4" wide armor front.
 29. Available finishes are 605, 606, 612, 619, 625, and 626.
 30. Images not shown to scale. Consult AD-Series Parts Guide for more information.

Strike Plate (Cylindrical Chassis)

10-025	1-3/16" Lip, ANSI, no box, 1-1/4" x 4-7/8",	
10-013	1-1/8" Lip, Square Corner, T-strike, box, 1-1/8" - 2-3/4", 1-1/2" Lip available, must specify 1-1/2" Lip	
10-016	1-1/8" Lip, Square Corner, T-strike, deep box, fire door latch	
K510-066	Box for ANSI strike (Must be specific)	
10-072	1-3/16" Lip, 1-1/4" x 4-7/8", Square Corner, box	
10-072	7/8", 1", 1-1/2", 1-3/4", or 2" Lip, 1-1/4" x 4-7/8", Square Corner, box	
10-075	1/2" Rabbeted, For 1-3/4" thick doors, use wide armor front. For over 1-3/4" thick door extended equally (EE) use 1-1/4" wide armor front.	
37-015	Strike Frame Reinforcer, specify 37-015	
XL11-820	One hole for latching functions, RH & LHR doors Lip 1-3/16"	
XL11-821	One hole for latching functions, LH & RHR doors Lip 1-3/16"	
XQ07-351-134	Strike, ANSI, No Box, 1-1/4" x 4-7/8", 1-3/4" Lip Length	Image not available
XQ03-494-134	Strike, Square Corner, T-strike, Box, 1-1/8" x 2-3/4", 1-3/4" Lip	Image not available

Note: 33. XL11-820 & XL11-821 Extended lead time; contact customer service.

Door Thickness

1-3/4"	1-3/4"
1-3/8"	1-3/8" to 2-3/4", Shims included (Specify in 1/8" increments)

- Notes:**
- 32. *Door Thickness Kits are available on page 215 to install a lock on a door that is thicker or thinner than 1-3/4". See AD-Series Parts guide for details. Locks cannot be installed on doors thicker than 2-3/4" or thinner than 1-3/8".*
 - 33. *Thin Door Shims are available on page 215 to install a lock on a door that is thinner than 1-3/4".*
 - 34. *Decorative Plates are used to cover exposed holes when retrofitting from existing locks to AD-Series locks. The size of plate required will vary based on the size and location of holes being covered. Retrofit information can be found at www.schlage.com/support.*
 - 35. *If under the lock decorative plates are on both sides of device, then door will become 1/8" thicker. A Door Thickness Kit of an incremental 1/8" must be ordered to accommodate under the lock plates.*

1-4. Select Chassis/Function

Accessories include Panel Interface Mobile (PIM400) Decorative Plates, Handheld Device, etc.
Credentials available, see pages 26-31.

CT5000

The CT5000 is an indoor, offline single opening controller. It is flexible and works with various card reader technologies. With the correct power supply, the CT5000 controller works with various types of locking hardware, including electric strikes, electro-magnetic locks, or EL exit devices.

If networked functionality is required in the future, the CT5000 can be upgraded to a WRI-400 by upgrading the firmware and adding one incremental piece of hardware. This provides greater adaptability in the field.

Perimeter Door Application

The CT5000 can be used for perimeter door applications with an automatic operator, electric strike and card reader

Narrow Stile Application

For narrow stile applications the CT5000 can be used with an electric strike and card reader

Panic Device Application

The CT5000 and a card reader along with the Von Duprin 914 Power Supply can control two EL exit devices for double door applications

Note: All hardware shown above including exit devices, electric strikes, auto operators, power supplies, push buttons, etc. are sold separately.

Certifications

- UL 294
- Canada UL
- FCC Part 15
- Canada RSS – 210
- RoHS

Features

- Supports up to 5000 users and audits
- Comes standard with 15 foot USB remote cable connector
- Programmed using Schlage Handheld Device (HHD) via USB connection
- Power is hardwired
- Three form C relay outputs (for strike, auxiliary, and alarm)
- Supports Request to exit (remote release) and Door Position Switch input.
- Card functions supported: normal, toggle, freeze, pass through, construction, lock down, and all card plus PIN applications
- Multiple reader technologies and positions on both sides of the gate/ door
- Internal LED visual indicators (Including low battery and state of the relay)
- Compatible with Schlage Express

Credential Compatibility

- Magnetic stripe: field configurable track 1, 2, or 3
- Compatible with Schlage, Xceed ID™, AWID®, HID®, GE/CASI ProxLite®
- 125 kHz Proximity cards: 26a, 34x, 35x, 37x bit formats (reader dependant)
- 13.56 MHz Smart card: 26a, 34x, 35x, 37x, 40x, 48x bit format (reader dependant)
- Can read card serial number of Mifare DESfire (reader dependant)

The following readers are UL294 listed for use with the CT5000:

- Essex Electronics model KTP-162
- Mercury Security models MR-5 and MR-20
- XceedID models PR10, MT11, MT15, MTK15, SM10

AD-200 Standalone Accessories

Express Level Software Package

SXPR-SFT-1	Express Offline Lock Software	Recommended for offline locks of fewer than 1000 users and/or 100 access points. Reporting of last 1000 events capability will retrieve audit trails. Must be installed on a computer that meets the minimum requirements (refer to software datasheet)	See page 201
-------------------	-------------------------------	---	---------------------

Note: Refer to Software Levels Datasheet for features and details

Express Level Software Package Accessories

P512112	Express Computer Interface Module	Used to program legacy CM/CL/KC products, using HH-SERIAL Serial Cable	See page 201
P101203	Express Computer Interface Module (with iButton)	Used to connect PC/laptop to access device	See page 201
P394548	Express Female to Female Serial Cable	Used to connect P101203 Computer Interface Module to PC/laptop	See page 201
SDB9USBCBL	Express Male DB9 to USB 6" Cable Adapter	Used to connect a USB Port device to a Serial Port device	See page 201
CRM2	Express Magnetic Stripe Enrollment Reader		See page 201
CRP2	Express Proximity Enrollment Reader		See page 201
SSRL89	Serial MIFARE/EVI/PIV Enrollment Reader		See page 38
MT20	USB/BLE (ENGAGE mobile app) MIFARE/EVI PIV Enrollment Reader		See page 38

Express Installation & Training

SCH-EXP-INST	Express Installation & Training	Includes software installation and training. Provided by Allegion Security & Safety Consultant remotely from factory. (No discounts apply)	See page 201
---------------------	---------------------------------	--	---------------------

Remote Door Release

	Push Button Release Options	AD-200 firmware enables the use of a wired remote release of the door. Many push button types are available.	See pages 255-256
--	-----------------------------	--	--------------------------

AD-250 Accessories

CL-ENCODER-2	Campus Lock Magnetic Stripe Encoder	ISO compatible high/low coercivity with female/male serial cable.	\$4,308.00

Series

CO-Series standalone locks are the ideal solution for facilities that want the convenience and efficiency of electronic access control without the complexity or cost of a networked system.

Class

CO-100	Standalone, keypad only, manually programmable only	
CO-200	Standalone, user access rights stored on the lock, manually or computer programmable	
CO-220	Standalone, classroom security, remote local lockdown	
CO-250	Standalone, user rights stored on magnetic stripe card, computer programmable only	

Chassis

CY: Cylindrical	Bored lock installed into a round hole in the door	
MS: Mortise	Lock case installed into a mortise rectangular "pocket" in the door	
MD: Mortise Deadbolt	Mortise lock with built-in interconnected auxiliary deadbolt	
993R: Exit Trim	Rim/Concealed Vertical Rod* (CVR) & Concealed Vertical Cable* (CVC) <i>*Metal door only</i>	
993M: Exit Trim	Mortise	
993S: Exit Trim	Surface Vertical Rod (SVR)	
993DT: Exit Trim	Non-Functioning "Dummy" Exit Trim	

Note: 1. Exit trim is only available in 70 function on CO-200, CO-220, and CO-250 models.
2. Exit trim utilizes universal hardware to simplify installation to a variety of exit device.

Pricing/product description subject to change without notice.

Exit Device Compatibility

Exit trim utilizes universal hardware to simplify installation to a variety of exit devices.

Exit Device Compatibility		Rim	SVR	CVR/CVC	Mortise
Von Duprin	98/99 and 98/99XP	●	●	●*	●
Von Duprin	22/22F	●	●		
Falcon	25	●			
Corbin Russwin®	5000	●			
Precision™	21 (2100 converts to 21 with Precision's BP21 kit)	●			
Yale®	7000	●			
Dorma®	9300	●			
Sargent®	80	●†			

● CO-220 is not compatible with surface vertical rod (SVR) devices. * Metal door only. † Narrow design and reversible rim exits not compatible

Function

CO-100

CO-200/CO-250

<p>70: Classroom/Storeroom</p>	<p>Lockset is normally secure. Inside lever always allows free egress. Valid toggle credentials on the exterior may be used to change to a passage or secured status.</p>		
<p>50: Office</p>	<p>Lockset is normally secure. Inside lever always allows free egress. Interior pushbutton on inside housing may be used to select a passage or secured status. Meets need for lockdown function for safety and security. Note: Valid toggle credentials on the exterior may also be used to change status. Has interior pushbutton (IPB).</p>		
<p>40: Privacy</p>	<p>Lockset is normally secure. Inside lever always allows free egress. Interior pushbutton on inside housing may be used to select a privacy status. The interior pushbutton will disable normal electronic access from the exterior. Opening the door or pressing the interior pushbutton a second time on the inside housing deactivates the privacy status. Has interior pushbutton (IPB).</p>		

CO-220

<p>75: Classroom Security</p>	<p>Operates like a standard classroom/storeroom (70) function. When remote fob is pressed to initiate immediate local lockdown, all normal credentials are rejected and only an authorized pass through credential will allow access. Inside lever always allows free egress.</p>	
--------------------------------------	---	---

Pricing/product description subject to change without notice.

Reader

<p>KP: Keypad</p>	<p>12 button design</p>	
<p>MSK: Magnetic Stripe + Keypad (Swipe)</p>	<p>Configurable to read the complete Track 1, 2 or 3</p>	
<p>MS: Magnetic Stripe (Swipe)</p>		
<p>PR: Proximity</p>	<p>Reads 125 kHz proximity credentials</p>	
<p>PRK: Proximity + Keypad</p>		

Note: 3. Please refer to CO-Series data sheets and solution sheets prior to ordering to verify credential compatibility.

Lever

RHO	Rhodes		
SPA	Sparta		
TLR	Tubular		
ATH	Athens		

- Notes:**
4. All lever designs are available in finishes 605, 606, 612, 619, 625, 626, 643E and 626AM.
 5. SPA, TLR & ATH Meet California Fire Code for 1/2" or less return to the door.
 6. Changing Lever Cylinder Compatibility on a device typically requires replacement of existing spring cage and tailpiece
 7. To order tactile warning levers use BAT for Athens, BRO for Rhodes, BSP for Sparta and BTR for Tubular. Applied to exterior lever only unless otherwise specified. Not available with 643e finish.
 8. AD Series, CO Series & ND Series levers may be interchangeable in some cases depending whether it is an interior or exterior lever, the type of chassis and the type of cylinder/ spring cage/ tail piece. Please consult the CO Series Parts guide for more information.

Finish

626	Satin Chrome	BHMA # 626E, Government # US26D
605	Bright Brass	BHMA # 605E, Government # US3
606	Satin Brass	BHMA # 606E, Government # US4
612	Satin Bronze	BHMA # 612E, Government # US10
619	Satin Nickel	
625	Bright Chrome	BHMA # 625E, Government # US26
643e	Aged Bronze	
626AM	Satin Chrome Antimicrobial	

Note: 9. Please refer to the Electronic Access Control catalog or online product information at us.allegion.com to view each finish.

Cylinder

PD	With cylinder Schlage- Everest 29 S123 6 Pin Key-in-Lever (KIL) Keyed different as standard with two keys		
LD	Less cylinder Schlage, Falcon 6 Pin Key-in-Lever (KIL)		
RD	With cylinder Schlage- Everest 29 S123 6 Pin Full Size Interchangeable Core (FSIC) Keyway one bitted as standard with two keys		
JD	Less cylinder Schlage 6 Pin Full Size Interchangeable Core (FSIC)		
GD	With cylinder Schlage Everest 29 R 7 Pin Small Format Interchangeable Core (SFIC) Factory master keyed with two keys as standard, master keying must be specified		
BD	Less cylinder Schlage, Falcon, Competitive OEM's 7 Pin Small Format Interchangeable Core (SFIC)		
LD SAR	Less cylinder Sargent (10L+11L) 6 Pin Key-in-Lever (KIL)	 *Less Core	
JD SAR	Less cylinder Sargent 6300 6 Pin Full Size Interchangeable Core (FSIC)		
JD C06	Less cylinder Corbin 8000 6 Pin Full Size Interchangeable Core (FSIC)		
JD C07	Less cylinder Corbin 8000-7 7 Pin Full Size Interchangeable Core (FSIC) (Only RHO, 8RO, SPA, 8SP, TLR, 8TR)		
JD MED	Less cylinder Medeco 32*0201 6 Pin Full Size Interchangeable Core (FSIC)		
JD YA6	Less cylinder Yale 1210 or Medeco 31*0100 6 Pin Full Size Interchangeable Core (FSIC)		
JD YA7	Less cylinder Yale 1220 7 Pin Full Size Interchangeable Core (FSIC)		
LD FA7	Less cylinder Falcon 7 Pin Key-in-Lever (KIL) (Only RHO, 8RO, SPA, 8SP lever styles)		 *Less Core

- Notes:**
14. Competitor lever designs come in finishes 626 standard, and 605, 606, 612, 619, 625, 643e, and 626AM with extended lead-times.
 15. For PD, RD and GD -Master Keyed cylinders can be specified and will be shipped in lock packaging.
 16. For Master Key System Summary form which should accompany the master keyed order, see pages 283-293.
 17. For Master Keying, additional line item 50-210 is required for Classic and Everest cylinders.
 18. Control Keys for installation/removal of interchangeable cores are not furnished and must be ordered separate.
 19. For additional assistance on Master Keying as well as restricted keyways please contact your local sales representative.
 20. Spring cages & tail pieces are different based on the type of cylinder and chassis selected. Please see the CO-Series parts guide for more information.
 21. The CO-Series accepts many popular models of standard, SFIC, and FSIC cylinders. Consult the Keyway/Cylinder compatibility datasheet (010432) for details. See pricebook for specific configurations.

Key Systems Available Through Schlage

Everest 29 S Keyway Family	Patent protected open keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats. Patent protection through 2029.
Everest 29 T Keyway Family	Patent protected restricted keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats. Patent protection through 2029.
Everest D Keyway Family	Restricted keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats.
Everest C Keyway Family	Open keyways that are available in full size key in lever and full size interchangeable core (FSIC) formats.
Schlage Classic Open Keyways	Classic (C/E/F): Open keyways available in key in lever and full size interchangeable core designs
Everest B Keyway Family	Restricted keyways that are available on small format interchangeable core (SFIC).
Everest 29 R Keyway Family	Patent protected restricted keyways that are available on small format interchangeable core (SFIC). Patent protection through 2029.

- Notes:** 18. Everest Restricted Keyways require a Letter of Authorization to be submitted with the order.
 19. See sample Letter of Authorization page 295.
 20. Full Size key systems (Everest 29 S & T, Everest C & D, Obverse & Quad) are available in Primus and Primus XP key system and must be ordered separately. Lock should be ordered less cylinder and Primus cylinder should be a separate line.
 21. Contact your local SSC representative for assistance in determining which format and level of exclusivity best suits your needs.

Handing

RH	Right Handed: Hinges on Right Opens Inward	
LH	Left Handed: Hinges on left Opens Inward	
RHR	Right Handed Reverse: Hinges on Right Opens Outward	
LHR	Left Handed Reverse: Hinges on Left Opens Outward	

- Notes:** 22. Exit trim 993 chassis available only with RHR or LHR option.
 23. Handing is field reversible, but requires removal of the exterior escutcheon cover. Please see CO-Series installation instructions for details.

Battery

4B	4AA Battery Holder and Cover Kit	
-----------	----------------------------------	--

Note: 24. CO-Series locks use standard off the shelf AA batteries.

Backset & Latchbolt (Cylindrical Chassis)

<p>13-247</p>	<p>2-3/4" Backset, Deadlatch, Square corner, 1-1/8" x 2-1/4"</p>	
<p>14-049</p>	<p>2-3/4" Backset, Deadlatch Anti-friction fire door latch, Square corner, 1-1/8" x 2-1/4", 3/4" throw</p>	
<p>14-051</p>	<p>2-3/8" Backset, Deadlatch Square corner, 1-1/8" x 2-1/4"</p>	
<p>14-050</p>	<p>3-3/4" Backset, Deadlatch Square corner, 1-1/8" x 2-1/4"</p>	
<p>43-001</p>	<p>5" Backset extension link, Deadlatch</p>	
<p>39-030</p>	<p>Rabbeted latch and strike kit, 605 and 626 only. Adapts square corner latch and 2-3/4" square corner strike to 1/2" rabbeted door and frame.</p>	<p>No image available</p>

Mortise Lock Armor Front (Mortise/Mortise Deadbolt Chassis)

<p>09-663</p>	<p>1-1/4" Wide Square Corner, Latch for MS</p>	
<p>09-669</p>	<p>1-1/16" Wide Square Corner, Latch, options for MS</p>	
<p>09-666</p>	<p>1-1/4" Wide Square Corner, Latch x Deadbolt for MD</p>	
<p>09-672</p>	<p>1-1/16" Wide Square Corner, Latch x Deadbolt, Options for MD</p>	

Notes: 25. For 1-3/4" thick doors, use wide armor front. For over 1-3/4" thick door extended equally (EE), use 1-1/4" wide armor front
 26 Available finishes are 605, 606, 612, 619, 625, and 626.
 27 Images not shown to scale. Consult CO-Series Parts Guide for more information.

Strike Plate (Cylindrical Chassis)

10-025	1-3/16" Lip, ANSI, no box, 1-1/4" x 4-7/8",	
10-013	1-1/8" Lip, Square Corner, T-strike, box, 1-1/8" - 2-3/4", 1-1/2" Lip available, must specify 1-1/2" Lip	
10-016	1-1/8" Lip, Square Corner, T-strike, deep box, fire door latch	
K510-066	Box for ANSI strike (Must be specific)	
10-072	1-3/16" Lip, 1-1/4" x 4-7/8", Square Corner, box	
10-072	7/8", 1", 1-1/2", 1-3/4", or 2" Lip, 1-1/4" x 4-7/8", Square Corner, box	
10-075	1/2" Rabbeted, For 1-3/4" thick doors, use wide armor front. For over 1-3/4" thick door extended equally (EE) use 1-1/4" wide armor front.	
37-015	Strike Frame Reinforcer, specify 37-015	
XL11-820	One hole for latching functions, RH & LHR doors Lip 1-3/16"	
XL11-821	One hole for latching functions, LH & RHR doors Lip 1-3/16"	
XQ07-351-134	Strike, ANSI, No Box, 1-1/4" x 4-7/8", 1-3/4" Lip Length	Image not available
XQ03-494-134	Strike, Square Corner, T-strike, Box, 1-1/8" x 2-3/4", 1-3/4" Lip	Image not available

Note: 33. XL11-820 & XL11-821 Extended lead time; contact customer service.

Door Thickness

1-3/4"	1-3/4"
1-3/8"	1-3/8" to 2-3/4", Shims included (Specify in 1/8" increments)

- Notes:**
- 29. Door Thickness Kits are available on page 230 to install a lock on a door that is thicker or thinner than 1-3/4". See AD-Series Parts guide for details. Locks cannot be installed on doors thicker than 2-3/4" or thinner than 1-3/8".
 - 30. Thin Door Shims are available on page 200 to install a lock on a door that is thinner than 1-3/4".
 - 31. Decorative Plates are used to cover exposed holes when retrofitting from existing locks to CO-Series locks. The size of plate required will vary based on the size and location of holes being covered. Retrofit information can be found at www.schlage.com/support.
 - 32. If under the lock decorative plates are on both sides of device, then door will become 1/8" thicker. A Door Thickness Kit of an incremental 1/8" must be ordered to accommodate under the lock plates.

1-5. Select Chassis/Function/Reader (Note: CO-Series readers are not interchangeable)

---------------------	-------------------------------------	---	-------------------

CT5000

The CT5000 is an indoor, offline single opening controller. It is flexible and works with various card reader technologies. With the correct power supply, the CT5000 controller works with various types of locking hardware, including electric strikes, electro-magnetic locks, or EL exit devices.

If networked functionality is required in the future, the CT5000 can be upgraded to a WRI-400 by upgrading the firmware and adding one incremental piece of hardware. This provides greater adaptability in the field.

Perimeter Door Application

The CT5000 can be used for perimeter door applications with an automatic operator, electric strike and card reader

Narrow Stile Application

For narrow stile applications the CT5000 can be used with an electric strike and card reader

Panic Device Application

The CT5000 and a card reader along with the Von Duprin 914 Power Supply can control two EL exit devices for double door applications

Note: All hardware shown above including exit devices, electric strikes, auto operators, power supplies, push buttons, etc. are sold separately.

Certifications

- UL 294
- Canada UL
- FCC Part 15
- Canada RSS – 210
- RoHS

Features

- Supports up to 5000 users and audits
- Comes standard with 15 foot USB remote cable connector
- Programmed using Schlage Handheld Device (HHD) via USB connection
- Power is hardwired
- Three form C relay outputs (for strike, auxiliary, and alarm)
- Supports Request to exit (remote release) and Door Position Switch input.
- Card functions supported: normal, toggle, freeze, pass through, construction, lock down, and all card plus PIN applications
- Multiple reader technologies and positions on both sides of the gate/ door
- Internal LED visual indicators (Including low battery and state of the relay)
- Compatible with Schlage Express

Credential Compatibility

- Magnetic stripe: field configurable track 1, 2, or 3
- Compatible with Schlage, Xceed ID™, AWID®, HID®, GE/CASI ProxLite®
- 125 kHz Proximity cards: 26a, 34x, 35x, 37x bit formats (reader dependant)
- 13.56 MHz Smart card: 26a, 34x, 35x, 37x, 40x, 48x bit format (reader dependant)
- Can read card serial number of Mifare DESfire (reader dependant)

The following readers are UL294 listed for use with the CT5000:

- Essex Electronics model KTP-162
- Mercury Security models MR-5 and MR-20
- XceedID models PR10, MT11, MT15, MTK15, SM10

46928511	Screws, Reader Module Assembly - (1-3/8", 1-1/2", 1-5/8", 1-3/4", 1-7/8", 2", 2-1/8", 2-1/4", 2-3/8", 2-1/2", 2-5/8", and 2-3/4")	\$9.70
----------	---	--------

Magnetic Swipe Cleaning Cards

510310	Magnetic Stripe Cleaning Cards	\$37.40
--------	--------------------------------	---------

Interior Escutcheon - (Select by Chassis Type) - (Please specify FINISH - Example: 46929014-626)

Cylindrical		
46929014	Interior Escutcheon (with Baseplate Screws)	\$72.40
Mortise		
46929014	Interior Escutcheon (with Baseplate Screws)	\$72.40
Mortise Deadbolt		
46929022	Interior Escutcheon (with Baseplate Screws)	\$72.40
Exit		
46929279	Interior Escutcheon (with Baseplate Screws)	\$56.40

Interior Baseplate Gasket

46928982	Interior Baseplate Gasket	\$32.40
----------	---------------------------	---------

USB Cover Plug, 10-Piece Bulk Pack

46928719	USB Cover Plug (10-Piece Bulk Pack)	\$24.20
----------	-------------------------------------	---------

Exterior Escutcheon - (Select by Chassis Type) - (Please specify FINISH - Example: 46928743-626)

Cylindrical		
46928743	Exterior Escutcheon (with Baseplate Screws)	\$119.00
Mortise		
46928750	Exterior Escutcheon (with Baseplate Screws) - (Except SFIC, GD/BD Cylinders)	\$80.80
46928743	Exterior Escutcheon (with Baseplate Screws) - (Only SFIC, GD/BD Cylinders)	\$119.00
Exit		
46928750	Exterior Escutcheon (with Baseplate Screws) - (Except SFIC, GD/BD Cylinders)	\$80.80
46928743	Exterior Escutcheon (with Baseplate Screws) - (Only SFIC, GD/BD Cylinders)	\$119.00

Exterior Escutcheon, 10-Piece Bulk Pack - (Select by Chassis Type) - (Please specify FINISH - Example: 23608532-626)

Cylindrical		
23608532	Exterior Escutcheon (with Baseplate Screws)	\$608.00
Mortise		
23608540	Exterior Escutcheon (with Baseplate Screws) - (Except SFIC, GD/BD Cylinders)	\$608.00
23608532	Exterior Escutcheon (with Baseplate Screws) - (Only SFIC, GD/BD Cylinders)	\$608.00

AD-Series Parts

AD-SERIES PARTS

Part Number	Description	List Price
Steel Lever Kits & Parts		
24274730-AD	Steel Lever Conversion Kit - (Includes Escutcheon Assembly, Spring Cage Assembly, Lever Rotation Stops, Screws, Instructions) - Please specify CLASS, READER, FINISH)	Call for Assistance
47250325	Stainless Steel Set Screw for outside Steel Levers (Package of 20)	\$44.30
Lock Retractor - (Select by Chassis Type, Chassis Thickness)		
Cylindrical		
46928800	Retractor	\$323.00
Mortise		
46928818	1-1/16" Narrow - (Door Thicknesses 1-3/8" to 1-5/8")	\$416.00
46928826	1-1/4" Standard - (Door Thicknesses 1-3/4" to 2-3/4")	\$416.00
Mortise Deadbolt		
46928834	1-1/16" Narrow - (Door Thicknesses 1-3/8" to 1-5/8")	\$526.00
46928842	1-1/4" Standard - (Door Thicknesses 1-3/4" to 2-3/4")	\$526.00
Spindle & Hub Kit - (Select by Chassis Type)		
Exit		
46929295	Exit Spindle & Hub Kit (Includes Spindle, Spindle Cover, Spindle Hub, Tailpiece, Twisted Tailpiece, Tailpiece Spring, Pine Tree Clip, Screw)	\$40.40
Spindle Spring		
44484996	Spindle Spring	\$4.70
Deadbolt Thumb Turn Assembly (with E-Clip) - (Please specify FINISH - Example: 46929113-626)		
46929113	Deadbolt Thumb Turn Assembly (with E-Clip)	\$324.00
Strike Plate - Select by Chassis Type - (Please specify FINISH-SHAPE and LIP - Example -10-025-0118-0626)		
Cylindrical		
10-025-1316	ANSI, no box, 1-1/4" x 4-7/8", Standard with 1-3/16" Lip	\$16.40*
10-025-138	ANSI, no box, 1-1/4" x 4-7/8", Standard with Lip 1-3/8" Lip	\$44.20*
10-025-112	ANSI, no box, 1-1/4" x 4-7/8", Standard with 1-1/2" Lip	\$44.20*
10-013-118	Square corner, T-strike, box, 1-1/8" x 2-3/4" with 1-1/8" Lip	\$11.50*
10-013-112	Square corner, T-strike, box, 1-1/8" x 2-3/4" with 1-1/2" Lip	\$16.00*
10-016	Square corner, T-strike, deep box, 1-1/8" x 2-3/4" with 1-1/8" Lip Use with Fire door latch	\$15.20*
K510-066	Box for ANSI strike	\$7.20*
XQ07-351-134	Strike, ANSI, No Box, 1-1/4" x 4-7/8", 1-3/4" Lip Length	\$200.00*
XQ03-494-134	Strike, Square Corner, T-strike, Box, 1-1/8" x 2-3/4", 1-3/4" Lip	\$165.00*
Mortise Deadbolt		
10-072-1316	1-1/4" x 4-7/8" Square corner, box, standard with Lip at 1-3/16", 1", 1-1/2", 1-3/4", or 2"	\$21.80*
10-072-xx	1-1/4" x 4-7/8" Square corner, box, specify lip length (xx) as 1" or 1-1/2"	\$21.80*
10-072-xx	1-1/4" x 4-7/8" Square corner, box, specify lip length (xx) as 1-3/4", 1" or 2"	\$55.80*
10-075	1/2" Rabbeted	\$144.00*
37-015	Strike frame reinforcer	\$24.30*
XL11-820	Strike, One hole for latching Functions, RH & LHR door, 1-3/16" Lip	\$30.60*
XL11-821	Strike, One hole for latching Functions, LH & RHR door, 1-3/16" Lip	\$306.00*
Mortise Armor Front - (Select by Width, Door Thickness) - (Please specify FINISH: 09-663-626)		
09-663	Armor, 1-1/4" Wide Square Corner, Latch x Auxiliary latch (for door range 1-3/4" to 2-3/4")	\$35.90*
09-666	Armor, 1-1/4" Wide Square Corner, Latch x Auxiliary latch x Deadbolt (for door range 1-3/4" to 2-3/4")	\$35.90*
09-669	Armor, 1-1/16" Wide Square Corner, Latch x Auxiliary latch (for door range 1-3/8" to 1-5/8")	\$35.90*
09-672	Armor, 1-1/16" Wide Square Corner, Latch x Auxiliary latch x Deadbolt (for door range 1-3/8" to 1-5/8")	\$35.90*

Part Number	Description	List Price
Door Thickness Kit - (Select by Chassis Type) - (Please specify DOOR THICKNESS - Example: 46929170-134)		
Cylindrical		
46929170-138	1-3/8" Door Thickness Kit (Includes Baseplate Screws, Reader Screws, Spindles, Spring, Pin Wrench, Fire Plate Screw, Shim Plates, Standoffs)	\$158.00
46929170-112	1-1/2" Door Thickness Kit (Includes Baseplate Screws, Reader Screws, Spindles, Spring, Pin Wrench, Fire Plate Screw, Shim Plates, Standoffs)	\$113.00
46929170-158	1-5/8" Door Thickness Kit (Includes Baseplate Screws, Reader Screws, Spindles, Spring, Pin Wrench, Fire Plate Screw, Shim Plates, Standoffs)	\$80.80
46929170-XXX	Door Thickness Kit (Includes Baseplate Screws, Reader Screws, Spindles, Spring, Pin Wrench, Fire Plate Screw, Shim Plates, Standoffs) Must specify door thickness: 1-3/4" to 2-3/4" in 1/8" increments (EXAMPLE: 46929170-134 for a 1-3/4" door)	\$48.50
Mortise		
46929178-138	1-3/8" Door Thickness Kit (Includes Baseplate Screws, Reader Screws, Spindles, Spring, Pin Wrench, Fire Plate Screw, Shim Plates, Standoffs)	\$158.00
46929178-112	1-1/2" Door Thickness Kit (Includes Baseplate Screws, Reader Screws, Spindles, Spring, Pin Wrench, Fire Plate Screw, Shim Plates, Standoffs)	\$113.00
46929178-158	1-5/8" Door Thickness Kit (Includes Baseplate Screws, Reader Screws, Spindles, Spring, Pin Wrench, Fire Plate Screw, Shim Plates, Standoffs)	\$80.80
46929178-XXX	Door Thickness Kit (Includes Baseplate Screws, Reader Screws, Spindles, Spring, Pin Wrench, Fire Plate Screw, Shim Plates, Standoffs) Must specify door thickness: 1-3/4" to 2-3/4" in 1/8" increments (EXAMPLE: 46929178-134 for a 1-3/4" door)	\$48.50
Decorative Plate - (Select by Size) - (Please specify FINISH - Example: 23760283-626)		
23631823	1.5" x 3.25" x .105" Decorative Plate (with Screws) - (Exit Chassis)	\$34.30
23760267	1.7" x 3.5" x .075" Decorative Plate (with Screws)	\$34.30
23760283	3.2" x 3.5" x .075" Decorative Plate (with Screws)	\$38.90
23760317	6.0" x 3.5" x .075" Decorative Plate (with Screws)	\$59.30
23760325	6.6" x 3.5" x .075" Decorative Plate (with Screws)	\$59.30
23760309	8.0" x 3.5" x .075" Decorative Plate (with Screws)	\$60.60
23760291	8.0" x 3.5" x .075" Decorative Plate (with Screws and Welded Standoff)	\$82.00
23760259*	10.5" x 3.5" x .075" Decorative Plate (no Screws necessary) - (Under Lock)	\$78.60
23760275*	12.0" x 3.5" x .075" Decorative Plate (no Screws necessary) - (Under Lock)	\$77.90
*Please consider overall Door Thickness when ordering		
Note: Single Decorative Plate. Interior and Exterior Decorative Plates may be required.		
Note: Decorative Plates may have multiple applications. Please see AD-Series Retrofit Template Overlay guide at www.schlage.com/support for more information		
Available Finishes: 626 Satin Chrome Standard. Please consult Customer Care for 605 Bright Brass or 643E Aged Bronze.		
Interior Shim Plate - (Select by Class)		
23458607	Interior Shim Plate, AD200/250/300 - (Device is 0.063" thick)	\$28.00
23458565	Interior Shim Plate, AD400 - (Device is 0.063" thick)	\$28.00
Exterior Shim Plate		
23458599	Exterior Shim Plate - (Device is 0.063" thick)	\$21.80
Door Position Switch		
46929121	Door Position Switch	\$30.70
Offline/Hardwired Communication Module Cover - (Select by Function) - (Please specify FINISH - Example: COM200C-626)		
COM200C (23519168)	Offline Communication Module Cover, Cover (Includes Communication Module Cover, Cover Screw, Torx Cover Screw)	See page 156
COM200L (23519184)	Offline/Hardwired Communication Module Cover, Indicator (Includes Off-Line/Hardwired Communication Module Cover with Indicator, Cover Screw, Torx Cover Screw)	See page 156
COM200P (23519176)	Offline/Hardwired Communication Module Cover, Pushbutton (Includes Offline/Hardwired Communication Module Cover with Pushbutton, Cover Screw, Torx Cover Screw)	See page 156
Hardwired Upgrade Kit - (Select by Function) - (Please specify FINISH - Example: COM300L-626)		
COM300L (46928909)	Hardwired Upgrade Kit, Indicator (Includes Hardwired Communication Module, Standoff, Offline/Hardwired Communication Module Cover with Indicator, Cover Screw, Torx Cover Screw)	See page 156
COM300P (46928891)	Hardwired Upgrade Kit, Pushbutton (Includes Hardwired Communication Module, Standoff, Offline/Hardwired Communication Module Cover with Pushbutton, Cover Screw, Torx Cover Screw)	See page 156

Pricing/product description subject to change without notice.

AD-Series Parts

Part Number	Description	List Price
Hardwired Communication Module		
46928958	Hardwired Communication Module (with Fasteners, Jumpers)	\$242.00
Wireless Upgrade Kit - (Select by Function) - (Please specify FINISH - Example: COM400L-GRY)		
COM400L (46928867)	Wireless Upgrade Kit, Indicator (Includes Wireless Communication Module, (2) Standoffs, Wireless Communication Module Cover with Indicator, Cover Screw, Torx Cover Screw, Wireless Foil Gasket)	See page 156
COM400P (46928859)	Wireless Upgrade Kit, Pushbutton (Includes Wireless Communication Module, (2) Standoffs, Wireless Communication Module Cover with Pushbutton, Cover Screw, Torx Cover Screw, Wireless Foil Gasket)	See page 156
Wireless Communication Module Cover - (Select by Function) - (Please specify FINISH - Example: 46928883-GRY)		
46928883	Wireless Communication Module Cover, Indicator (with Screws)	\$56.40
46928875	Wireless Communication Module Cover, Pushbutton (with Screws)	\$64.40
Wireless Communication Module		
46928941	Wireless Communication Module (with Screws, Standoffs)	\$323.00
23848385	Wireless Communication Module with Antenna Connector (with Screws, Standoffs)	\$351.00
Wireless Parts		
46928974	Wireless Foil Gasket	\$19.30
47250326	Terminal Block Kit – (Includes one power connector and ten I/O connectors) supports PIM400, PIB300, TK400, ECK400, GCK400 and WRI400	\$43.10
Battery Holder & Cover Kit - (Select by Battery Quantity) - (Please specify FINISH - Example: 4B-626)		
4B (46929055)	4AA Battery Holder & Cover Kit (Includes 4AA Battery Holder with Cable, 4AA Battery Strap, Battery Strap Screws, 4AA Battery Cover, Cover Screw, Torx Cover Screw)	\$54.40
8B (46929089)	8AA Battery Holder & Cover Kit (Includes 8AA Battery Holder with Cable, 8AA Battery Strap, Battery Strap Screws, 8AA Battery Cover, Cover Screw, Torx Cover Screw)	\$101.00
Battery Holder Kit - (Select by Battery Quantity)		
46929063	4AA Battery Holder Kit (Includes 4AA Battery Holder with Cable, 4AA Battery Strap, Battery Strap Screws)	\$23.40
46929097	8AA Battery Holder Kit (Includes 8AA Battery Holder with Cable, 8AA Battery Strap, Battery Strap Screws)	\$46.60
Battery Parts		
4C (46929071)	4AA Battery Cover (with Screw) - Please specify FINISH - Example: 4C-626)	\$31.10
8C (46929105)	8AA Battery Cover (with Screw) - Please specify FINISH	\$54.40
47250305	Mylar Protective Sticker for 8 Battery Pack (Package of 20)	\$140.00
47250320	AD Battery Cable (Package of 5)	\$22.20
Battery - (Select by Battery Type)		
46929147	Coin Cell Battery	\$11.30
F206-488	(4) AA Batteries	\$10.40
K380-001*	WA-Series Battery Pack - (used to power WA5200, WA993, WPR2, WSM)	\$82.00
K380-012*	(12) WA-Series Battery Packs - (used to power WA5200, WA993, WPR2, WSM)	\$757.00
*Not for use with AD-Series Locks		
Interior Cover Hardware Kit - (Please specify FINISH - Example: 46928966-626)		
46928966	Interior Cover Hardware Kit (Includes (2) Wireless Communication Module Cover Screws, (1) Hardwired Communication Module Cover Screw, (1) 4AA Battery Cover Screw, (1) 8AA Battery Cover Screw)	\$40.40
Torx Tamper Screw Pack - (Select by Chassis Type)		
Cylindrical		
23538812	Torx Tamper Screw Pack	\$38.90
Mortise		
23538820	Torx Tamper Screw Pack	\$31.10
Exit		
23538838	Torx Tamper Screw Pack	\$37.70
Interior Main Board - (Please specify CLASS - Example: 46929048-200 for AD-200)		
46929048	Interior Main Board (with Battery Lead, Coin Cell Battery, (2) Screws)	\$620.00

Pricing/product description subject to change without notice.

Part Number	Description	List Price
Wiring Harness (Interior Main Board to Exterior Board) - (Select by Chassis Type)		
Cylindrical		
46928727	Wiring Harness (Interior Main Board to Exterior Board)	\$49.70
Mortise		
46928727	Wiring Harness (Interior Main Board to Exterior Board)	\$49.70
Exit		
46928735	Wiring Harness (Interior Main Board to Exterior Board)	\$49.70
23536774	RX Adapter	\$46.60
REX Switch, Leaf Spring and Screws		
46929139	REX Switch, Leaf Spring and Screws - (for CY and MS/MD only)	\$32.40
Drill Bit (Same as Legacy)		
P511472	Drill Bit for 3/8" VIP/AD-300	\$748.00
Request-to-Exit Switch Kit		
RX-LC	Von Duprin RX-LC (also called SI-LC or Von Duprin part number 050281)	\$309.00

Please see Falcon Price Book for Falcon AE part number 650359

M490DE Delayed Egress Series with Limited Lifetime Warranty on Magnetic Coil Assembly

Standard Features

- Delayed egress with plunger switch and external switch input
- Designed to meet NFPA 101 Life Safety Code
- Automatic voltage selection
- UL294 Special locking arrangement including BOCA*
- ANSI/BHMA 156.24
- UL 10C listed; cUL
- CSFM California State Fire Marshal listed
- Authorized release input
- On-board audible alarm
- On-board bi-color LED
- Fire alarm terminals

SINGLE LOCK

DOUBLE LOCK SEPARATE HOUSING

All 30 second delay requests, require a letter from the local fire marshal for approval or local jurisdiction.

M390RFK Retrofit Lock with Limited Lifetime Warranty on Magnetic Coil Assembly

Patent # 5,133,581

Designed to retrofit Locknetics 390+ without any additional prep.

Standard Features:

- ANSI/BHMA 156.23 Grade 1
- UL 294 listed for access control systems units
- UL 10C listed; cUL
- CSFM California State Fire Marshal listed

Single Lock

1. Select Model

	M390RFK
Electromagnetic Lock Automatic Voltage Selection, Magnetic Bond Sensor, Door Status Monitor, 628 satin aluminum finish	\$879.00

2. Specifications

	M390RFK
Holding Force	1500 lbs
Input Voltage	12/24 VDC
Current Draw Automatic Dual Voltage 12/24 VDC	.65A @ 12 VDC .45A @ 24 VDC
Height	2-7/8"
Length	10-1/2"
Width	1-5/8"
Weight (Approximate)	12.4 lbs

Angle Brackets

Patent # 4,957,316

M490G Gate Lock

with Limited Lifetime Warranty on Magnetic Coil Assembly

Standard Features

- Includes - universal mounting brackets - for swinging or sliding gate
- Special corrosion-resistant finish
- 1/2" EMT compression fitting
- Built in voltage spike suppression
- Door status monitor
- Magnetic Bond Sensor
- ANSI/BHMA 156.23, Outdoor Rated - Certified for use -31° to 151° F (-35° to 66° C)

Specifications	M490G
Holding Force	1500 lbs
Input Voltage (Standard Unit)	12/24 VDC
Current Draw (Amps Standard Unit)	.65A @ 12 VDC
Dual Voltage Field Selectable	.35A @ 24 VDC
Height	3"
Length	11"
Width	1-3/4"
Weight (Approximate)	14 lbs

1. Select Model

M490G	Gate Lock	\$685.00
-------	-----------	----------

320M MiniLine Magnet Lock

with Limited Lifetime Warranty on Magnetic Coil Assembly

Standard Features

- Mortise mount for sliding doors
- Includes mounting tabs and armature mounting block
- Door status monitor and Magnetic Bond Sensor
- Adjustable relocking delay
- UL 10C listed; cUL
- CSFM California State Fire Marshal listed

Specifications	320M
Holding Force	500 lbs. @ 12 VDC; 650 lbs. @ 24 VDC
Input Voltage	12/24 VDC
Current Draw	.23A @ 12 VDC
(Dual Voltage Field Selectable)	.45A @ 24 VDC
Height	1-3/8"
Length	7"
Width	1-7/8"
Weight (Approximate)	6 lbs

Note: For Wood Frames: Due to higher ambient operating temperatures, it is **REQUIRED** that the 12 VDC configuration be used.

1. Select Model

320M	Mini Line	\$583.00
------	-----------	----------

Patent # 6,611,414

GF3000 Shear Lock Mortise Series with Limited Lifetime Warranty on Magnetic Coil Assembly

Standard Features

- Microprocessor controlled
- Built-in auto relocking switch (ARS)
- Jump 1/4" gap - no in-rush current (noticeable noise level when connecting)
- Automatic voltage selection 12 VDC or 24 VDC
- Cool temperature regulator
- Adjustable time delay: 1-30 sec. from face of magnet
- ANSI/BHMA 156.23
- UL 10C listed; cUL
- CSFM California State Fire Marshal listed

1. Select Model

GF3000	Standard Unit Adjustable from top edge of door	\$1,086.00
GF3000TRD	Top Rail Door Mounting assembly which provides armature adjustment from latch edge of door Recommended with zero clearance condition between top of door and ceiling	\$1,493.00
GF3000BRD	Bottom Rail Door Mounting assembly to mortise armature into bottom rail of door Magnet is installed in floor/threshold Provides solution when no top rail is available	\$1,602.00

2. Select Options

DSM/MBS	Door Status Monitor/Magnetic Bond Sensor	\$267.00
----------------	--	-----------------

Specifications

Holding Force	3000 lbs
Current Draw	0.90A @ 12 VDC 0.45A @ 24 VDC
Lock Size	9-1/2" L x 1-1/2" W x 1-1/2" H
Weight (Approximate)	7 lbs
w/ Mounting Tabs	11-9/16" L x 1-1/2" W x 1-1/2" H
Armature	8-3/8" L x 1-3/8" W x 1/2" D
Armature Bracket	10-5/8" L x 1-3/8" W x 1" D

Note: Filtered, regulated power supply recommended. See PS900 Series Power Supplies.

Pricing/product description subject to change without notice.

GF3000 Shear Lock Surface Series with Limited Lifetime Warranty on Magnetic Coil Assembly

Patent # 6,611,414

Standard Features

- Microprocessor controlled
- Built in auto relocking switch (ARS)
- Jump 1/4" gap - no in-rush current (noticeable noise when connecting)
- Automatic voltage selection 12 VDC or 24 VDC
- Cool temperature regulator
- Adjustable time delay, 0-30 sec. from face of magnet
- Satin black, anodized housing (not available in special finishes)
- ANSI/BHMA 156.23
- UL 10C listed; cUL
- CSFM California State Fire Marshal listed

1. Select Model

GF3000SM	Standard Unit (outswinging doors) Adjustable from top edge of armature. Finish plates available in 628 Satin Aluminum, Clear Anodized Finish	\$1,324.00
GF3000TJ	Top Jamb Unit (inswinging doors) Magnet mounts on inside top jamb. Adjustable from top edge of armature Finish plates available in 628 Satin Aluminum, Clear Anodized Finish	\$1,324.00

2. Select Options

DSM/MBS	Door Status Monitor/Magnetic Bond Sensor	\$267.00
----------------	--	-----------------

Note: Housing available in satin black, anodized (335) finish only

Specifications

Holding Force	3000 lbs
Current Draw	0.90A @ 12 VDC 0.45A @ 24 VDC
Lock Housing	9-13/16" L x 1-1/4" W x 1-1/2" H
Armature Housing	8-3/8" L x 1-3/8" W x 1/2" D
Weight (Approximate)	9 lbs (SM, TJ suffix)

Note: Filtered, regulated power supply recommended See 900 Series Power Supplies

PS902 Power Supplies

2A @ 12/24 VDC – field selectable

Standard Features

- UL 294 Listed for Access Control
- Class2 rated power limited output
- Universal 120-240 VAC input
- Regulated and filtered DC outputs
- AC input and DC output LED indications
- Fire alarm relay and battery backup board attach to main board
- 1 Plug and play connector for optional distribution boards
- AC input status indication on outside cover
- AC status monitor
- 14" H x 12" W x 4" D enclosure

1. Select Power Supply

PS902	Base Power Supply (2A @ 12/24 VDC- field selectable) (approx. weight: 9 lbs) -PS902 is able to accept a total of one optional distribution board, plus one fire alarm relay along with one battery backup board and up to two 7A/hr batteries	\$265.00
--------------	--	-----------------

2. Select Optional Distribution Board with or without FA (Fire Alarm Relay)

1.	900-4R - 4 independently controlled relays	\$177.00
1.	900-4R FA - 4 independently controlled relays with FA	\$241.00
2.	900-2RS - 2 relay EL panic device control board	\$164.00
2.	900-2RS FA - 2 relay output with FA	\$228.00
3.	900-4RL - 4 relay board with integrated logic for controlling security interlocks, auto operators, and time delays	\$485.00
3.	900-4RL FA - 4 relay board with integrated logic for controlling security interlocks, auto operators, and time delays with FA	\$548.00
4.	900-8F - 8 fuse protected outputs	\$63.00
4.	900-8F FA - 8 fuse protected outputs with FA	\$127.00
5.	900-8P - 8 PTC protected outputs	\$63.00
5.	900-8P FA - 8 PTC protected outputs with FA	\$127.00

* Fire alarm relay requires option board installation. If PS906 with fire alarm input only is desired, order 900-8P FA

3. Select Other Power Supply Options

1.	900-BBK - Battery Backup Kit (includes two 7A/hr batteries)	\$253.00
1.	900-BB - Battery Backup Board only (sold separately)	\$127.00
1.	900-BAT - Backup Battery Pack Two (2) 7A/hr batteries (sold separately)	\$127.00
2.	900-FA - Fire Alarm Relay (EIR) module is a plug-in relay to provide an interface with fire or other emergency override systems *may be installed directly on main board, or may be used with optional distribution board	\$64.00
3.	900-KL - Key Lock	\$40.40
4.	BAA-BAA Compliant Product	\$40.40

BAA compliant products must have the cover letter on page 299 included with the order. Failure to use this cover letter will result in the customer receiving non-BAA compliant product with no recourse for an RMA or refund. BAA compliant product requires a longer lead time, please contact customer service for details.

Note: PS902 power supplies require connection to AC line voltage. Installation and all electrical connections (high and low voltage) should be performed by a qualified electrical contractor.

PS904 Power Supplies

4A @ 12/24 VDC – field selectable

Standard Features

- UL 294 Listed for Access Control
- Class2 rated power limited output
- Universal 120-240 VAC input
- Regulated and filtered DC outputs
- AC input and DC output LED indications
- Battery backup board attaches to main board
- 2 Plug and play connectors for optional distribution boards
- AC input status indication on outside cover
- AC status monitor
- 14" H x 12" W x 4" D enclosure

1. Select Power Supply

PS904	Base Power Supply (4A @ 12/24 VDC- field selectable) (approx. weight: 11 lbs) PS904 is able to accept a total of two optional distribution boards, plus one fire alarm relay along with one battery backup board and up to two 7A/hr batteries	\$505.00
--------------	---	-----------------

2. Select Optional Distribution Board with or without FA (Fire Alarm Relay)

1.	900-4R - 4 independently controlled relays	\$177.00
1.	900-4R FA - 4 independently controlled relays with FA	\$241.00
2.	900-2RS - 2 relay EL panic device control board	\$164.00
2.	900-2RS FA - 2 relay output with FA	\$228.00
3.	900-4RL - 4 relay board with integrated logic for controlling security interlocks, auto operators, and time delays	\$485.00
3.	900-4RL FA - 4 relay board with integrated logic for controlling security interlocks, auto operators, and time delays with FA	\$548.00
4.	900-8F - 8 fuse protected outputs	\$63.00
4.	900-8F FA - 8 fuse protected outputs with FA	\$127.00
5.	900-8P - 8 PTC protected outputs	\$63.00
5.	900-8P FA - 8 PTC protected outputs with FA	\$127.00

* Fire alarm relay requires option board installation. If PS904 with fire alarm input only is desired, order 900-8P FA

3. Select Other Power Supply Options

1.	900-BBK - Battery Backup Kit (includes two 7A/hr batteries)	\$253.00
1.	900-BB - Battery Backup Board only (sold separately)	\$127.00
1.	900-BAT - Backup Battery Pack Two (2) 7A/hr batteries (sold separately)	\$127.00
2.	900-KL - Key Lock	\$40.40
3.	BAA-BAA Compliant Product	\$40.40

BAA compliant products must have the cover letter on page 299 included with the order. Failure to use this cover letter will result in the customer receiving non-BAA compliant product with no recourse for an RMA or refund. BAA compliant product requires a longer lead time, please contact customer service for details.

Note: PS904 power supplies require connection to AC line voltage. Installation and all electrical connections (high and low voltage) should be performed by a qualified electrical contractor.

PS906 Power Supplies

6A @ 12/24 VDC – field selectable

Standard Features

- UL 294 Listed for Access Control
- Class 2 rated power limited output when paired with 8P option board
- Universal 120-240 VAC input
- Regulated and filtered DC outputs
- AC input and DC output LED indications
- Battery backup board attaches to main board
- 3 Plug and play connectors for optional distribution boards
- AC input status indication on outside cover
- AC status monitor
- 14" H x 12" W x 4" D enclosure

1. Select Power Supply

PS906	Base Power Supply (6A @ 12/24 VDC- field selectable) (approx. weight: 7 lbs) PS906 is able to accept a total of one fire alarm relay plus three optional distribution boards or two optional boards with battery backup board and two 7A/hr batteries	\$783.00
--------------	---	-----------------

2. Select Optional Distribution Board with or without FA (Fire Alarm Relay)

1.	900-4R - 4 independently controlled relays	\$177.00
1.	900-4R FA - 4 independently controlled relays with FA	\$241.00
2.	900-2RS - 2 relay EL panic device control board	\$164.00
2.	900-2RS FA - 2 relay output with FA	\$228.00
3.	900-4RL - 4 relay board with integrated logic for controlling security interlocks, auto operators, and time delays	\$485.00
3.	900-4RL FA - 4 relay board with integrated logic for controlling security interlocks, auto operators, and time delays with FA	\$548.00
4.	900-8F - 8 fuse protected outputs	\$63.00
4.	900-8F FA - 8 fuse protected outputs with FA	\$127.00
5.	900-8P - 8 PTC protected outputs	\$63.00
5.	900-8P FA - 8 PTC protected outputs with FA	\$127.00

3. Select Other Power Supply Options

1.	900-BBK - Battery Backup Kit (includes two 7A/hr batteries) <i>*Can not be used if 3rd distribution board is installed*</i>	\$253.00
1.	900-BB - Battery Backup Board only (sold separately)	\$127.00
1.	900-BAT - Backup Battery Pack Two (2) 7A/hr batteries (sold separately)	\$127.00
2.	900-KL - Key Lock	\$40.40
3.	BAA-BAA Compliant Product	\$40.40

BAA compliant products must have the cover letter on page 299 included with the order. Failure to use this cover letter will result in the customer receiving non-BAA compliant product with no recourse for an RMA or refund. BAA compliant product requires a longer lead time, please contact customer service for details.

Note: PS906 power supplies require connection to AC line voltage. Installation and all electrical connections (high and low voltage) should be performed by a qualified electrical contractor.

8200 Series Consoles

Features

- Slope front design, with anodized face plate and durable housing
- Each station provides maintained or momentary SPDT pushbutton switch
- Red and green indicator lamps
- Security keyswitch
- Signaling Horn
- Alarm reset button
- 24 VDC operation
- UL 294 listed for access control system

4 or 8 zone console

Select Model

1. Select model - last digit indicates # of zones and select pushbutton function by zone
2. Specify a switch for each zone; M (momentary) or A (alternate action, maintained)

	ZONE	1	2	3	4	5	6	7	8	
8204		---	---	---	---					\$1,337.00
8208		---	---	---	---	---	---	---	---	\$2,352.00

Replacement Parts

8200MS	Momentary Switch Assembly	\$147.00
8200AS	Alternate Action (maintained) Switch Assembly	\$147.00
P810033	8 Zone PCB Assembly	\$229.00
P810049	Console Silence Button	\$79.90
P810050	Console Keyswitch	\$90.50

800 Series Remote & Local Monitoring Stations

800A

801

Select Model

800A	Remote monitoring - audible sound, 80 dB @ 2ft	\$146.00
800L1	Local monitoring - one LED indicator - red, green or amber	\$73.20
800L2	Two LED indicators - red, green or amber	\$101.00
801	Local or Remote Monitoring Station (requires MBS option on locking device)	\$271.00
801KS	Local or Remote Monitoring Station with Keyswitch (less cylinder) for Legal Release & Reset feature (requires MBS on locking device) SPDT momentary x SPDT maintained contact arrangement	\$714.00

672 TouchBar

The 672 TouchBar is a request-to-exit device used to release electromagnetic locks. Designed for easy installation, smooth operation and maximum durability.

Standard Features

- Pushpad with "PUSH TO EXIT" signage
- 1/4" Movement to activate switch
- Heavy-duty aluminum extrusion and powder coated zinc end caps
- Double pole, double throw switch
- UL 294 listed for access control system
- Universal mounting system for aluminum, hollow metal and wood doors (Includes self-drilling, self-tapping screws for aluminum or wood door application: RIV nuts for hollow metal door applications)
- Field reversible

REX Bar Application

1. Select Model

672	For aluminum, hollow metal and wood doors	\$345.00
------------	---	-----------------

2. Select Door Size

36", 42" or 48"	Standard door width	STANDARD
------------------------	---------------------	-----------------

3. Select Finish

628	Clear Anodized Aluminum	STANDARD
313	Dark Satin Bronze Anodized Aluminum	\$32.80

4. Select Pushpad

RD	Black pushpad with RED letters "PUSH TO EXIT"	STANDARD
GID	Black pushpad with Glow-In-The-Dark letters "PUSH TO EXIT"	NO CHARGE

5. Select Handing

RHR	Right Hand Reverse	STANDARD
LHR	Left Hand Reverse	NO CHARGE

6. Select Option/Accessory

AR	798-18, 18" x 1/2" Armored Door Cord (less wires) in/out swinging	\$61.90
WD	Sexnut door kit for heavy-duty wood door and hollow metal door applications (includes 4 sex bolts & screws)	\$80.80
SHK	Aluminum Door Mounting Shim Kit (Includes brackets/shims & screws)	\$80.80

Parts

See 672 TouchBar Parts on page 253

Specifications

Mechanical

- Available in standard lengths to fit 36", 42" and 48" doors
- Can also be field cut at the installation site for custom lengths

Electrical

- Switch:** DPDT contacts rated 4A @ 30 VDC
- Wiring:** 6 Conductor Cable - 20 AWG (standard)

692 SmartBar

The 692 TouchBar is a request-to-exit device with no moving parts used to release electromagnetic locks. Designed for easy installation, smooth operation and maximum durability.

Standard Features

- Push pad with "PUSH TO EXIT" signage
- Touch any point on the pushpad to release locking device
- Audible alarm
- Heavy duty aluminum extrusion and powder coated zinc end caps
- Directionally opposed infrared detection circuits
- DPDT relay
- Universal mounting system for aluminum, hollow metal and wood doors (Includes self-drilling, self-tapping screws for aluminum or wood door application: RIV nuts for hollow metal door applications)
- 798-18, 18" x 1/2" Armored door cord (798-18) shipped standard
- UL 294 listed for access control system

1. Select Model

692	For aluminum, hollow metal and wood doors	\$627.00
------------	---	-----------------

2. Select Door Size

36", 42" or 48"	Standard door width	STANDARD
------------------------	---------------------	-----------------

3. Select Finish

628	Clear Anodized Aluminum	STANDARD

Accessories

Electronic Horns

- Immediate, local audible warning device
- Designed for indoor application
- Surface and flush mounting kits included with all horns
- Latching units require a reset action
- Strobe units activate / deactivate based on the state of the horn
- Horn color is white
- Dual decibal settings high/low 102 and 88 with dba's

1. Select Model

1910-1	12/24 VDC Horn, current draw 14 mA @ 12 VDC; 28 mA @ 24 VDC	\$442.00
1910S-1	24 VDC Horn with strobe, current draw 71mA	\$602.00
L1910-1	24 VDC Horn with latching, current draw 28mA	\$612.00
L1910S-1	24 VDC Horn with strobe & latching, current draw 71mA	\$799.00

Scanners/PIRs

SCAN II-W

- Passive Infrared Detector
- Surface Mounting height range is from 7 to 15 ft
- Two form "C" relay contacts rated 2A @ 30 VDC for DC resistive loads
- Relay latch time is adjustable up to 64 seconds
- UL 294 listed by manufacturer as an access control device
- Designed for indoor applications

1. Select Model

Scan II - B	Black	\$522.00
Scan II - W	White	\$522.00

740 Series Emergency Break Glass

740

Switch contact form "Z", rated 6A @ 30 VDC

740	Assembly only	\$373.00
741	With indicator light	\$382.00
742	With Sonalert	\$415.00

Assembly mounts in 3 gang electrical box
 P800003 is the part number for the 5 pack of glass disc replacements. Cost: \$100.00

660 Series Surface Mini Box

660

- Dimensions: 2" H x 2" W x 1" D
- Switch contact rating: 6A @ 120 VAC

660-T4	SPDT Maintained Toggle	\$138.00
660-PB	SPDT Momentary Pushbutton	\$141.00

Recommended for concealed desk application

4200 Series Von Duprin Electric Strikes for cylindrical and deadlatch locks

Orderable through Schlage (ships from Security, CO) or Von Duprin (ships from Indianapolis, IN)

Features:

- Field selectable fail-safe/fail-secure without disassembly
- Dual voltage: 12 VDC at 0.20 A / 24 VDC at 0.10 A
- Finish: BHMA 630 / US32D stainless steel, satin finish
- Compatible with all Schlage and Falcon cylindrical locks as well as cylindrical and deadlatch locks of many other manufacturers
- Meets ANSI/BHMA 156.31 Grade 1 endurance & dynamic strength
- Meets ANSI/BHMA 156.31 Grade 2 static strength

Model	Fire Rated	Throw	Hollow Metal	Wood	Aluminum	Single	Mullion Pair	
4211		1/2"-3/4"	■		■	■		Shallow 1-3/8" backbox depth \$181.00
4212		1/2"-5/8"	■		■	■		Includes latchbolt monitor. Shallow backbox. \$217.00
Options (please specify):								
S012		Rectifier Kit					Converts 12 VAC to 12 VDC	\$40.00
S024		Rectifier Kit					Converts 24 VAC to 24 VDC	\$40.00
EB		EB Entry Buzzer					Use in fail-secure applications	\$40.00
Available Parts:								
P050805		4200 Hardware Kit					Includes: mounting tab hardware, mounting screws, allen wrench and diode	\$14.60
P90114		Faceplate, 4200, square corner						\$18.20
P90110		Faceplate, 4200, round corner						\$18.20

For additional parts list, please see Von Duprin price book.

6400 Series Von Duprin Modular Electric Strike for mortise or cylindrical locks

Orderable through Schlage (ships from Security, CO) or Von Duprin (ships from Indianapolis, IN)

Features:

- Dual voltage: 12 VDC at 0.375 A / 24 VDC at 0.19 A
- Finish: BHMA 630/US32D stainless steel, satin finish
- Modular options fit cylindrical and nearly any mortise lock.
- Includes movable deadbolt keeper, plug and deadlatch ramp inserts.
- ANSI/BHMA 156.31 Grade 1
- 1500 lbs. static strength
- UL1034 listed for burglary resistance
- 3-hour fire rated to UL10C (fail secure only)
- UL 294 listed for access control system units
- CSFM California State Fire Marshal listed

Model	Fire Rated	Throw	Hollow Metal	Wood	Aluminum	Single	Mullion Pair	
6400	■	up to 3/4"	■	■	■	■		Up to 1" deadbolt throw (as night latch only) \$566.00
Options (please specify):								
LM6400		Latch Monitor					Optional plug-in latch monitor can be added in the field	\$60.50
For additional parts list, please see Von Duprin price book.								
S012		Rectifier Kit					Converts 12 VAC to 12 VDC	\$40.00
S024		Rectifier Kit					Converts 24 VAC to 24 VDC	\$40.00
EB		EB Entry Buzzer					Use in fail-secure applications	\$40.00

Pricing/product description subject to change without notice.

Additional Electric Strikes available exclusively through Von Duprin:

Please see Von Duprin price book for current list price information.

5100 Series Von Duprin Electric Strike for cylindrical and deadlatch locks

Features:

- Adjustable keeper improves fit on tight door preps
- Field selectable fail-safe/fail-secure
- Dual voltage: 12 VDC at 0.38 A / 24 VDC at 0.19 A
- Available finishes: BHMA 689 / US SP28 aluminum; BHMA 622 / US19 flat black; BHMA 695 / US SP313 dark brown
- Compatible with Schlage and Falcon cylindrical and deadlatch locks including those of many other manufacturers
- Meets ANSI/BHMA 156.31 Grade 1 endurance & dynamic strength
- Meets ANSI/BHMA 156.31 Grade 2 static strength
- UL 1034 burglary-resistant

Model	Throw	Hollow Metal	Wood	Aluminum	Single	Mullion Pair
5100	1/2"-5/8"	■	■	■	■	3 faceplates cover HM, AL and Wood applications with hardware included for an all-in-one boxed solution

For specified options and complete parts list, please see Von Duprin pricebook.

6100 Series Von Duprin Electric Strikes for rim exit devices

Features:

- Furnished standard in fail secure configuration unless specified fail safe
- 24 VDC supplied standard if not specified otherwise
- Available finishes on a stainless steel construction: US3 Polished Brass; US4 Satin Brass; US10 Satin Bronze, clear coated; US10B Dark Bronze, Oil Rubbed; BHMA 629 / US32 Bright Stainless Steel; BHMA 630 / US32D Satin Stainless Steel
- Compatible with Von Duprin and Falcon rim exit devices and those of many other manufacturers
- Specify when using these strikes with a 55 rim device
- UL1034 burglary-resistant

Model	Fire Rated	Throw	Hollow Metal	Wood	Aluminum	Single	Mullion Pair
6111	■	3/4"	■	■	■	■	Can be used with vertical rod exit devices
6112	■	3/4"	■	■	■	■	Designed to replace FA 310-5 with minor frame modification
6113	■	3/4"	■	■	■	■	
6114		3/4"	■		■	■	Surface applied for use with rim nightlatch devices
6121		3/4"	■	■	■		* * For rim exit devices on double doors without mullion

For specified options and complete parts list, please see Von Duprin pricebook.

6200 Series Von Duprin Electric Strikes for mortise or cylindrical locks

Features:

- Furnished standard in fail secure configuration unless specified fail safe
- 24 VDC supplied standard if not specified otherwise
- Available finishes on stainless steel construction: US3 Polished Brass; US4 Satin Brass; US10 Satin Bronze, clear coated; US10B Dark Bronze, Oil Rubbed; BHMA 629 / US32 Bright Stainless Steel; BHMA 630 / US32D Satin Stainless Steel
- Compatible with mortise (without deadbolt) and cylindrical lock applications except where noted
- ANSI/BHMA 156.31 Grade 1: 6211, 6211AL and 6211WF
- UL10C fire rated (fail secure only)
- UL1034 burglary-resistant

Model	Fire Rated	Throw	Hollow Metal	Wood	Aluminum	Single	Mullion Pair
6210	■	3/4"	■		■	■	Mortise only. Includes strike pocket inserts to accommodate deadlocking triggers
6211	■	3/4"	■		■	■	Retrofits VD 3140 or FA 712
6211AL	■	3/4"			■	■	Retrofits FA 722
6211WF	■	3/4"		■		■	Retrofits FA 732 with minor frame modification
6212	■	3/4"	■		■	■	Fits modified ANSI 115.2 cutout. Retrofits VD 3146.
6212WF	■	3/4"		■		■	
6213	■	3/4"	■		■	■	Retrofits only
6214	■	3/4"	■		■	■	Retrofits FA 310-2 3/4
6215	■	3/4"	■		■	■	Retrofits FA 310-2
6216	■	3/4"	■	■	■	■	Retrofits FA 310-3-1. For mortise with deadbolt 1" throw. Deadbolt must be manually operated
6221	■	3/4"	■	■	■	■	Open back, retrofits VD 3071 and 3072. 4-3/4" minimum stile required
6222	■	3/4"	■	■	■	■	Open back, retrofits FA 310-2 3/4 OB
6223	■	3/4"	■	■	■	■	Closed back, retrofits VD 3091 and 3092. 4-3/4" minimum stile required
6224	■	3/4"	■		■	■	Closed back, retrofits FA 310-2 3/4. For door thicknesses 1-3/4" or 2-1/4"
6224AL	■	3/4"			■	■	Closed back, retrofits FA 310-ZRF. For door thicknesses 1-3/4" or 2-1/4"
6225	■	3/4"	■		■	■	Open back, retrofits FA 310-2 OB
6226	■	3/4"	■		■	■	Closed back, retrofits FA 310-2. For door thicknesses 1-3/4" or 2-1/4"

For specified options and complete parts list, please see Von Duprin price book.

Pricing/product description subject to change without notice.

6300 Series Von Duprin Surface Mount Electric Strike for rim exit devices

Features:

- Dual voltage: 12 VDC at 0.50 A / 24 VDC at 0.24 A
- Finish: BHMA 630 / US32D stainless steel, satin finish
- Compatible with most rim exit devices
- UL1034 burglary-resistant
- UL 10C 3-hour fire rated (fail secure only)
- UL 294 listed for access control system units
- CSFM California State Fire Marshal listed

Model	Fire Rated	Throw	Hollow Metal	Wood	Aluminum	Single	Mullion Pair	
6300	■	3/4"	■	■	■	■	■	No cut, surface mount design

For specified options and complete parts list, please see Von Duprin priceook.

PS914 Von Duprin Power Supply

See Von Duprin Exit Hardware & Parts Price Book

4A @ 12/24 VDC – field selectable

- Designed for high inrush current
- UL 294 Listed for Access Control
- Class 2 rated power limited output
- Universal 120-240 VAC input
- Regulated and filtered DC outputs
- LED indicators: AC input (visible on outside of enclosure) and DC output
- 2 connectors for optional distribution boards
- AC monitoring
- 14" H x 12" W x 4" enclosure

Von Duprin Delayed Exit System

DE5300 Series

See Von Duprin Exit Hardware & Parts Price Book

Application	
	<ul style="list-style-type: none"> • Designed to meet NFPA 101 "Special Locking Arrangement" applications • Ideal for controlled areas • Addresses life safety and security needs • Commonly used on narrow stile doors where a standard narrow stile Chexit is not practical

Von Duprin Electric Power Transfer

EPT

See Von Duprin Exit Hardware & Parts Price Book

Application	
	<ul style="list-style-type: none"> • Provide a means for transferring electrical power from a door frame to the edge of a swinging door • Units are completely concealed when the door is in the closed position • Ideally suited for applications involving abuse or heavy traffic
Popular Models	<ul style="list-style-type: none"> • EPT-2: Two 18 gauge wires; Up to 2 amps @ 24VDC, with a 16 AMP maximum surge • EPT-10: Ten 24 gauge wires; Up to 1 amp @ 24VDC, with a 16 AMP maximum surge

See 2018 Von Duprin Exit Hardware & Parts price book for pricing and complete information.
Additional electrified products available in the IVES price book & the LCN price book.

Von Duprin Remote Undogging and Remote Monitoring

Modular Retrofit Option for 98/99 and 33A/35A Series Devices

Model #	Description	List Price
47258681	Remote Undogging (RU) 3' kit	\$949.00
47258682	Remote Undogging (RU) 4' kit	\$949.00
47258683	Remote Monitoring (RM) 3' kit	\$725.00
47258684	Remote Monitoring (RM) 4' kit	\$725.00

Reference Notes

- Access control managed via an IP or RS485 connection to the ENGAGE gateway through Allegion software alliance members, consult your access control software provider for specific scope of support.
- ENGAGE gateway sold separately.
- Compatible with 98/99 and 33A/35A series rim, SVR, CVR, CVC and 3-point devices.
- Specify CON for Allegion Connect
- RU option:
 - Enables both remote undogging and door status monitoring (DPS, RX and LX)
 - Not compatible with exit devices with the following options: QEL, DI/CDSI/HDSI, RX2, Schlage AD/CO Trim, SD, SS, PN, E-Strikes/Pullman Latch, CX
 - Compatible device lengths: All 33A/35A and 98/99 device types – 3' (914 mm) length to 2' 9" (838 mm), 4' (1219 mm) length to 3' 3" (991 mm)
- RM option:
 - Enables door status monitoring (DPS, RX and LX) only
 - Not compatible with exit devices with the following options: DI/CDSI/HDSI, RX2, Schlage AD/CO Trim, SD, SS, PN, E-Strikes/Pullman Latch, CX
 - If the door and exit device are fire rated, and the exit device type is a 98/99-F Rim manufactured prior to April 1, 2018, a new center case will be required before proceeding with the installation of the RM kit. 98/99-F Rim Center Case Kit Less Cover, part number 050026.

Biometrics Overview

Schlage brings the security and convenience of biometric technology to any access control system with the HandKey II hand geometry readers. By using your hand as your credential, this technology provides reliable one-to-one matching - personal proof that people are who they claim to be.

Schlage biometric HandReaders can also be integrated with other reader technologies such as smart card, proximity or magnetic stripe, to provide a highly secure system that verifies who you are in one transaction.

The benefits of using HandReaders are:

- Fast and easy to use
- Field-proven reliable technology
- Integrates into existing access control systems
- Increases convenience by eliminating cards
- Lower administrative costs compared to card-based systems
- Standalone or networked options

Purchase Orders:

Fax purchase orders to: 800-452-0665

All purchase orders must include the following information:

- Purchase order number
- Invoice address
- Ship to address
- Shipping method
- Part number
- Pricing
- Any special configuration ID #s
- Any options requiring factory installation

Missing or inaccurate information may cause a delay in the order process.

Quick Turn Program:

A quick turn program is available for urgent orders up to 10 units (11 or more, please call the factory directly).

- A 15% premium charge is applied to the total order for items requiring a one day turn
- A 5% premium charge is applied to the total order for items requiring a three day turn

All orders must be received by 11:00 am PT to count as one day.

Purchase orders must include the premium charge as a separate line item.

Quick Turn may not be available on all items (Please contact the factory for expedited availability).

Payment Terms:

Please refer to the October, 2017 Terms and Conditions.

Order Changes/Cancellations:

Please refer to the October, 2017 Terms and Conditions.

Packing:

Company will pack, mark, and ship the Products according to its standard procedures for shipment, unless the parties agree, in writing, that Company will comply with any special instructions provided by Customer. Compliance with special instructions may result in an increased price.

HandKey F Series

Polycarbonate housing. Expanded memory options are available.

HK-2-F3	HandKey F Series with memory for 512 users	\$2,735.00
----------------	--	-------------------

HandKey-2
Hand Geometry Reader

Memory Options

Memory expansions can be factory configured when ordered with the HandReader. For field expansions, the serial number on the main board must be supplied with the order so that an authorization code can be generated.

Note: Credit will not be given for field installed memory expansion returns.

HN-T2-T3	Tier Upgrade: T2-T3 from 25 to unlimited HandKeys	\$948.00

Extended Warranty

EXT-WAR	1 year extended warranty (available at the time of initial biometrics reader purchase only)	\$315.00
----------------	---	-----------------

Training Courses and Support Services

Note: Prices are as posted. No discounts apply.

SBT-HK	1-day training course at an Allegion facility. User will be able to install, program and troubleshoot the hardware functions of the HandKey upon completion of the course.	\$150.00 per person
SBT-HK-ONSITE	1-day training course at customer site. User will be able to install, program and troubleshoot the hardware functions of the HandKey upon completion of the course (max 10 trainees per classroom).	\$1,200.00 per day plus expenses
SBT-HNWL	1-day training course at an Allegion facility. User will be able to install, program and troubleshoot the access control software (HandNet for Windows and HandNet Lite) on HandKeys.	\$150.00 per person
SBT-HNWL-ONSITE	1-day training course at customer site. User will be able to install, program and troubleshoot the access control software (HandNet for Windows and HandNet Lite) on HandKeys (max 10 trainees per classroom).	\$1,200.00 per day plus expenses
SS-SVC	Schlage Biometrics Support – Support Services Professional support services to assist business partners, dealers, and solution providers with services involving the F Series handreaders. A quote for services will be provided.	\$150.00 per hour

Main Boards

Note: Replacing any main board in the field creates a risk of the HandKey falling outside of acceptable calibration range. It is recommended that units be sent back to the factory to have the main board calibrated to the camera. Price does not include memory upgrades. Custom configurations must be noted on PO.

F Series

S-PC-HK2-RB	HandKey II Main PCB Battery Backup Ready	\$798.00

7. Instructions and Compatibility

General Information

If you do not know the registry number (R#), structure number or the original factory order number for an existing system, contact Customer Service prior to placing the order:

Tel. 1-877-671-7011
Fax 1-800-452-0663

- Only one structure may be ordered on the same purchase order
- Classic refers to Obverse, Numbered (Paracentric), Quad, and Reverse key section families
- Classic Primus refers to Primus Obverse and Primus Quad key section families

Section 1: System a System

Full Size Construction Cores

- Schlage only

Small Format Construction Cores

- 7-pin only for Schlage
- 6- and 7-pin for Falcon

CK (Split)

- 6-pin for Schlage and Falcon
- Split key construction keying is not available for Classic Primus or Everest 29 Primus

RCK (Lost Ball)

- 5-pin (C keyway) only for Schlage
- 5-, 6-, and 7-pin for Falcon

System Selection

- Refer to the compatibility chart

Section 2: Select Kys and Key Stamping

Stamp Details

- Unless otherwise specified, industry standard key symbols are stamped on Everest 29™ and Primus® keys
- For custom die, attach RFQ approval for Schlage

Section 3: Select Cylinder Stamping

Type

- For cylinder type refer to the compatibility chart

Keyway (specify)

- Schlage Commercial's default key section for new Master Key Systems is Everest™ S145

Section 4: Key Quantities

Level

- Unless otherwise specified, the control key has the same cut as the highest-level key in the system (Except SFIC systems)

Special Function

- Construction keys are not furnished unless specified

Change Keys

- Unless otherwise specified 2 change keys are furnished per lock or cylinder

Section 5: Master Key Future Expansion

- Do not use the letters “I”, “O”, “CK”, “KA”, or “KD” for any master key symbols

Section 6: Operating Instructions

- Cross keying reduces the security and expansion of key systems
- Unless otherwise specified, all hierarchical master keys will operate cross-keyed cylinders

Sample Letter of Authorization For All Restricted Key Products

DISTRICT 10

**End User
Letterhead - REQUIRED**

District 10 Schools
555 Main Street
End User City, State 55555
(555) 555-5555

May 1, 2003

Date - REQUIRED

To: Schlage Dealer
100 East Avenue
Dealer City, State 11111

**Dealer Name -
RECOMMENDED**

**Include Registry
Number & Facility
Code (stamped on
keys) for existing
key systems**

RE: District 10, Jones Elementary School

Facility Name - REQUIRED

Please consider this authorization to ship product for the above-referenced project.

Jones Elementary School is to be keyed using a new Everest D Restricted Key System. For security reasons, we would like to have all keys for this facility shipped to a location other than the job site. Master keyed products, however, can be shipped directly to the site. This letter authorizes Schlage to ship our restricted products to the following addresses:

Master Keyed Products, Construction Keys, Locks Less
Cylinders, and Locks with Construction Cores

Attn: Building Project Manager
District 10 Schools
555 Main Street
End User City, State 55555

Master Keys, Change Keys, Control Keys, and Key Blanks

Attn: Locksmith
District 10 Lockshop
1201 Fifth Avenue
End User City, State 55555

**Authorized Ship-
To Addresses -
REQUIRED**

These two addresses above serve as our only authorized shipment addresses for all orders placed for our facility. We understand that this letter will be kept on file and referenced for our future orders and that a new letter is only required to add, remove, or change authorized shipping locations.

Sincerely,

End User Representative
Facilities Manager

**End User
Representative
Signature -
REQUIRED**

Letter may be mailed or faxed to Schlage

**Schlage Restricted Order Processing
3899 Hancock Expressway
Colorado Springs, CO 80911**

A library of common wiring diagrams are available at no-charge for use in single and double door applications utilizing various configurations of Allegion door hardware products. These diagrams can be accessed through our Knowledge Center tool at <http://kc.allegion.com/>. Click on *Common wiring diagrams* located under the column Top Solutions.

Custom Wiring Diagram Request

When common wiring diagrams do not meet the needs of the job requirements Allegion offers a service to purchase custom wiring diagrams. All custom wiring diagrams include a point-to-point with theory of operation and a riser diagram. Custom wiring diagrams fall into two categories; Standard and Complex:

- **Standard drawings:** All Allegion products with a single opening and a basic theory of operation. These drawings are quoted on a per drawing basis.
- **Complex drawings:** Generic contacts, 3rd party components, complex relay logic, timer circuit logic, any other additional advanced logic. These drawings must be processed through a quote process to determine the total NET cost of the request.

How does the Custom Wiring Diagram Request Process work?

- Custom wiring diagrams can only be ordered by and shipped to current Allegion Channel Partners
- Obtain a Wiring Diagram Request Form on page 69 or email a request to Wiring.Diagram.Request@allegion.com
- Email the completed request form to Wiring.Diagram.Request@allegion.com
- Be sure and include the following information to prevent delays to the request:
 - All supporting documentation for non-Allegion products
 - Hardware list with complete part numbers
 - Detailed Theory of operation for all openings
- Upon receipt the custom wiring coordinator will review and clarify the request as needed
- Once all clarifications are resolved a QUOTE#, NET pricing, and lead time will be assigned and communicated to the requestor within 1 business day
- Drawings that fall under a Standard type will be quoted a NET \$250 for each drawing
- Drawings that fall under a Complex type will receive a NET quote depending on the time required to complete the drawings at an hourly rate of \$250/hour
- A purchase order with the QUOTE# must be received for the wiring diagrams to be produced
 - Send the completed PO to Wiring.Diagram.Request@allegion.com
- Lead time is generally 2-3 weeks from time PO is received, more complex requests will have longer lead times
- Changes to the original request after a quote approval may incur additional charges and affect lead time
- QUOTE# is valid for 90 days
- Custom wiring diagrams, once completed, will be emailed to the requestor
